THIS · MONTH · IN · CLUB

Hello. My name's Kevin and I'm 18 and a half. This is my first job.

The nice man at the Jobcentre said to me, "Kevin, it says on your metalwork diploma (failed) that you're a very good speller. Well, that's just what you need to be an editorial writer for Club International — and it just so happens we had a vacancy in from them this morning.

"Editorial writing is a good trade, son: people will always need editorials. So get stuck in there, keep your nose clean, do as the boss tells you, look keen, and you never know, one day they may let you write that bit down the bottom which tells you who the printers are."

My Dad said this sounded like very good advice, so I went up to a place in London called Soho for my very first job interview. I was very excited as I climbed the stairs of the palatial Club HQ to the Editor's office. Just think — me, talking to a real Editor!

The Editor has a very loud voice and falls over a lot. It was a very quick interview. He held up a picture of a lady with no clothes on and asked me if I liked her bottom and I said it was very nice and he gave me the job. To think I went through years of metalwork exams, and all the time I could have got a job anyway because I liked ladies' bottoms! I said this to the Editor yesterday when he'd fallen over and he said he knew what I meant.

Anyway, he gave me a 'brief' for my first editorial. (In editorial language, 'briefs' aren't what you wear around your you-know-whats: a brief is when the Editor tells you what to write.) He said, "I don't give a monkeys what you say so long as it's spelt rite and it's about bums."

The Editor has now seen that I've filled up all the space and not written anything about bums so he's sacked me. Perhaps life isn't so easy after all... — *Kevin, 18 and a half.* ♣

the girl you've asked to see

When it comes to bums, all you connoisseurs of prize peaches certainly know what you like — and what you like is Susan! Her cute cheeks were your number one attraction, though you were mighty impressed with her pert boobs and taut, tanned thighs too.

The 20-year-old fashion designer from London frilled you to bits with her naughty see-through outfits in Volume 19 No 13, so here she is again especially for Sean from Doncaster, Danny from Glasgow, Vic the violinist who's been sending her roses every day, and all the rest of you who've got designs on her! ♣

Club's the Best

I've been reading Club for about four years, but up until now I've never written in to the magazine. The reason I'm writing in now? It's obvious, really! Vol 20 No 1 was simply the best issue ever — what a brilliant way to start the new year!

A very special mention has got to go out to Liverpudlian Alex — fuck the ferry, I'd *swim* across the Mersey to see her in the flesh! I knew as soon as I saw the cover with Alex flashing those 'come-to-bed' eyes that it was going to be one of the best issues yet — I wasn't disappointed! Not only was Alex on the cover, but she was in the centrefold too. Pheww! I don't know what it was about her — her long blonde hair, shapely figure, cute face, or maybe her totally fuckable pussy!

As ever, Ginny looked absolutely stunning dressed in a white wedding dress inside, although I reckon a *blue* wedding dress would have suited her more! What the hell, she has got to be one of the sexiest women I've ever seen in my whole life.

Club just seems to get better and better all the time, with both of these sex goddesses and more besides! Keep up the good work — here's hoping for another year of wanton, wild, and wonderful women! *— Mark, Dewsbury*

Nikki, Knackers, Knockers!

My wife had been getting bored with our sex life after six years of marriage, but within the past two weeks she has turned into a right little nympho!

It all started when a new manager came to our building society branch. She hasn't shown even a casual interest in other men recently, but after going to see Tom she came home very nervous and excited. I made a point of calling in a few times to meet him myself, and as he seemed like a really nice guy I invited him over for a drink.

I had been fantasizing about seeing Nikki get fucked by another man, and this was the ideal opportunity — especially when Tom told me he found her very attractive. I told him that she fancied him too, but she had lost interest in sex and I would be very grateful if he could rekindle that interest.

The two of us tried to figure out how we could get Nikki into the mood for sex with Tom, and he said that as he was a keen amateur photographer that could be a way to get her to pose in some sexy underwear for him. It certainly sounded worth a try!

When I told Nikki that Tom was coming round for a drink that evening she hurriedly took a bath, and then dressed in a short skirt, black stockings and a sheer white blouse. As she wasn't wearing a bra, her large brown nipples were clearly visible, and I could see from their firmness that she was already feeling quite excited.

When Tom came round, we all had a fair bit to drink, and when the ice was well and truly broken Tom told Nikki that he would really like to take some saucy photos of her. I was very pleased when she agreed straight away, and as I often leave copies of Club lying around the bedroom she had a good idea of how to pose attractively.

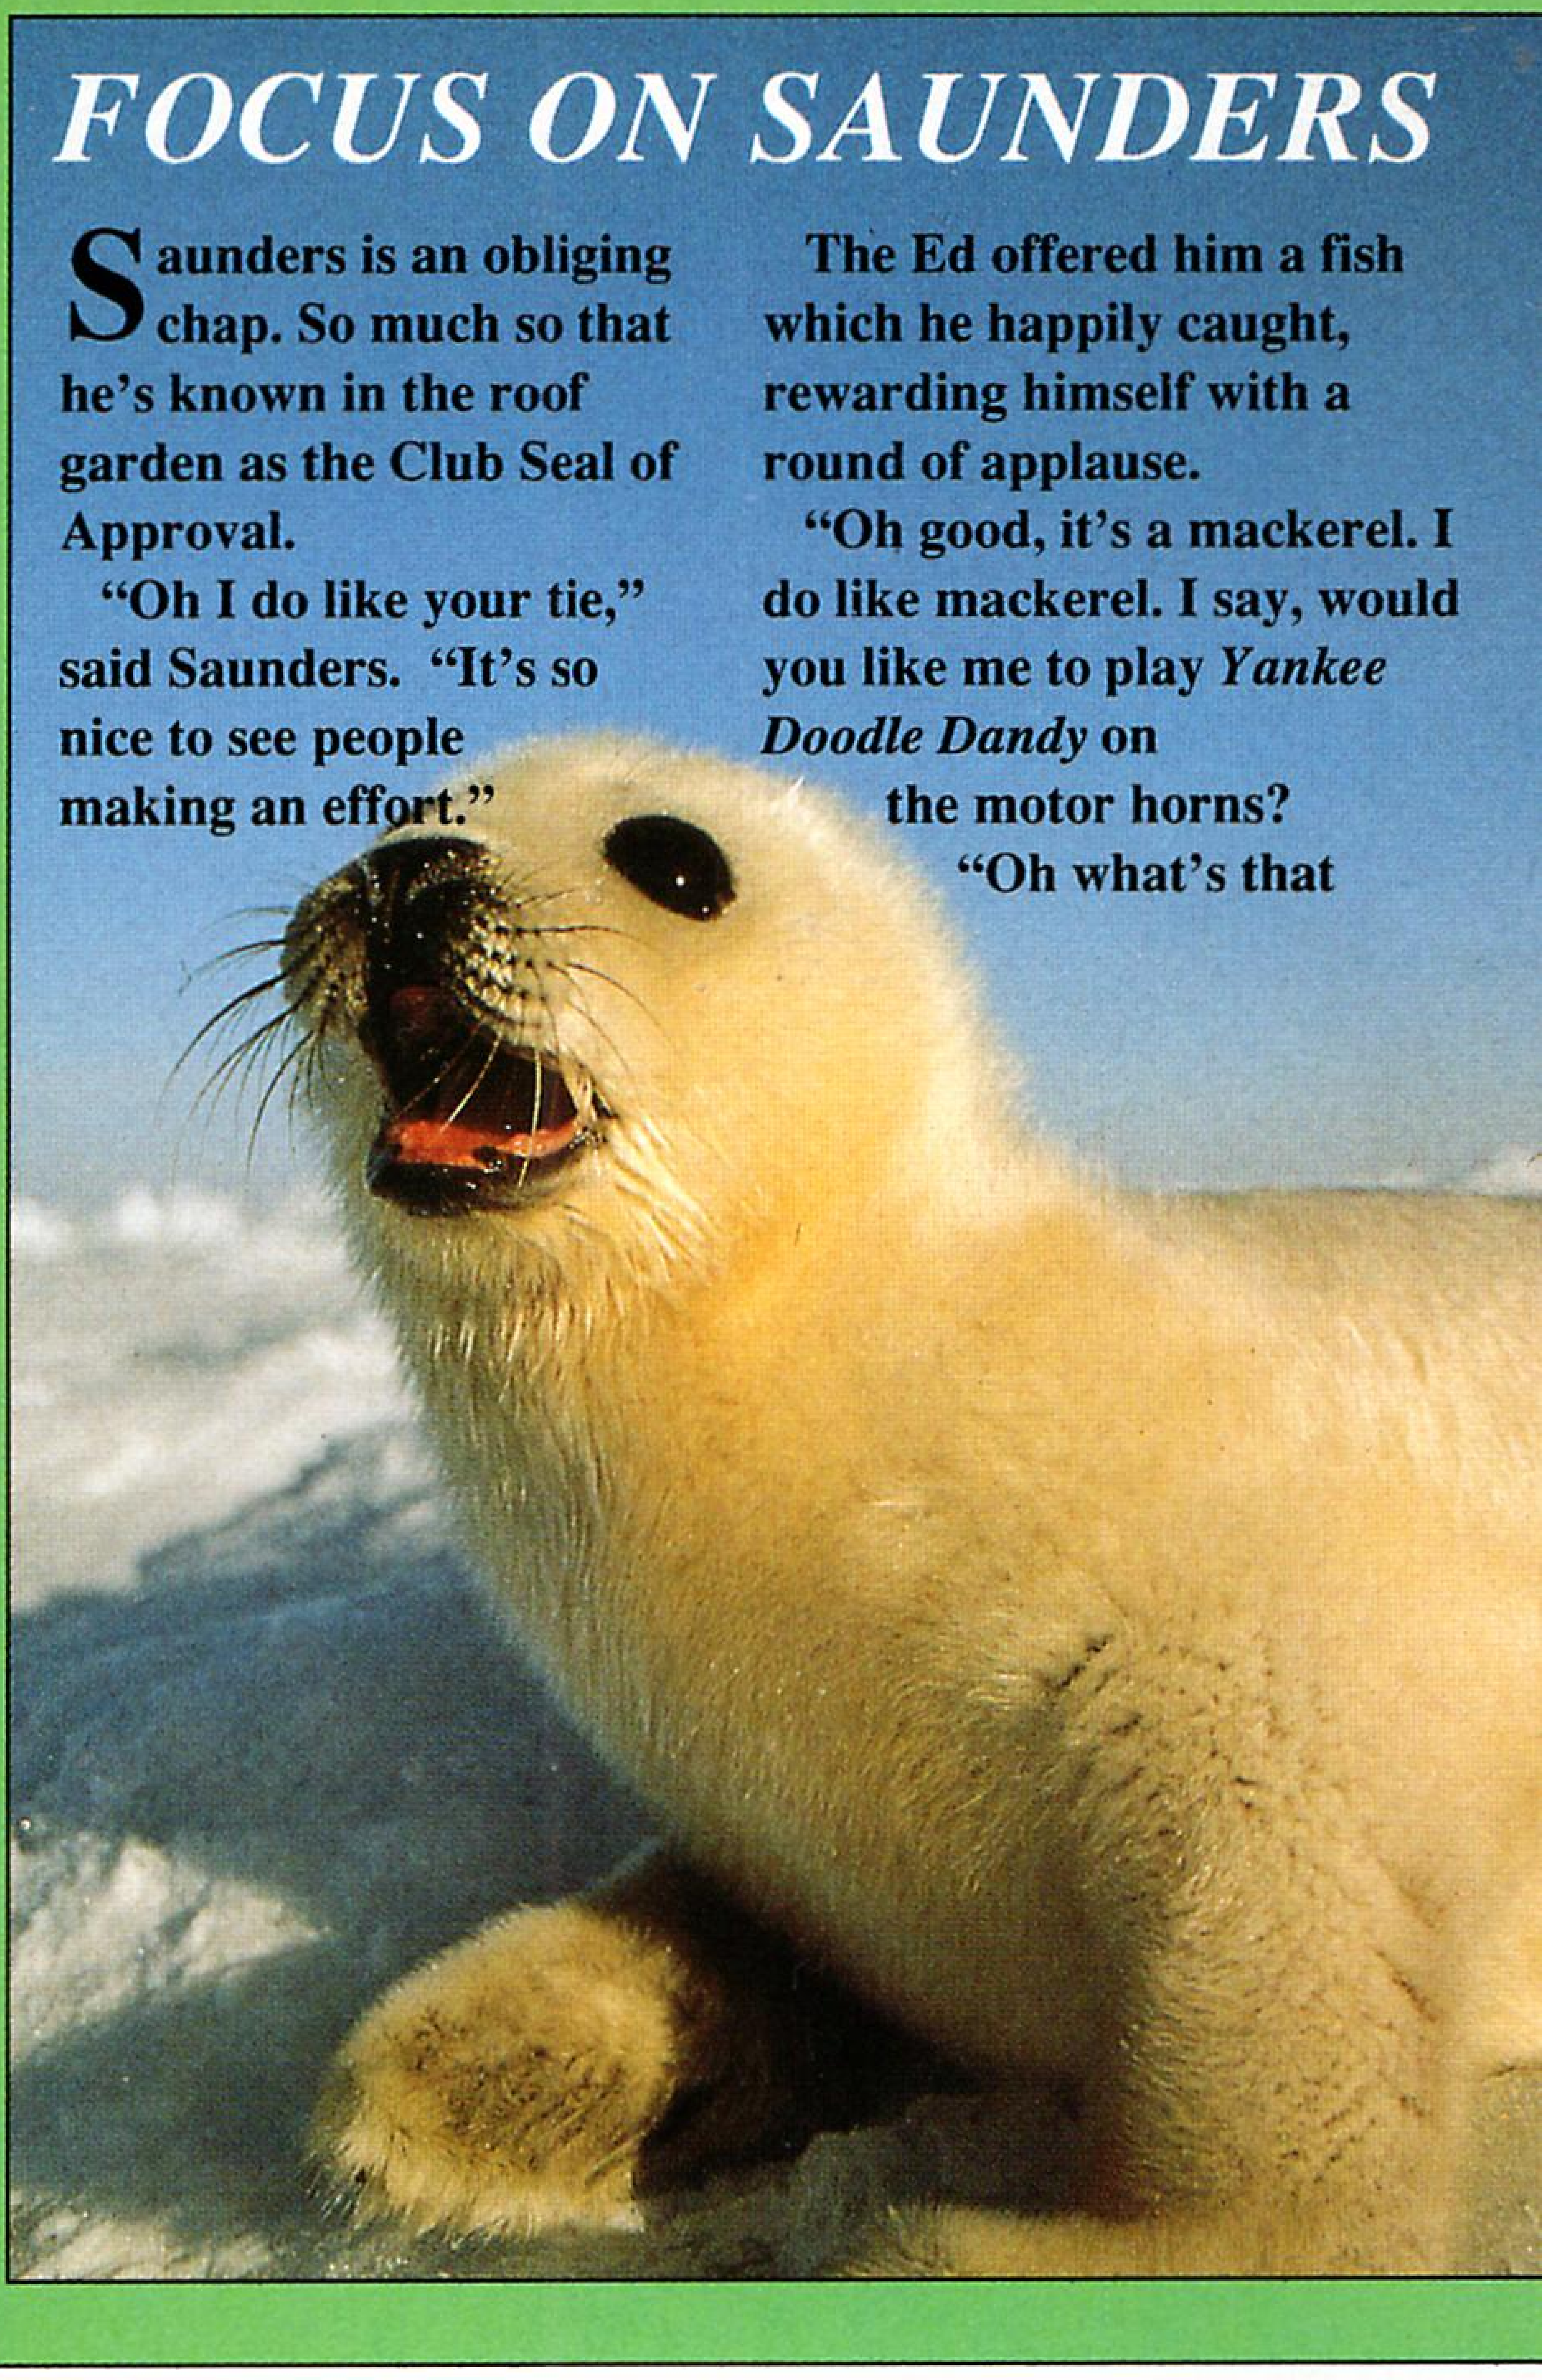
First of all, Tom got her to sit with her skirt pulled right up, so he could get a good look at her smooth thighs above her stocking tops. I could tell she was getting horny, and that she had noticed the growing bulge in Tom's trousers, so I suggested she unbutton her blouse for him.

My wife slowly undid the front of her blouse and let it slip open, to reveal her firm boobs. Her nipples were very hard now, and as Tom whistled his appreciation she began to fondle them with the tips of her fingers. I was astonished to see my straight-laced wife acting in such an abandoned manner, although I also found it really turned me on a lot!

After a few more rolls of film Tom asked Nikki to take her skirt and blouse right off. She stood there in her tiny black lace panties, which gave an enticing glimpse of her blonde pubes, and her stockings, suspenders and high heels. With her long fair hair falling down around her shoulders, she really did look like she'd stepped off the pages of Club. I had no idea my wife was so horny!

Nikki's panties looked quite damp, and Tom began to talk dirty to her, telling her how irresistible she was and how hot she was making him.

FOCUS ON SAUNDERS



Saunders is an obliging chap. So much so that he's known in the roof garden as the Club Seal of Approval.

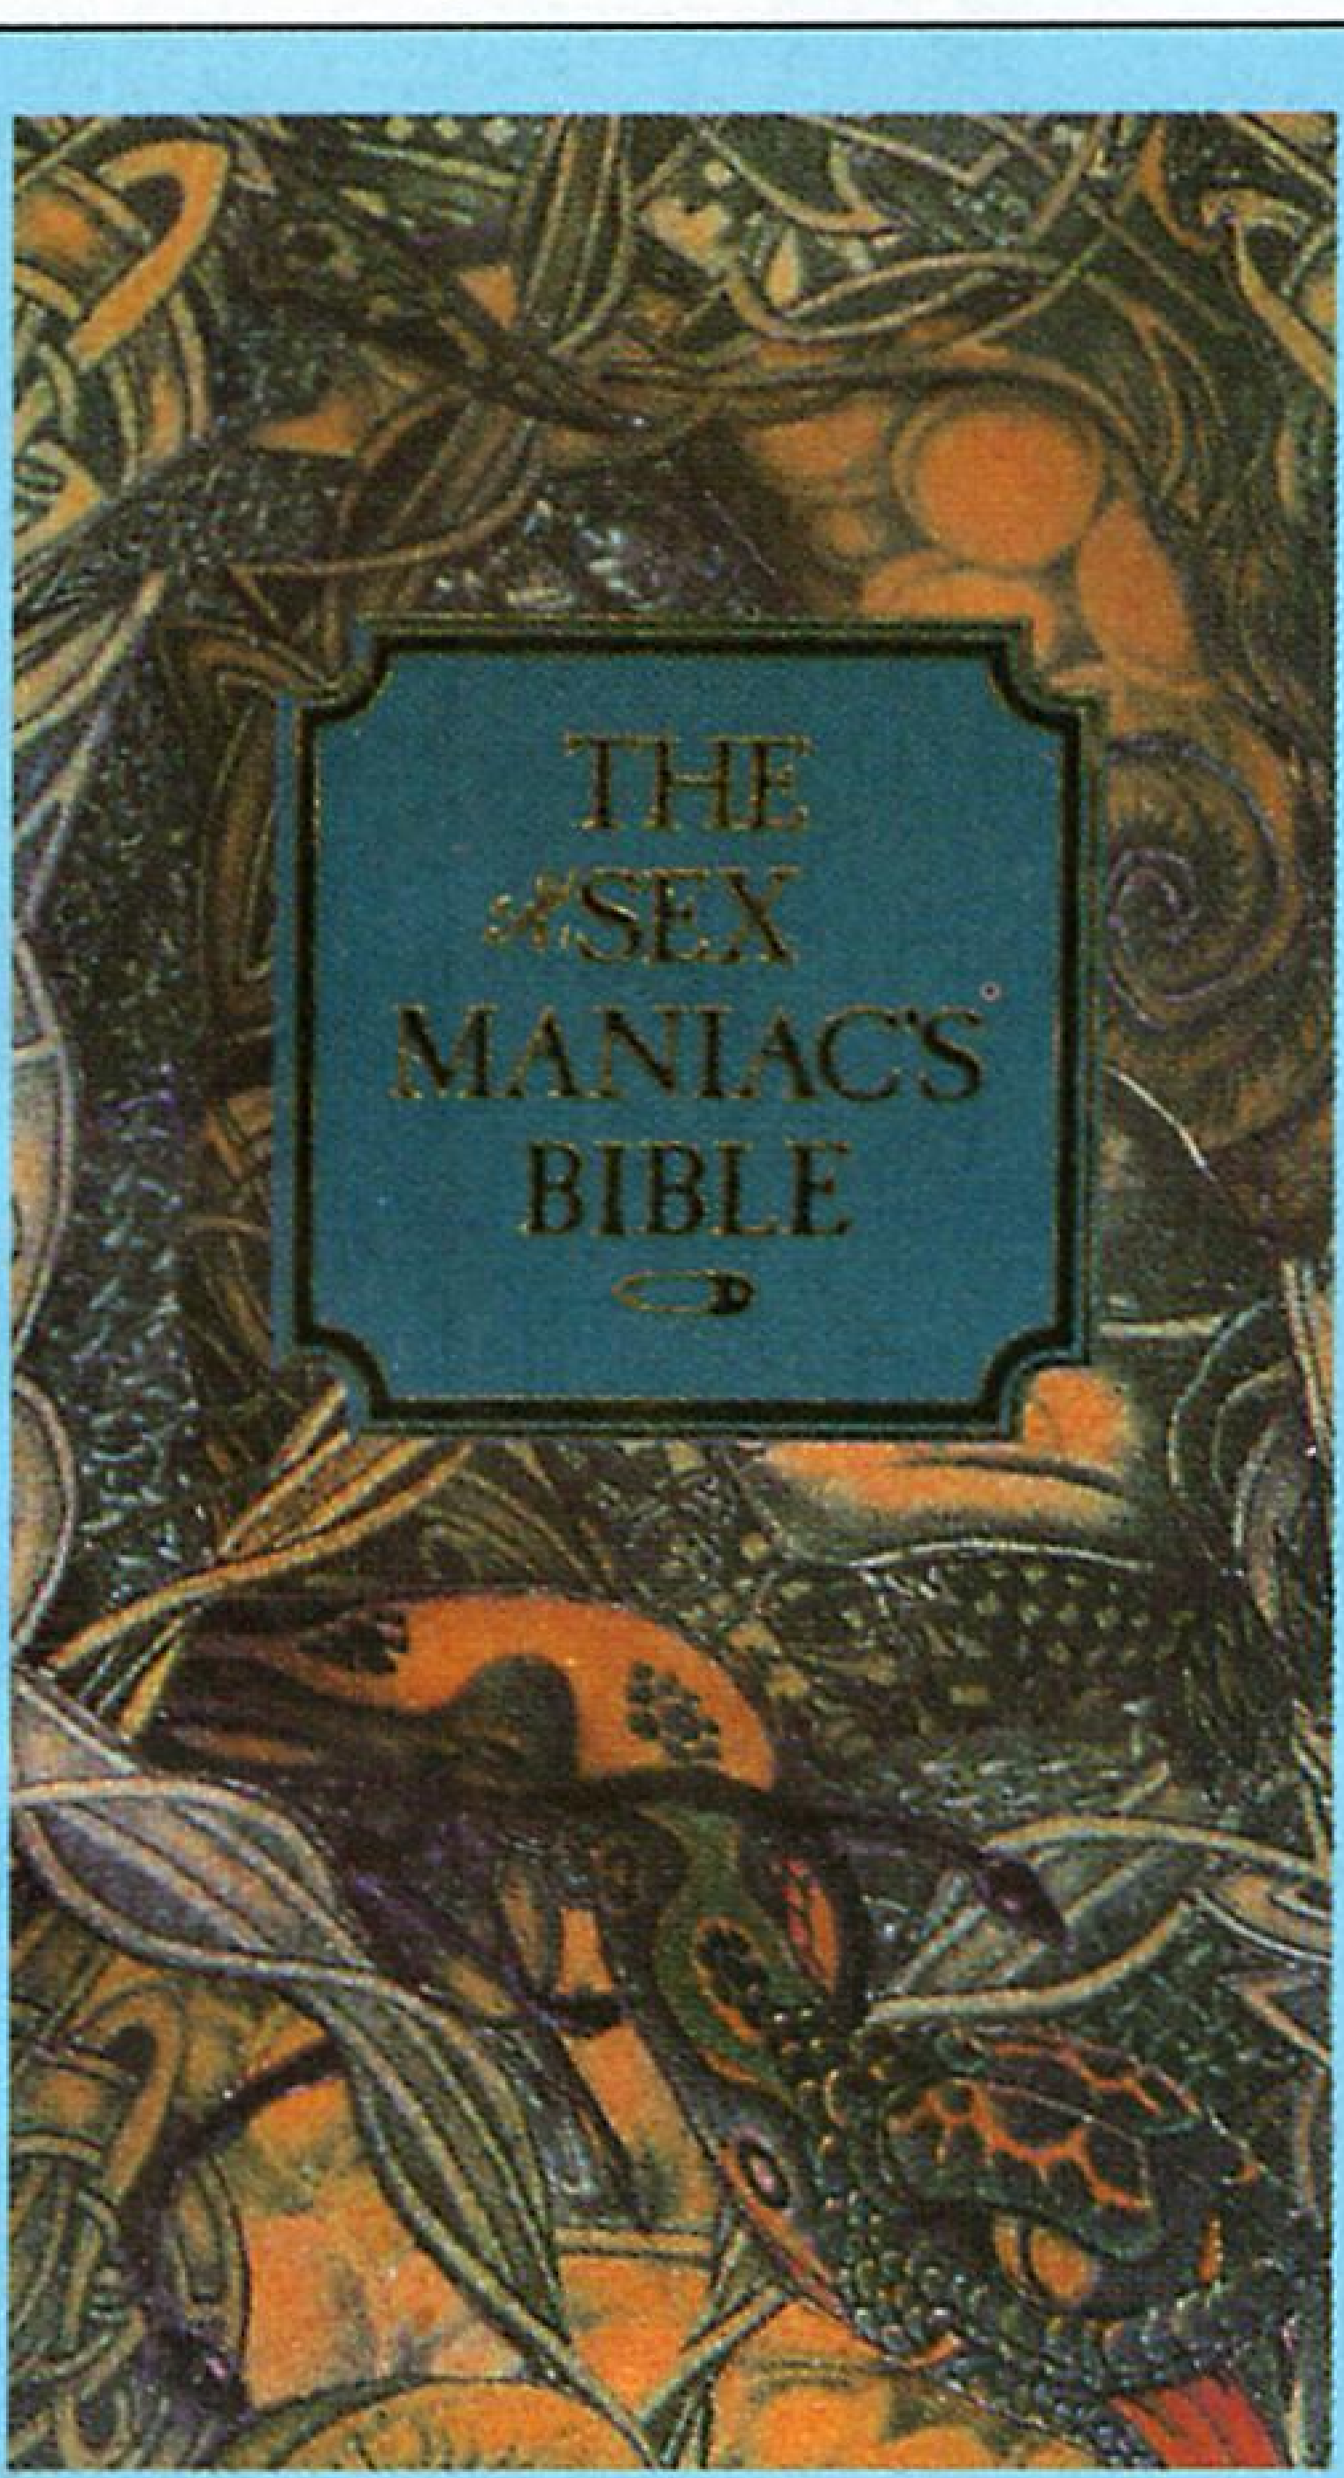
"Oh I do like your tie," said Saunders. "It's so nice to see people making an effort."

The Ed offered him a fish which he happily caught, rewarding himself with a round of applause.

"Oh good, it's a mackerel. I do like mackerel. I say, would you like me to play *Yankee Doodle Dandy* on the motor horns?

"Oh what's that

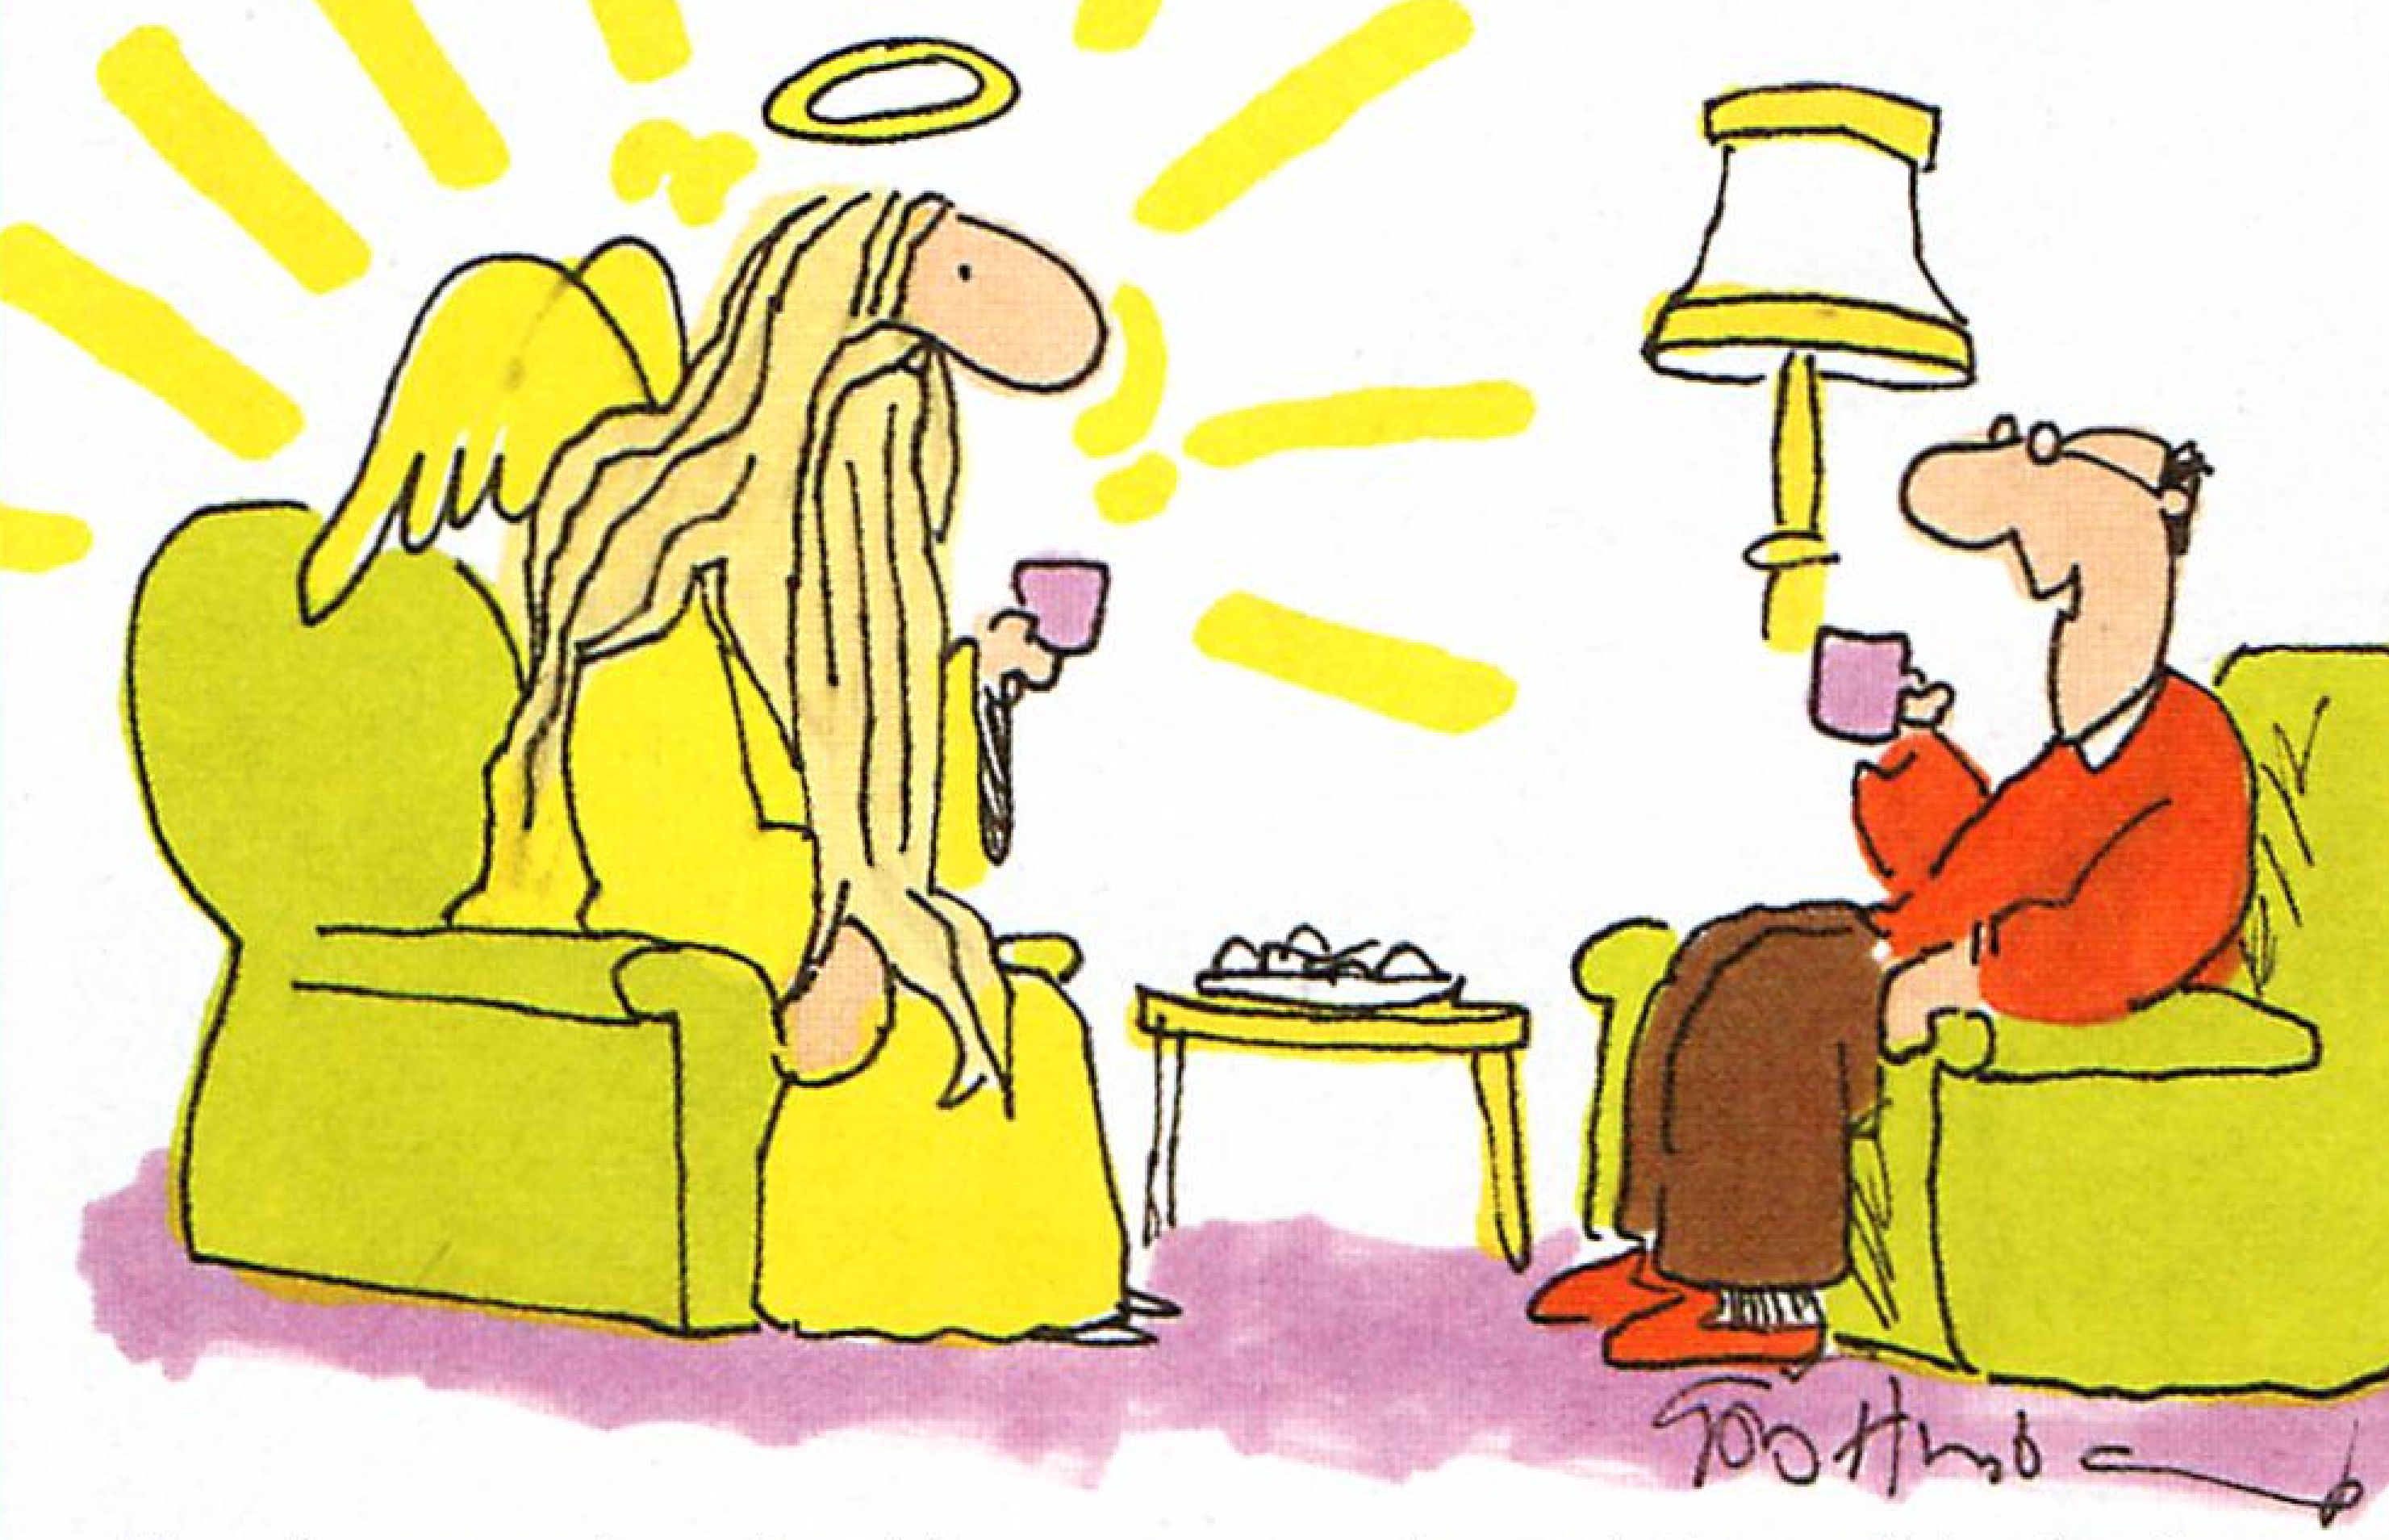
BIBLE BASHING!



Need a spot of late night reading after you've exhausted the latest copy of Club (or it's exhausted you)? Then look no further. Tuppy Owens, organiser of the Sex Maniac's Ball, and the subject of the Deputy Ed's dirtiest fantasies, has brought out a book called The Sex Maniac's Bible.

Describing itself as a guide to 'pleasure places' everywhere (except Rochdale), this handy, pocket-sized book gives you a blow-by-blow account of clubs, shops and magazines around the world that cater for the discerning raver, swinger or thrill-seeker.

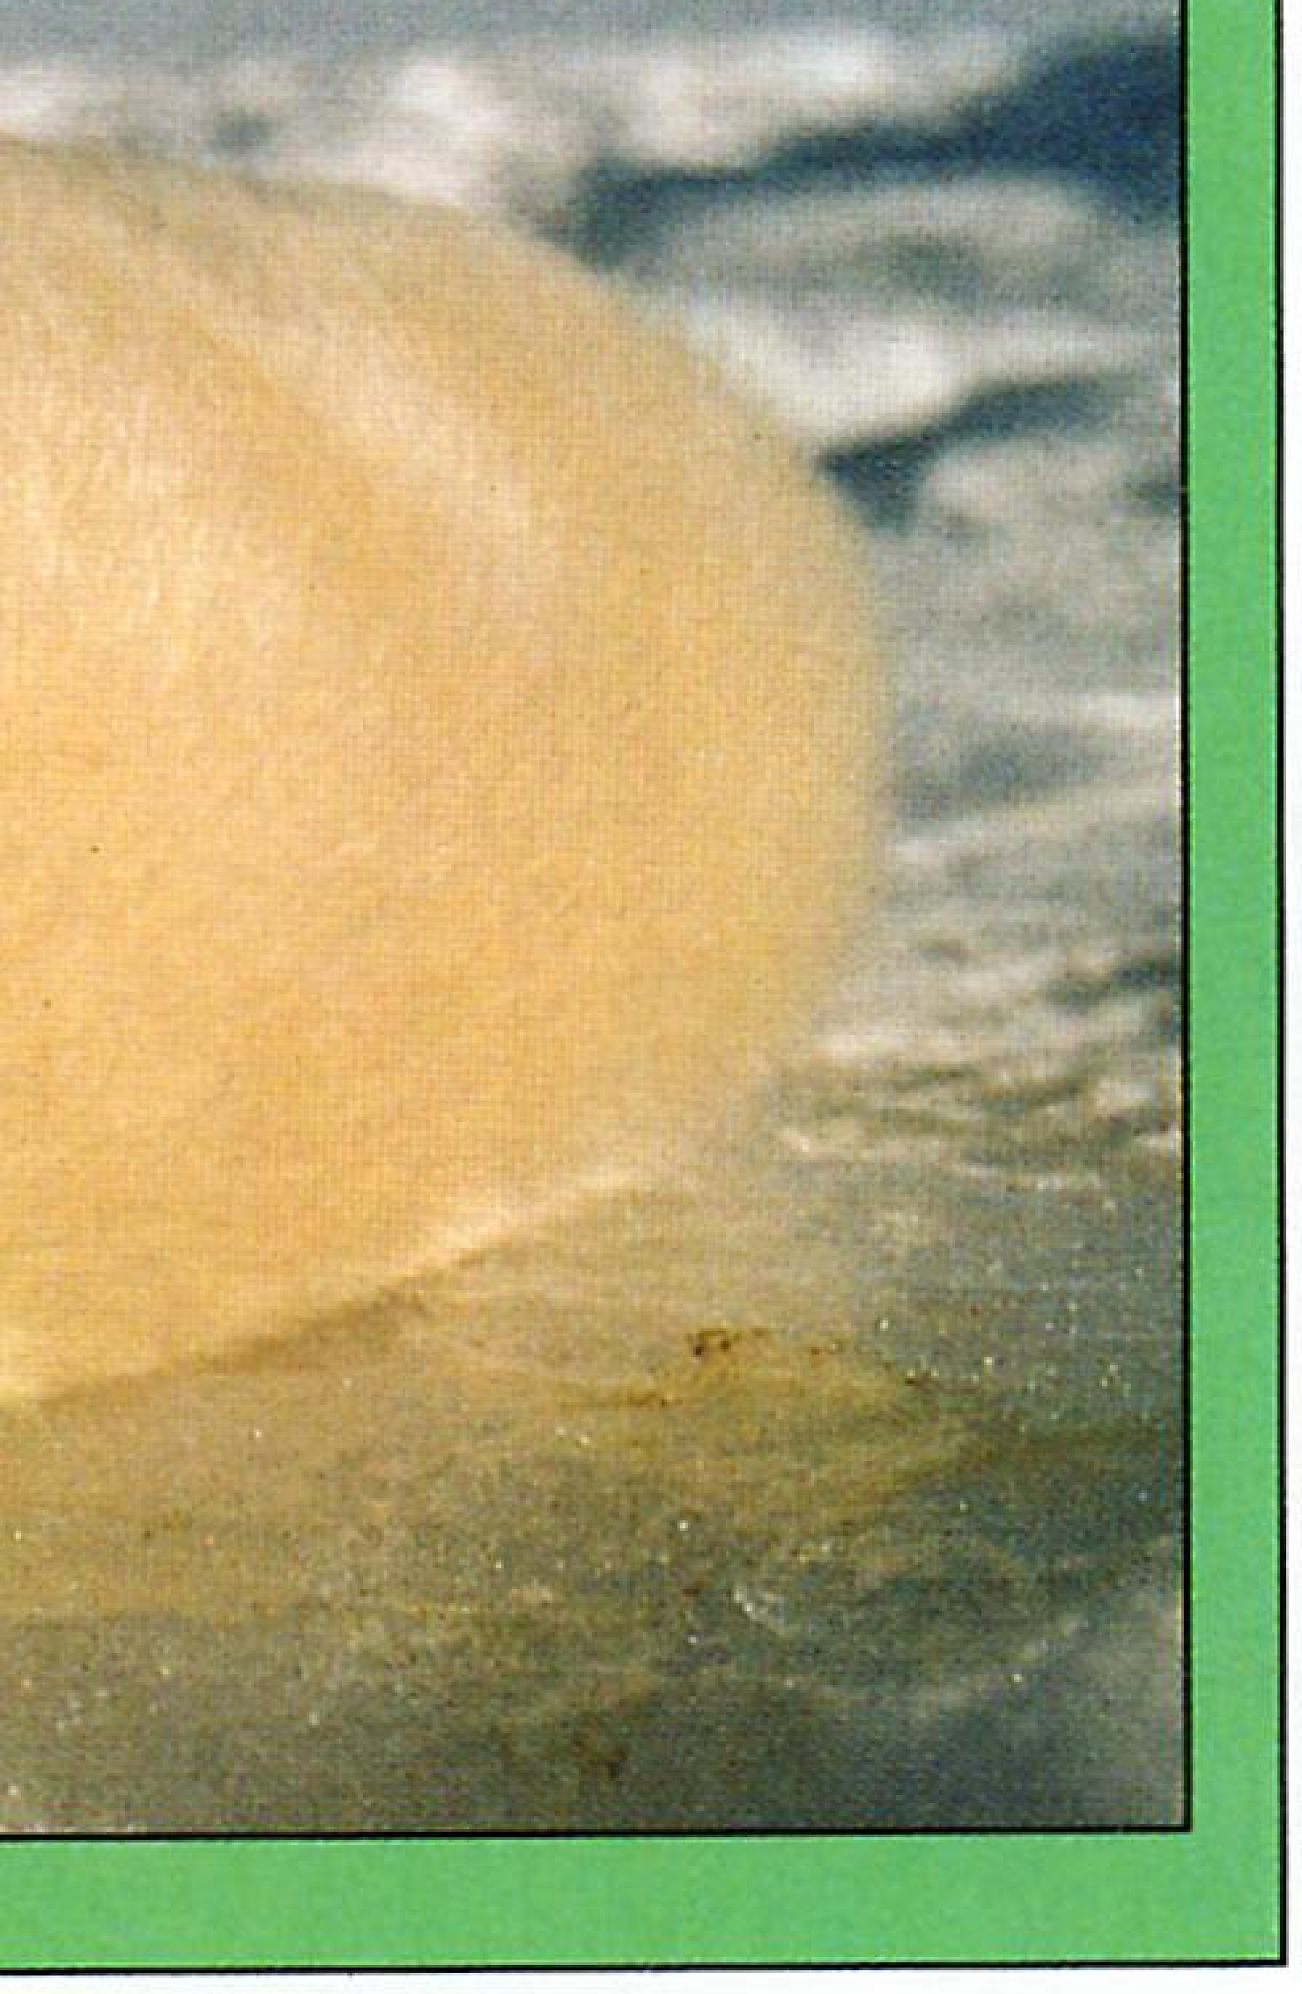
It makes a far better travelling companion than Judith Chalmers — and we bet she couldn't tell you how to say 'please hold my cock' in Japanese! *(It's Ole-no ochinchin tsukande actually — J. Chalmers.)* Don't leave home without one! ♣



You know, when I said my prayers last night and invited you round for a cup of tea if you were passing, I never dreamed...

you've brought me? Mr Bleach, that's a jolly nice baseball bat. Looks like a genuine Willy Mays Louiseville Slugger. Is it for me? *(Thud!)* Oh thank you!"

The Editor would like to point out that this item is humorous. He is not in the habit of killing seals. He leaves that to international oil companies who dump bigger loads in the North Sea than Nathaniel Fatbastard on the Hook of Holland Ferry. ♣



He directed her through the poses, getting her to sit on the floor and spread her legs, exclaiming wildly over her beautiful body.

Finally he took a bit of a chance, and asked her to take off her knickers. "I can see how wet you are, Nikki," he murmured, "so why not let me get a better look?" She didn't hesitate for a moment, but quickly slipped her panties off. "Spread your legs," Tom said, and she leant back on her hands and spread her legs wide apart, so Tom had a clear view of her gorgeous blonde pussy. He was still taking photos, and she didn't object as he took some close-up shots of her wet, open cunt.

After a few minutes of this, Tom couldn't hold back any longer, and flinging his camera aside, he buried his face between Nikki's legs. Frankly I was amazed; she very rarely let me eat her out, but here she was, getting her pussy licked by a virtual stranger in front of me, without the slightest hint of reluctance. In fact, it was obvious that she was loving it, as she moaned and sighed with pleasure.

Tom unzipped his fly and

GOBBLE!

This month ***Nathaniel Fatbastard*** *makes an exhibition of himself at Old Limpia, and gets to put his three inch floppy into some very nice laptop workstations...*

I've always been one of those men way out in front. It sticks out a mile. And given the right opportunity, I grab it with both hands. To put it another way, whenever Nathaniel Fatbastard spots something that looks like it's about to come up in a big way, he has a finger in it. For instance, I was one of the first to use a dictaphone, even though it was uncomfortable at first and more difficult than doing it by hand. In short there aren't many niches I haven't managed to slot myself into, which is why I'm now no stranger to the DTP.

Computers are now as much a part of my daily life as the crapper, where I dump more megabytes and erase more glitches than the research department of IBM. It's hard to imagine that up until a few months ago, I thought Dot Matrix was a character in *EastEnders*. However, I do like to keep abreast of developments, and so when computer magazines *Old Mac Owner* and *Wang Abuser* held a show at London's Old Limpia (next to Hammerstiff Flyover, W4), I went along to see if I could get my hands on some interesting peripherals.

Old Limpia was built in the Victorian era to hold events as diverse as the Royal Tournament, Dairy Show and Crufts — which is why it's knackered and reeks of shit. Those were the days when there was nobody quite like the British for making an exhibition of themselves. I remember back in the 60s queueing for hours to see a sticky fingerprinted Dalek, and to get the autograph of a poofy bit-part actor who claimed to have once been an Ice Warrior, at the School Boys and Girls Exhibition. But now all that has changed. The big shows have moved to that formica-panelled warehouse in the Midlands, and Old Limpia is used only for trade shows and events with a local cult following.

But Old Limpia was the ideal venue for the *Old Mac Owner* and *Wang Abuser* Computa Fair '91. The main hall was crammed with more impressive stands than the audience at a strip club, and it still reeked of poorly fried onions. Some things don't change, and for old times' sake I had to have an undercooked Hot Dog, with squeezy mustard and ketchup, in a limp roll (£2.99) from the stall by the entrance. The sausage couldn't have been rarer if it had been made out of minced panda, sperm whale and great auk. My nostalgia didn't, however, stoop so low as to buy a crap watch or a fringed thong, or make a picture by squirting paint onto a piece of card revolving on an old Dansette turntable. Instead, I went to the bar to quaff a few pints of Carling Slack Bladder lager (£2.49) with Johnny Foreigner whisky chasers (£1.99) both served in the same plastic beakers my Kia-Ora came in at the School Boys Exhibition in '63.

Suitably refreshed, I then made my way to the Apple Muck stand and eyed up the DTP systems starting at £10,000. No sooner had I arrived than a grinning bimbo in an "Adam did it with an Apple" T-shirt appeared behind a counter.

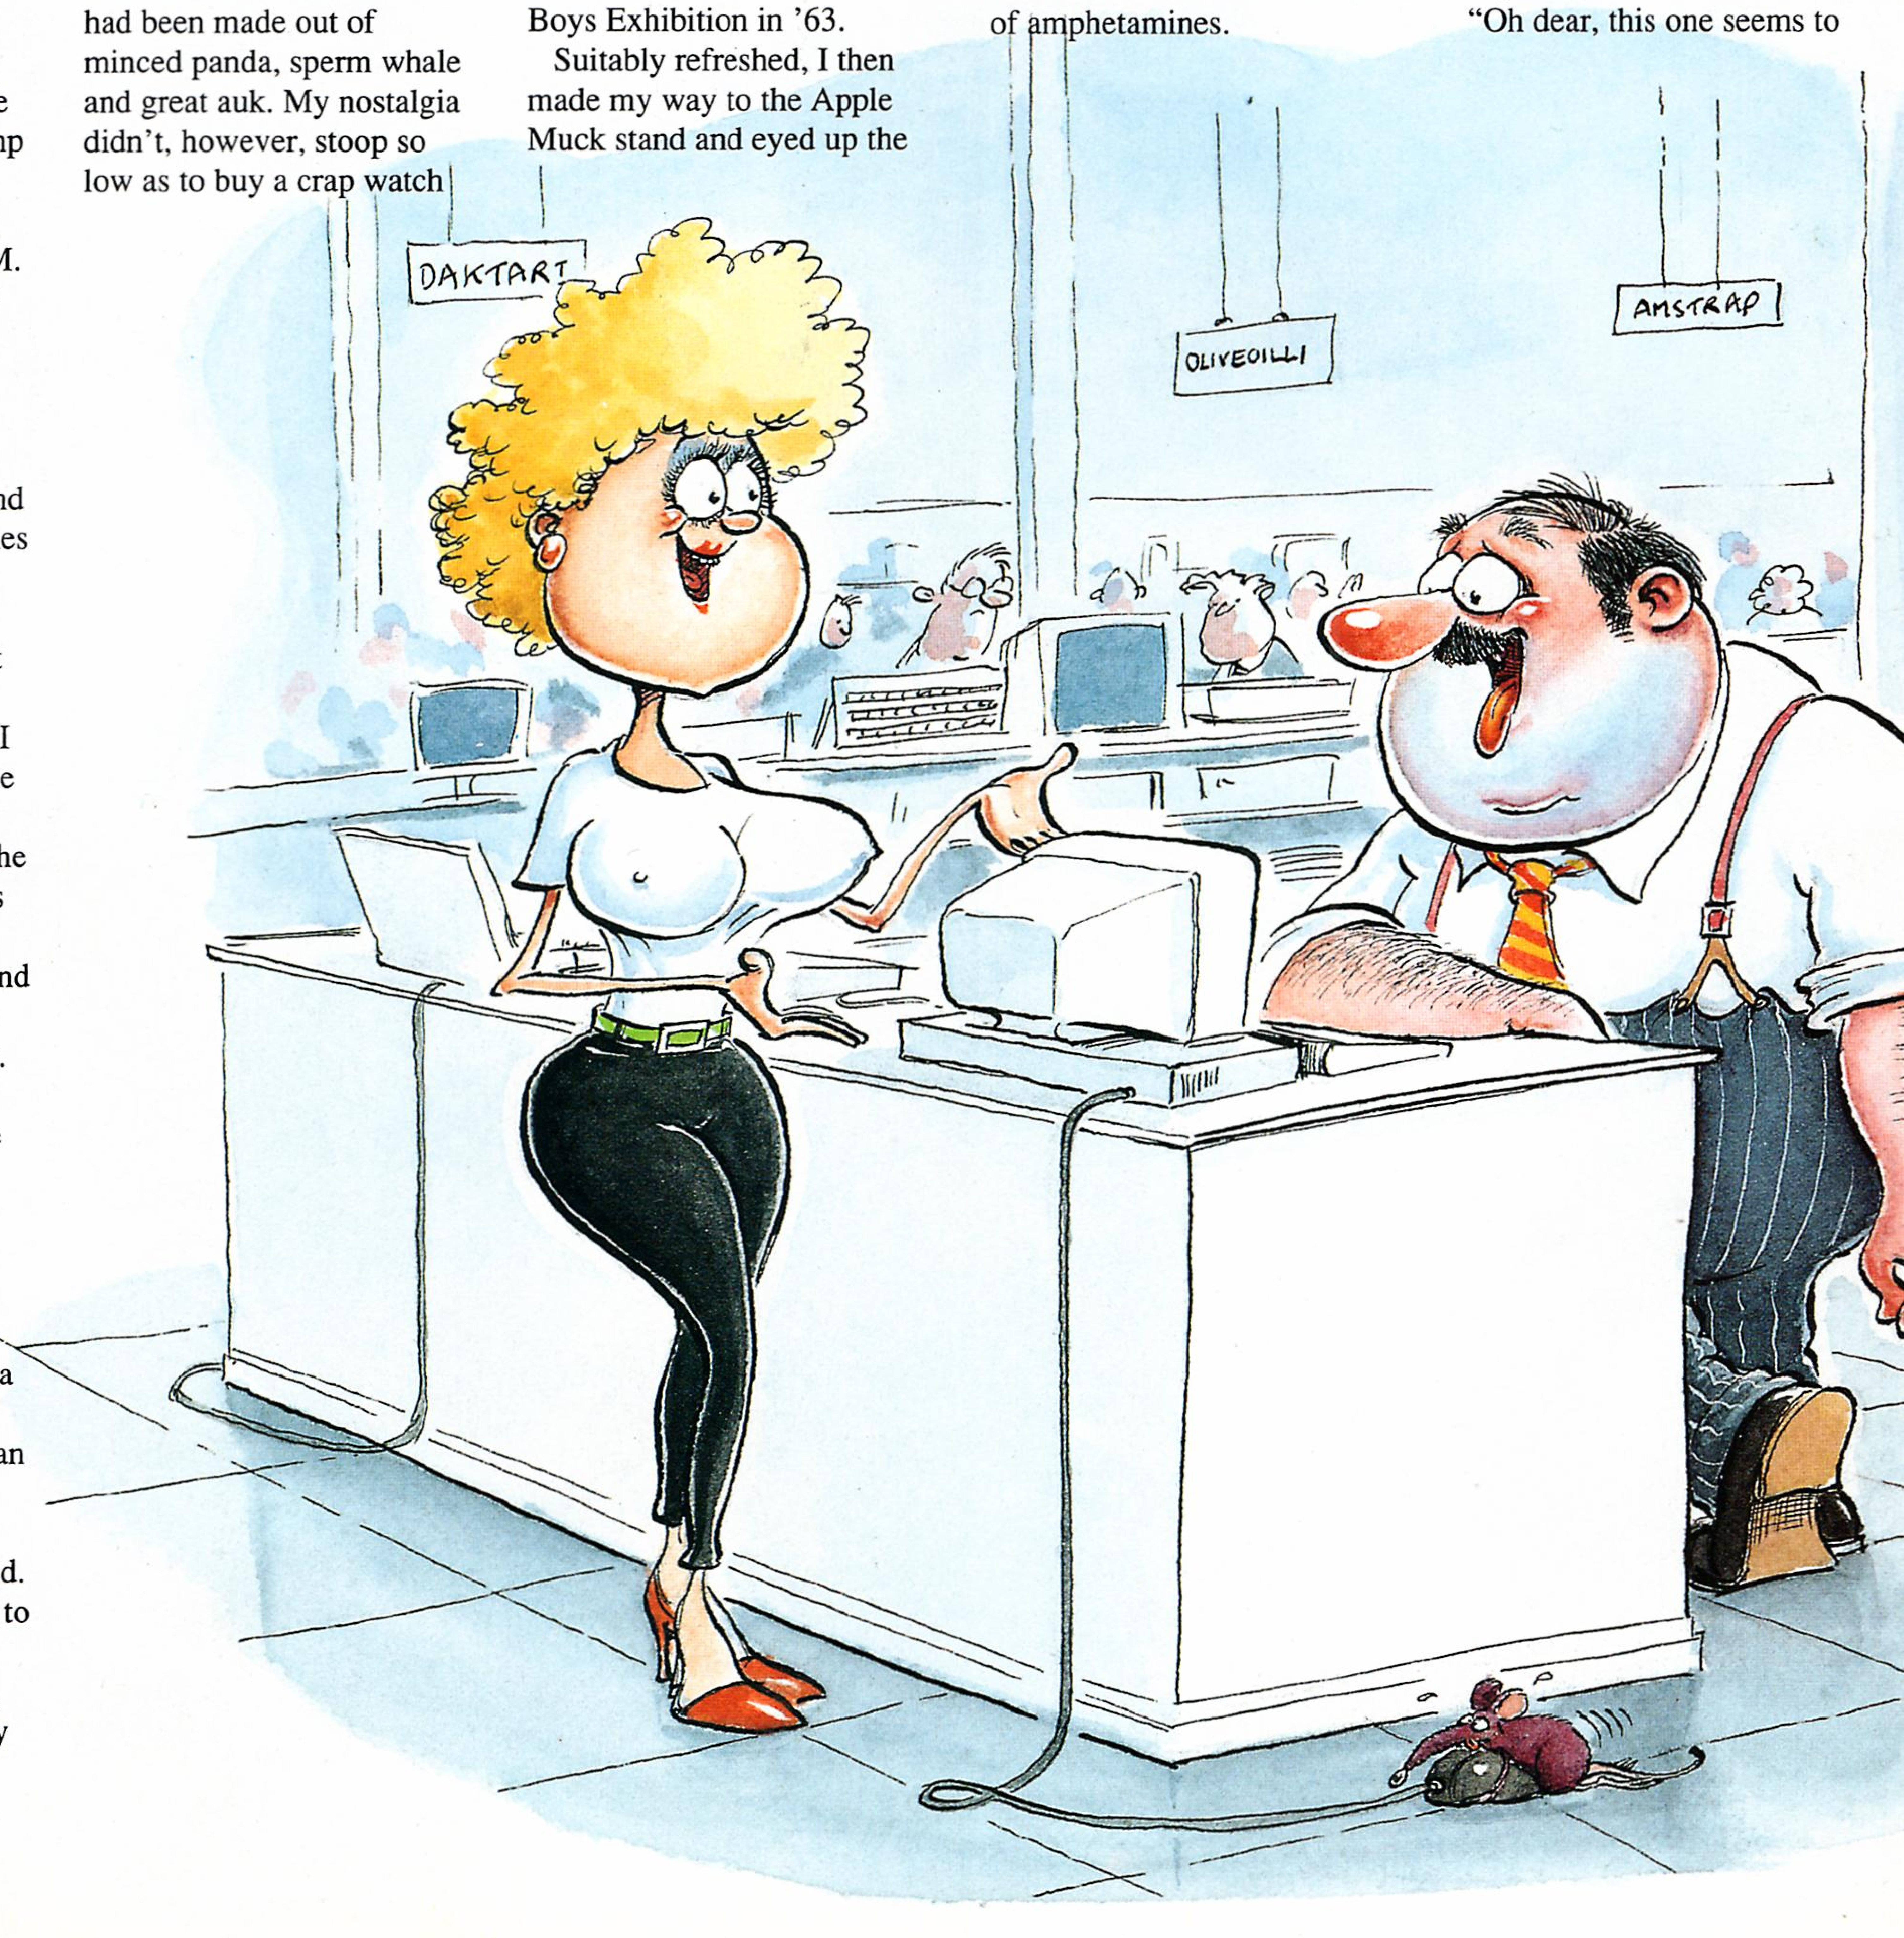
"Would you like to enter something on my desktop?" she said with the vacuous smile of a promotions girl on £3.50 an hour and a head full of amphetamines.

"Not half!" I dribbled, looking at a pair of nipples poking out through her T-shirt like a couple of perky cursor keys.

"Have you got a three inch floppy?" she asked.

"No, I've hardly touched a drop," I quipped wittily. Her stare was blanker than the computer screen.

"Oh dear, this one seems to



SON OF BAD JOKE

This month's ball-busters comes from Charlie of Kennington. His life's ambition, he says, is to be a stand-up comedian. Have you ever thought of becoming an astronaut, pal — you've got more chance...

A young playboy steps into a pub looking for some gorgeous women and a bit of sex. He's extremely delighted to see an incredible blonde walk in, but she walks on right past him, heads for a table in the back of the pub, and snuggles up to an old smelly tramp nursing a whisky.

Five minutes later a lovely brunette comes into the bar, but she too makes a beeline for the back table and sits on the other side of the old alcoholic.

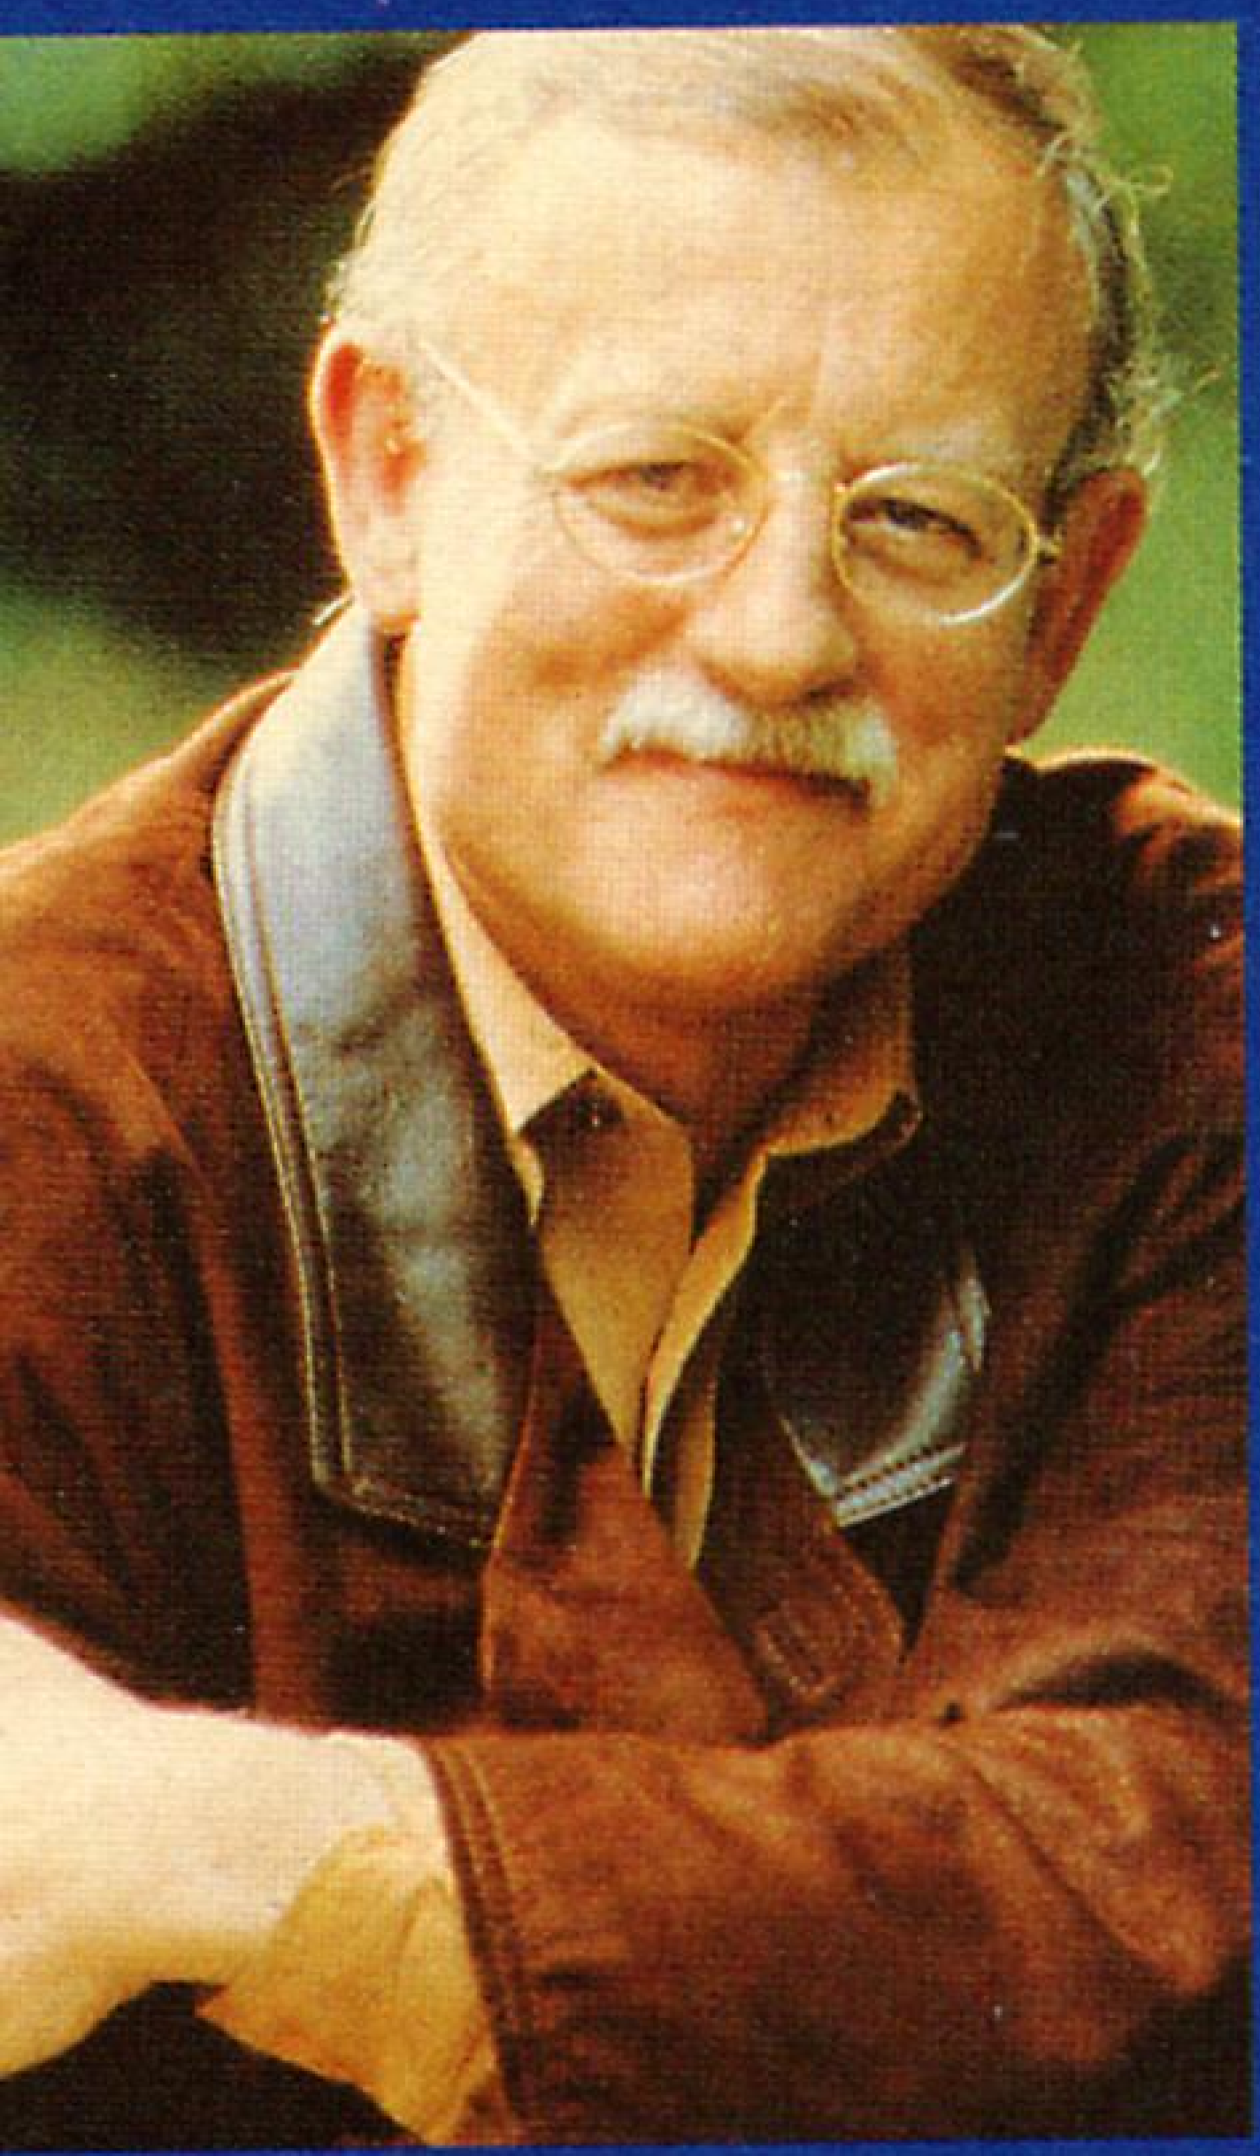
Quite at a loss, the young stud leans over and asks the bartender if he knows what's going on.

"I really don't know," says the bartender. "That guy comes in every single day, orders a whisky, sits back, and licks his eyebrows."

Why do women prefer a damned good shag to ten pin bowling?

The balls are lighter and you don't have to change your shoes.

Thanks a bunch, Charlie, your jokes were about as funny as a hand-job from a hedgehog. We're sending you a Club T-shirt, and our commiserations. ♣



Ever wondered what happened to Roger Whittaker *(No — Ed.)*. Well if you think your life's been shite, listen to this! In the last two years, Rodge's father has been murdered, he's lost his manager, his record and publishing business have been completely messed up, as has his wife.

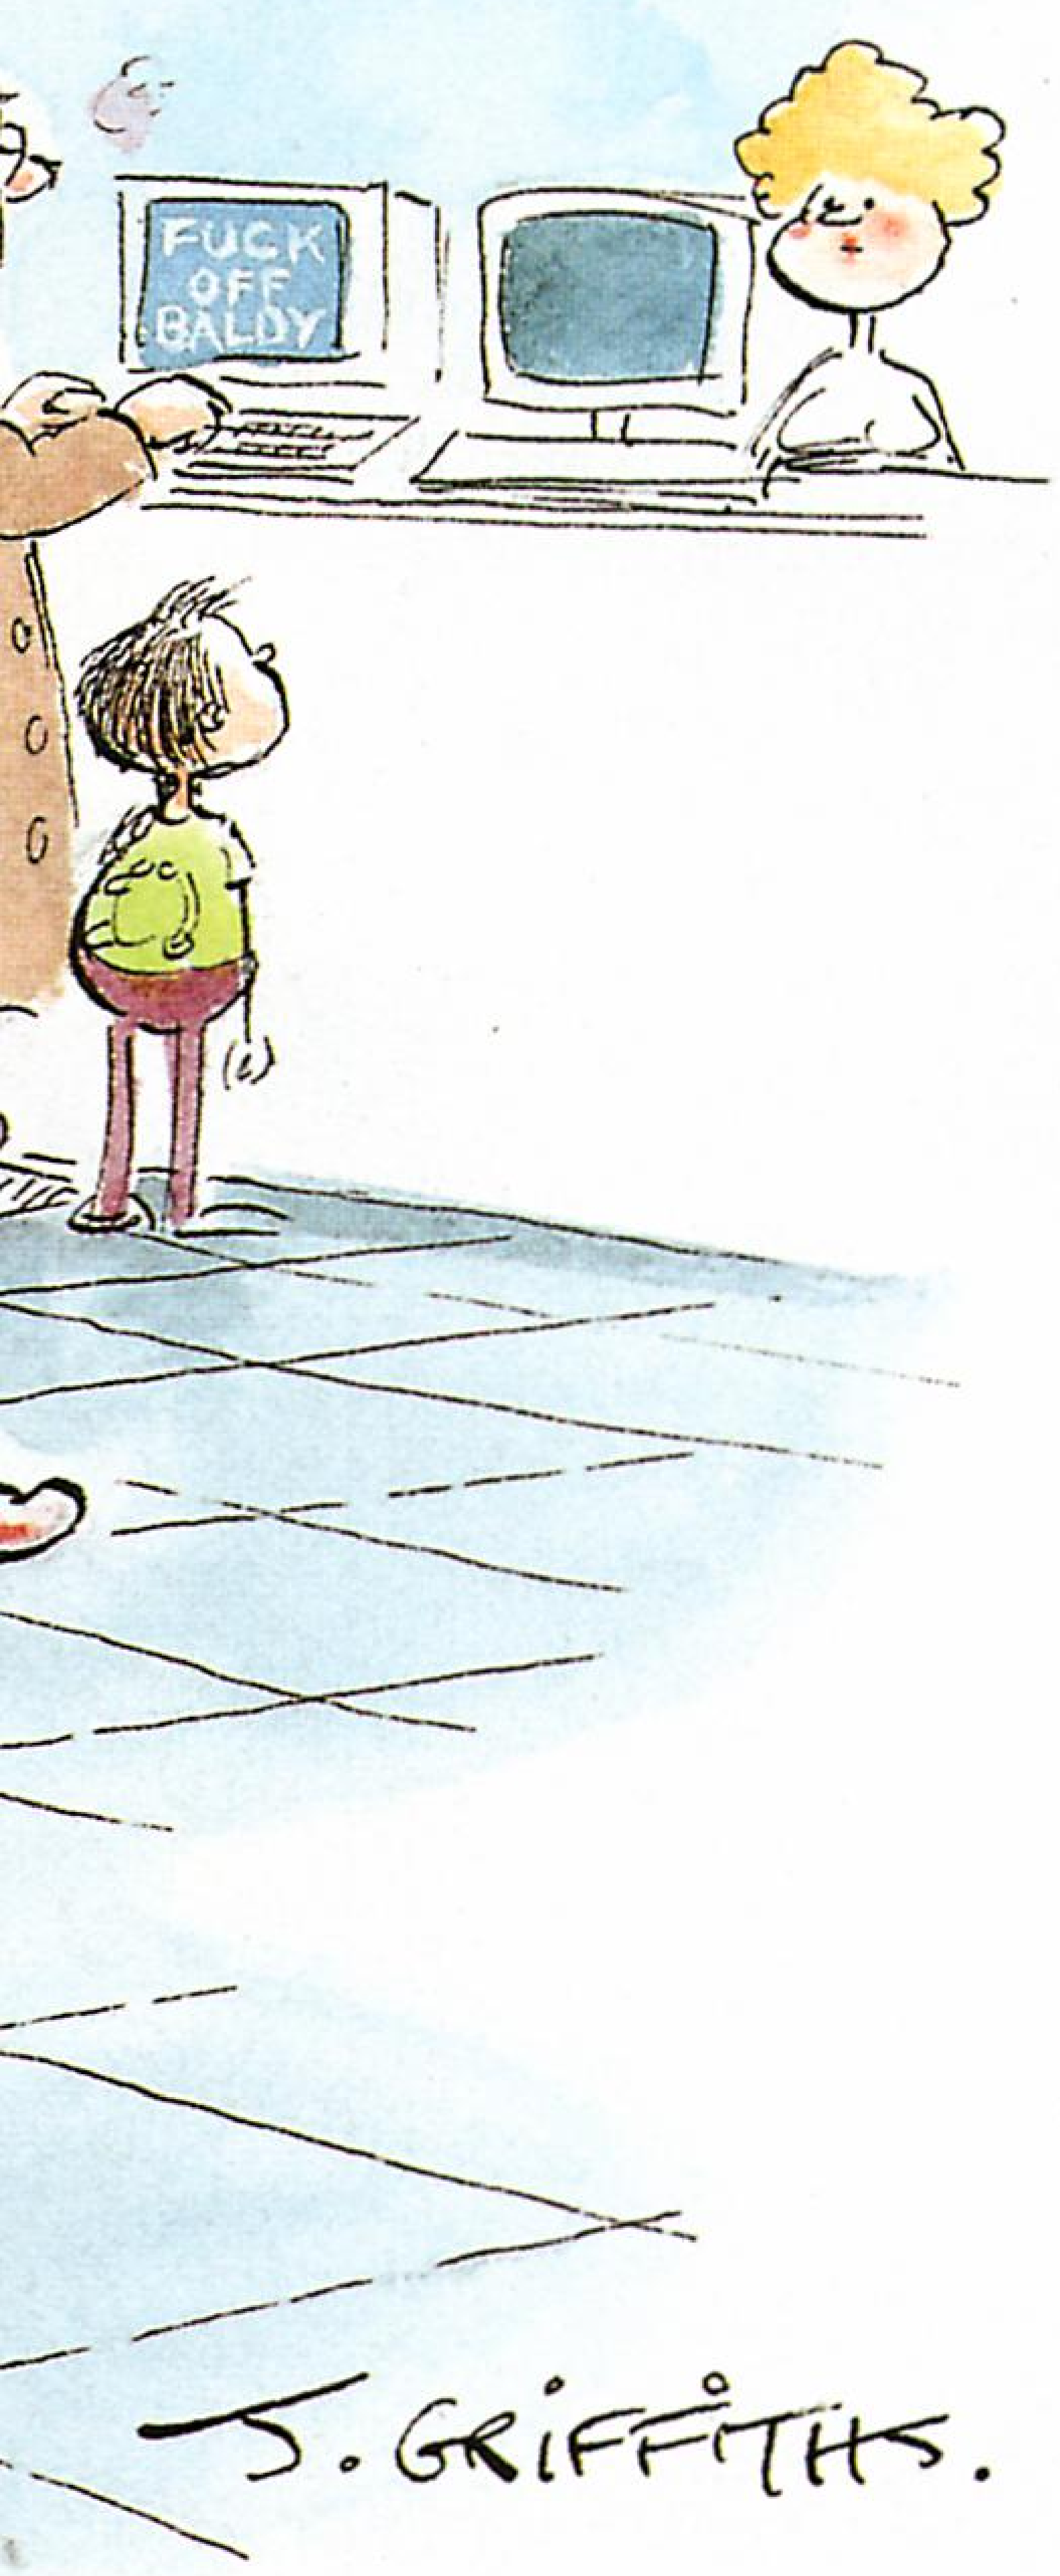
Now he's released an album ironically titled *You Deserve The Best* which his record company say will "reach an audience from the Soviet Union to Japan." With his luck, they'll all be out.♣

I Should Be So Lucky!

be malfunctioning," she said, reciting the one term she'd learned. "Perhaps you'd like to put something on my laptop instead. It has a single main port for connecting to most mainframes and can take up to 750K. Mind you, you have to play with it for a bit before it's ready to put something in."

I was about to take her up on her offer when another T-shirt containing two hard disks caught my eye. They were supported by the kind of work station I could slave over for hours.

"Good afternoon, Sir," she breathed. "I'm from Mamsoft Software. If you've got the hardware, we've got something soft for it. I see you're interested in desktop publishing. Let me show you our typefaces — I've got a really cute font. You can condense it, enlarge it or make it bolder. Or how about something to play with? This game's called *Little Man In The Boat* — you control him with your index finger."



Nothing would have given me more pleasure than playing with her *Little Man In The Boat* but unfortunately the beer and hot dog were beginning to knock on the back door.

"Errr, excuse me," I asked her. "Do you know where I can find a kharsi?"

"Oh, they're the Japanese firm that do those arcade games. You'll find *Nuclear Street Mugger Fighter Cop* (£1 a go) over there..."

"No, you stupid bitch, you don't understand. I want a pee, see?"

"Oh, why didn't you say so?" she said with a warm smile. "We have a wide range of PC's ranging from a two megabyte single disk drive at £2,995 or a hard disk and twin five-and-a-quarter drives at £3,995. Then there's..."

I knew it was too late. Suddenly I let loose with what pedigree Afghan hounds, prize dairy cattle and stallions from the Royal Horse Artillery had done in this very venue for over 200 years. Obviously they'd had the hot dog as well. — *Nathaniel Fatbastard*♣

RearEnders

Welcome to Episode One of our grope opera — an everyday story of simple folk with nice bottoms...

Dirty Denise leant on the bar of the *Queen Dick* pub in the heart of London's chirpy cockney East End.

"Cor Blimey," she said to the barmaid, busty Butt, wife of landlord Alec Killjoy, "my bottom is well sore."

"Ayyy why's that, chuck?" asked Northern tart with a heart Butt sympathetically, resting her twin peaks on the bar and knocking over several pints of lager top.

"Well, since my hubby was mysteriously murdered, the Slay Brothers burned down our wine bar/bistro and our car has been towed away by police looking for a video of young Laura Norder — daughter of toilet tycoon R.U. Using and known as the Log Lady — I've had to go everywhere by bike. And it's doing my cheeks in."

"Oh you poor pet chooky egg, let old Butt have a look at it," sighed the buxom barmaid who, despite her enormous nawks, managed to swing both ways. "I'll rub some cream in, lovey."

Denise slid down her skirt and tugged a taut pair of tangas off the pertest posterior in Allbutt Square. Butt smiled and dipped her three inch nails into a handy pot of cold cream.

"Now this'll make you feel better..." Butt whispered, smoothing the cool goo over Denise's raw rump. Then suddenly the door burst open, and a tall balding man stood silhouetted in the doorway.

"So that's what you get up to the moment my back's turned!" he yelled.

"Jeff Coldpee, my long lost father believed killed in a plane crash, you're alive!" sobbed Denise.

"Cock Oozing! My lover! But you're supposed to be in *Dallas*!" cried Butt.

"Oh shit..." mumbled the tall stranger.

Is this Dirty Denise's Dad back from the grave? Or is he Butt Killjoy's American bit on the side? Or, more likely, is this all a cheap excuse to show another picture of a nice arse?

To be continued... ♣

THE NOWHERE NEAR 100 YEARS OF TOM AND JERRY BIRTHDAY OFFER

Yes, once again Club scoops the rest of the press by being the first to celebrate 100 years of hilarious violence from Tom and Jerry. Admittedly, we are 49 years early but we reckon that's better than being one year late in celebrating their 50th anniversary.

It's actually the Ed's fault. He was sent one of the three volumes of *Tom and Jerry's 50th Birthday Classics* (MGM/UA video £9.99) containing some of their funniest cartoons, and laughed so much he wouldn't bring it back.

So we sent Spike the bulldog round to hit him with an anvil, squash him flat with a steam roller, run over him with a train, and tear him limb from limb whilst the mouse raided his fridge. And they got the tape back!

So now Club can offer you an 'exclusive' opportunity to own *Tom and Jerry's 50th Birthday Classics*. Simply go to your local video shop, hand the man behind the counter a ten pound note, and say, "I am a Club International reader and I claim my copy of the Tom and Jerry video." Then you too could have this hilarious tape *and* a penny change. It's a 100th birthday bargain nobody with ten quid to spare can afford to miss. ♣

pulled out his cock, which was pretty impressive — big, stiff as a broomstick and clearly throbbing in anticipation. He swivelled round so that he could get it in Nikki's mouth without interrupting his pussy-licking for even a second, and as his huge weapon hovered over Nikki's mouth she eagerly sucked at it. I could see her little pink tongue lapping at his fat purple helmet, and my own cock was straining inside my jeans as I watched her give Tom her undivided attention.

Suddenly Tom rolled onto his back on the floor and pulled Nikki on top of him, so that she was straddling his big red cock. She sank down onto him, crying out in ecstasy as his cock filled her sticky love tunnel right up to the hilt.

That was all I could take, and I whipped out my six-incher and started giving it a good rubbing. Seeing my wife slide up and down on Tom's flagpole was making me so randy I knew I was going to shoot my load soon, so I stood over the writhing couple and slid my cock

NUTTER'S CORNER

This month we show you what happens when people actually *do* drink Carling Black Label. Yes, it's another crazy Yank with a lobotomy and a bike — these Americans are just dying to get into this column. But surely no-one would be stupid enough to set themselves on fire to get onto our glossy pages...

Wrong! 'Cause here comes Mr Weinke (pronounced 'Weinke-r').

Mr Weinke climbed aboard a 600cc Suzuki suicide machine, then drove at break-neck speed into a wall of cardboard boxes doused in petrol and set alight.

But tragedy was only moments away (snigger, snigger). For as the gallant Weinke landed, he fell off his bike (ha ha ha), and careered into yet another wall of petrol-soaked cartons, which just happened to be there in the middle of the road. However, when five fearless firemen ran to his rescue and began to hose him down, the mad American shooed them away!

And why, you ask? All because the lady loves... dry, roasted nuts. ♣

between Nikki's parted lips. She started to suck firmly on my dick, and I could feel her rock underneath me as Tom thrust into her cunt. Before long I unloaded my salty come into her mouth, and she gulped it down.

Moments later, I felt her stiffen, and then shake with her own giant orgasm. As she arched her hips, Tom pulled out of her and sprayed her thighs with his hot spunk. Then the three of us lay on the floor for a few minutes, all of us with massive grins on our faces. Tom had definitely done the trick for my previously unadventurous wife!

After a few more drinks Tom went off home, and Nikki and I went to bed and fucked till dawn. She had turned me on so much I just couldn't get enough of her. A week later Tom came round with the developed photos, and after we'd looked at them we all got so horny that we had to have another filthy threesome. Nikki is getting so adventurous now that I'm sure it won't be long before we have another naughty escapade... and when we do, all you Club readers will be the first to know! — *Darren, Aldershot*

Naughty Nurse

I'm a keen reader of Club, so it would really turn me on to see my recent experience in print, and to know that so many other people will be reading it.

Last week I was in a nightclub in Plymouth, when I got talking to a girl who said she was a student there. Her name was Helen, and she came from Birmingham, so she had a really strong Brummie accent.

Helen had trained as a nurse, and she was now studying towards becoming a fully-qualified doctor. As the night drew on, we had a couple of slow dances together, and I started to get pretty horny as I held her close. I'd had a few drinks, so I plucked up the courage to tell her that since a spell in hospital a while ago I'd had a thing about nurses' uniforms. She said right away that she still had hers, and asked if I'd like to see her in it.

When delightful Dane Suki Larsen made her Club debut back in Volume 18 No 13, she asked if you guys would like to see her again. Naturally the answer was a resounding 'yes' ... but it's taken us this long just to track her down! "I've been doing a bit of globe trotting since then," says the 20-year-old vivacious blonde from Copenhagen. "I'm thinking of writing a

book about men around the world — but as you can imagine, it hasn't really gone beyond the research stage yet!

"Italian men are very romantic, and the French are so passionate, but I think my favourites have to be British men," giggled Suki, stroking her pink nipple absent-mindedly.

"You Brits really know how to turn a girl on; you're so caring and sensitive, but you screw like rabbits too!" ♣

There was smoke on the water and fire in the sky when our Fear and Stupidity correspondent, *E. K. Thump* took a mature look at the crazy world of fast boats and asbestos underpants...

It's people like this bloody lot that ruin it for everyone else. Those bloody Yanks. They go round chewing gum, stealing our women and doing death defying leaps through walls of fire on the cool waters at Cypress Gardens in Florida, and they just don't bloody care about us old folk. I mean, what if there'd been a retirement home for wounded gardeners on the other side of that ramp. Then you'd know about it!

These youngsters, they don't know they're bloody born, setting themselves on fire and calling it "the most spectacular fire jump in history." In my day we were so poor you *had* to set yourself on fire or you would have died of bloody cold. And we didn't have poncy great big boats, a straw barrier and 25 magnesium flares to do it with, neither — we made do with a Pyrex bowl, some Shredded Wheat and a candle.

I don't know, the things people do to get a bit of bloody attention. I blame it on their parents, myself. I mean, if they'd ever had to carry their blind alcoholic father home from the pub balancing on one finger while the Nazis were bombing their house, they'd have more on their bloody minds than spending good money on fireworks. Bloody Yanks, they'd better not come running to me when they've broken their bloody legs! ♣

had a real crush on my French mistress, and ever since then intellectual types have made me hot and horny as hell. As I put on this smart little skirt and blouse, I'm already getting excited. The skirt hugs my bum cheeks very tightly, clinging to my curves like a second skin, and the blouse is so sheer it shows off my firm nipples.

I'm playing the prim and proper teacher for you now, but you know that underneath I'm ready and waiting. Do you want me to make the first move? Can you imagine what will happen if I slip out of my skirt and blouse, letting your eyes linger on my body? My lace bra and panties and my sheer stockings make me feel so randy, and I know they'll do the same to you!

I can feel my little pussy getting wet with anticipation now, and I just can't wait to slip off my silky panties and give you your first private lesson. With me as your mistress, I'm sure you'll be a very willing pupil.

I can be quite strict, and I'll set you lots of homework, but I promise I'll give you all the help you want with it. And what with all that extra-curricular activity taking place over the schooldesk, your timetable's bound to be full!

Well, I hope that you'll all be good boys until next month, when I'll be bringing another of your filthy fantasies to life... and don't be late, or you'll be staying in for detention with me! ♣

If you want Ginny to fulfil your fantasy, then write to her at: Ginny, Club International, 2 Archer Street, London W1V 7HE. She'll do what you ask!

letters to Ginny

Dear Ginny,

You really are my dream girl, with your long blonde hair, sparkling eyes, and the most kissable lips ever seen on the pages of a magazine. Not to mention your perfect figure... you're the greatest, Ginny.

My favourite fantasy is good clean mud fun. I'd love to see you playing in wet mud. I can just imagine your beautiful fair skin getting gradually covered in the thick black gunge, first your gorgeous full tits and round bum, and then your lovely shaven pussy.

As the mud spreads over your skin you get so turned on that you just can't resist massaging it in, and before long your sticky fingers find their way to your cute little pussy. Of course, I would love to help! I know the feeling of smoothing the mud over your delicate skin would get me hornier than I've ever been in my whole life.

We'd end up so sticky we'd finally need to take a shower, and the hot water would slowly rinse away all the mud, leaving you flushed and radiant... and ready for a randy romp with your willing partner. I'd lead you into the bathroom and gently dry you — and by now I'd be so incredibly horny that I guess we'd get sticky all over again! — *Rune, Oslo*

I generally take a lot of trouble keeping my hair and skin clean and shiny, Rune, but I must admit your little fantasy does sound like fun. The nearest I've ever come to anything like this is having whipped cream spread over me, which wasn't quite as sticky... but it was a whole lot of fun! Of course, the difference with cream is that you can lick it off afterwards — that was the bit I liked the best! Who knows though, perhaps one day someone will offer me a muddy field to try out. I'd love to have a go... providing they promised to join in!

Dear Ginny,

I know you've said before that you've never had sex with another woman, apart from a few finger-fucking sessions. Well, my girlfriend Suzanne has never had any erotic experiences with another girl — until she saw your pictures in Club, Ginny!

I must admit I was a bit shocked when I came home early one day, and found Suzanne lying on the bed, her skirt round her waist and her knickers dropped on the floor. Her fingers were buried deep in her love tunnel, and she was frigging herself like crazy. When I asked her what had got her so horny, she said it was looking at your cute tits and your fabulous shaved snatch. She's never seen another woman's cunt in real life, but she thinks yours is perfection, and I couldn't agree more!

Suzanne is desperate to get her hands on another girl's pussy now, so she can pretend it's you that she's fucking and sucking. I certainly hope I'll get to watch... I just wish that it really could be you, Ginny. — *Scott, Telford*

It's really flattering to know that girls like me as much as guys do, Scott, and you know where they say flattery gets you! It's true I've never progressed beyond fingering another girl, but when I read horny letters like this I do get very tempted to experiment further. I'm sure girls must be extremely sensitive to each *other's bodies, because they know instinctively what feels good — I certainly found that to be true with my friend! We were always a bit too shy to go any further than frigging each other in the dark though. Maybe what I need is an experienced girl who'd like to show a novice like me what it's all about.*

Dear Ginny,

You're the key to my heart — and the aching bulge in the front of my jeans! I know that if you ever fulfilled my fantasy it would bring a grin to my face and a damp patch to my trousers.

I go to work on Monday morning, and guess who's working as a temp — yes, it's you Ginny!

When you come in to my office I put my phone on hold and lock the door. You know I mean business, so you untie your long blonde hair and unbutton your white blouse. As your full, firm tits come into view I stand up... and so does my dick!

I pull off your blouse and then your bra, so I can caress those fantastic boobs. What a handful! Then I unzip your tight skirt and let it fall to the floor, so you're standing there in just your white silk panties. I don't think you'll be taking down any shorthand today, Ginny, but you'll definitely be taking down my trousers!

I pull your silky knickers to one side, so I can slip my finger along your clit and into your love hole. You're already so wet, Ginny, and as I push two fingers right into your cunt you get even wetter. Now I can't wait to fuck you, so you sweep all the work off my desk and lie down, spreading your gorgeous legs. I rip off your knickers, and plunge my hard cock right into you.

You've already got me so hot that it won't be long before I come for the first time, but believe me, with you for a colleague I won't be stopping for a moment! — *Andy, Wakefield*

Actually, I did work as a temp for a few months when I left school, Andy, but nothing quite that exciting ever happened to me. Since then, though, I did get the chance to fulfil a long-term fantasy of mine when a boyfriend smuggled me into his office one lunch-time. I love sex in unusual places! The only trouble was, we got so carried away in the deserted office that we completely lost track of time, and I had to sneak out of the building just before his work-mates returned. Your naughty fantasy sounds like much more fun... perhaps it's time I brushed up on my typing! ♣

amanda donohoe

Oliver Reed thinks she's a bitch, she's got a reputation for being a 'kit off' actress, and she's played roles as diverse as a lesbian schoolteacher and a high class call girl. Club's roving reporter, ***Ron Dubbs****, caught up with the delectable Ms. Donohoe before she jumps aboard the gravy train to Hollywood...*

"What really pisses me off," says Amanda Donohoe in response to her tag as a kit-off type of girl, "is that loads of actresses take their clothes off. So, why does everyone pick on me?"

Ms Donohoe earned her reputation in her debut film, *Castaway,* in which she spent the majority of the time running stitchless around a desert island. She has since found a knack of securing roles which, at some point or other, require the removal of most, if not all of her clothes. In her recent film, *Diamond Skulls,* for example, it takes all of ten seconds before we are treated to a lingering look at her not completely unattractive breasts.

"I don't find nakedness offensive in any way," she says when reminded of her on-screen achievements. "I would rather be naked than be titillating in suspenders and a bra."

Fully clothed, Amanda is tall, attractive and possessed of an assertiveness that would put a politician to shame. She admits to dressing in ways that will annoy, shock or simply undermine people's expectations, going casual on formal occasions and favouring thigh-exhibiting micro-minis when evening dress is required.

"I found all my life that I subdued my sexuality and power in order to make other people feel good. I'm naturally loud. I expose my feelings. I'm not someone who keeps things inside. I get up there and I scream the injustice."

She left a suitable impression on her *Castaway* co-star Oliver Reed who said of her, "She was a bitch. A right bitch, but I fell passionately in love with her."

"The thing about Ollie," she said returning the compliment, "is that he doesn't mince his words."

When she auditioned for the *Castaway* role she was sporting dark hair even though the producers were looking for a blonde. When this was pointed out she simply asked them, "Look, do you want a blonde or an actress?" She got to read for the part which also required her to strip off for a screen test. "I wasn't very confident about my body," she admits. "Which is stupid because I have a good body."

Her slim lines owe much to her training in classical ballet which she studied in London. Her antique dealer parents sent her to an all girls school where she felt repressed.

"My parents weren't the slightest bit liberal," she says ruefully. "They were probably over protective. They thought that ignorance was the best policy to keep their kids out of trouble."

She left school at 16 and then lapsed into rebel mode. She was, in her own words, "vivacious, promiscuous and wild."

"I took drugs as an adolescent," she expands. "I think it's unavoidable. Certainly when I was a kid pills were just coming out of the woodwork. Kids were

stealing them off their parents and selling them. There were a lot of kids with prescribed drug problems. My parents would be horrified if they found out I'd taken drugs."

When it came to sex she turned to her older sister for advice and guidance.

"When I was 15 I had to ask her. I was lucky she was there. I lost my virginity a year later, when I was 16, because I didn't want to break the law, or get my boyfriend into trouble. It was good that it happened in a relationship rather than through manipulation or pressure from others. I know women whose first experience with men has turned them off so much that they're now lesbians! There are women out there who have never had an orgasm in their life: women who wouldn't know where their clitoris was if you asked them to point it out!

"Women should be encouraged to explore their bodies," she continues, "and encourage their partners as well. It can be difficult to raise the subject, but why don't they just take time to look at it?"

She's completely unembarrassed by sex, whether in or out of the movies.

"It really pisses me off when people are shocked and outraged that I display natural human lovemaking in context, on screen."

She's certainly had enough practice, having played a high class prostitute in *Tank Malling*; a doctor-eating nurse in *Paper Mask*; the semi-clad serpent woman in Ken Russell's cult *Lair Of The White Worm* ;and the yuppy boffer in *Diamond Skulls*. But by far her favourite role to date is in another Ken Russell offering, *The Rainbow*, in which she plays a lesbian schoolteacher who leads a girl pupil astray.

"It was much easier doing love scenes with a woman," she admits. "I loved the character. Her attitude was getting out there and saying 'Bugger you all'. Which was very much me saying to people who moan about how many times I take my clothes off in a film — 'It's your problem, not mine'."

It was an old schoolfriend by the name of Adam Ant, whom she met while hanging out in nightclubs, who persuaded her to study acting. The two of them spent the best part of three years in and out of the tabloids, when she was then simply known as Mandy.

These days she's her own person and establishing herself in Hollywood where she's just secured a part in *LA Law*. She's wise to the business — and the bullshit — and refuses to play the old couch hopping game.

Back home, however, she still comes in for some stick.

"I went to see *Miss Saigon* recently, and I went to get a drink in the interval," she recalls rather bitterly. "And this middle aged couple walked past me and said, 'Oh look, she's got some clothes on!', so I just turned round and said, 'Not for long, love — it's very hot in there!'" ♣

"I would rather be naked than be titillating in suspenders and a bra"

WHAT A LOAD OF OLD SHIRT

Win the shirt off this Mike Pejic's back (or one similar).

While we're on the subject of sport we thought you might like the chance to win one of ten footy shirts belonging to Stoke City ace, Mike Pejic! Just imagine the thrill of turning out on your local park wearing a superstar's shirt that has probably never been washed since it was donned by the sensational striker in the late 1970s! The only difference is that the ones we've got are blue and haven't got stripes across them. Oh yes, and they were given to us by that laugh-a-minute Leeds fanzine, *The Magic Sponge*, so Mike Pejic has probably never even seen these shirts — but he might have!

All we want you to do to win a shirt a bit like Mike Pejic's is to answer this easy question: In the 1978 Arsenal v Ipswich Cup Final at Wembley, fans held up a banner saying, "Featherlite Woods runs around Big Willie!" Who was 'Big Willie'?

Remember, the first ten out of the hat win shirts slightly similar to Mike Pejic's! Send your answer on a 1970s Stoke City football shirt to the *What a Load of Shirt Competition, Club, 2 Archer Street, London, W1V 7HE.* ♣

*Our sporty sportscar correspondent, **Horst Pipe**, takes a look at the very expensive Jaguar XJR-15 — the only car that comes with eight points on your licence to save the hassle later...*

The boys at Ford liked Jaguars so much they bought the whole company. They had to: having seen GM pick up Lamborghini and Lotus, Fiat walk off with Ferrari and Maserati, and the Dorsetshire Guano Company put in a bid for Lada, they knew they had to act fast. Needless to say, enthusiasts were concerned that the US giant would neuter the leaping cat; but they needn't have worried, if the new XJR-15 is any indication of what's in store.

Of course, besides owning Aston Martin, Ford already have their own sporting cars — the XR2, 3i, 4i etc — so perhaps they stuck the 'J' in there to differentiate the Jaguar from its lesser brethren. But they needn't have bothered, as there is already plenty about the XJR-15 to stop even the most myopic motoring enthusiast confusing it with an Escort. For one thing, at half a million quid each, the Jag costs about 40 times as much as an XR3i; it's also better looking, and rather faster. It's not all good news though. The car may well do 200 mph, but it loses out to the XR3i in several key areas.

For one thing, the ultra hi-tech carbon fibre composite body will only seat two, and the space usually reserved for your suitcase is instead stuffed full of engine, so it's not very practical. Also that stunning 6 litre V12 out the back there has only got two valves per cylinder, at a time when most hot hatches come with four. Mind you, with 450+bhp on tap, and a staggering 420lbs of torque, they probably figure they don't need any more valves. The gearbox looks good too, with six forward gears instead of the normal five, but they're straight cut which means if you don't know what you're doing you could end up leaving all six of them lying in the road behind you. All in all, it looks like a car for the specialist.

Which is just as well, because Jaguar are making it a condition of purchase that you actually race the car in their unique Jaguar Sport Intercontinental Challenge. You do that and, in return, they'll give you an opportunity to get your money back — yup, it's that old Victor Kiam trick again. The deal is this: you buy the car for half a million, risk your life and your precious investment for a few weekends next season, and in return Jaguar will give you your money back — if you win. If you don't, well you win anyway, since resale prices of the strictly limited edition XJR-15 are hardly likely to be measured in pennies!

The run of just 50 cars is being built to order, so get yours in whilst stocks last. Derek Warwick has already bagged one, and rumour has it that the well-known racing dame Barbara Cartland has ordered one in Lady Penelope pink, with whitewall tyres, solid gold fittings, and a matching chihuahua fun-fur interior with a ripped-bodice finish. Sounds lovely, Babs. ♣

*More video reviews from **Allan Bryce**, the man who has everything: a column in Club, a 26 incher and a variety of unpleasant personal habits...*

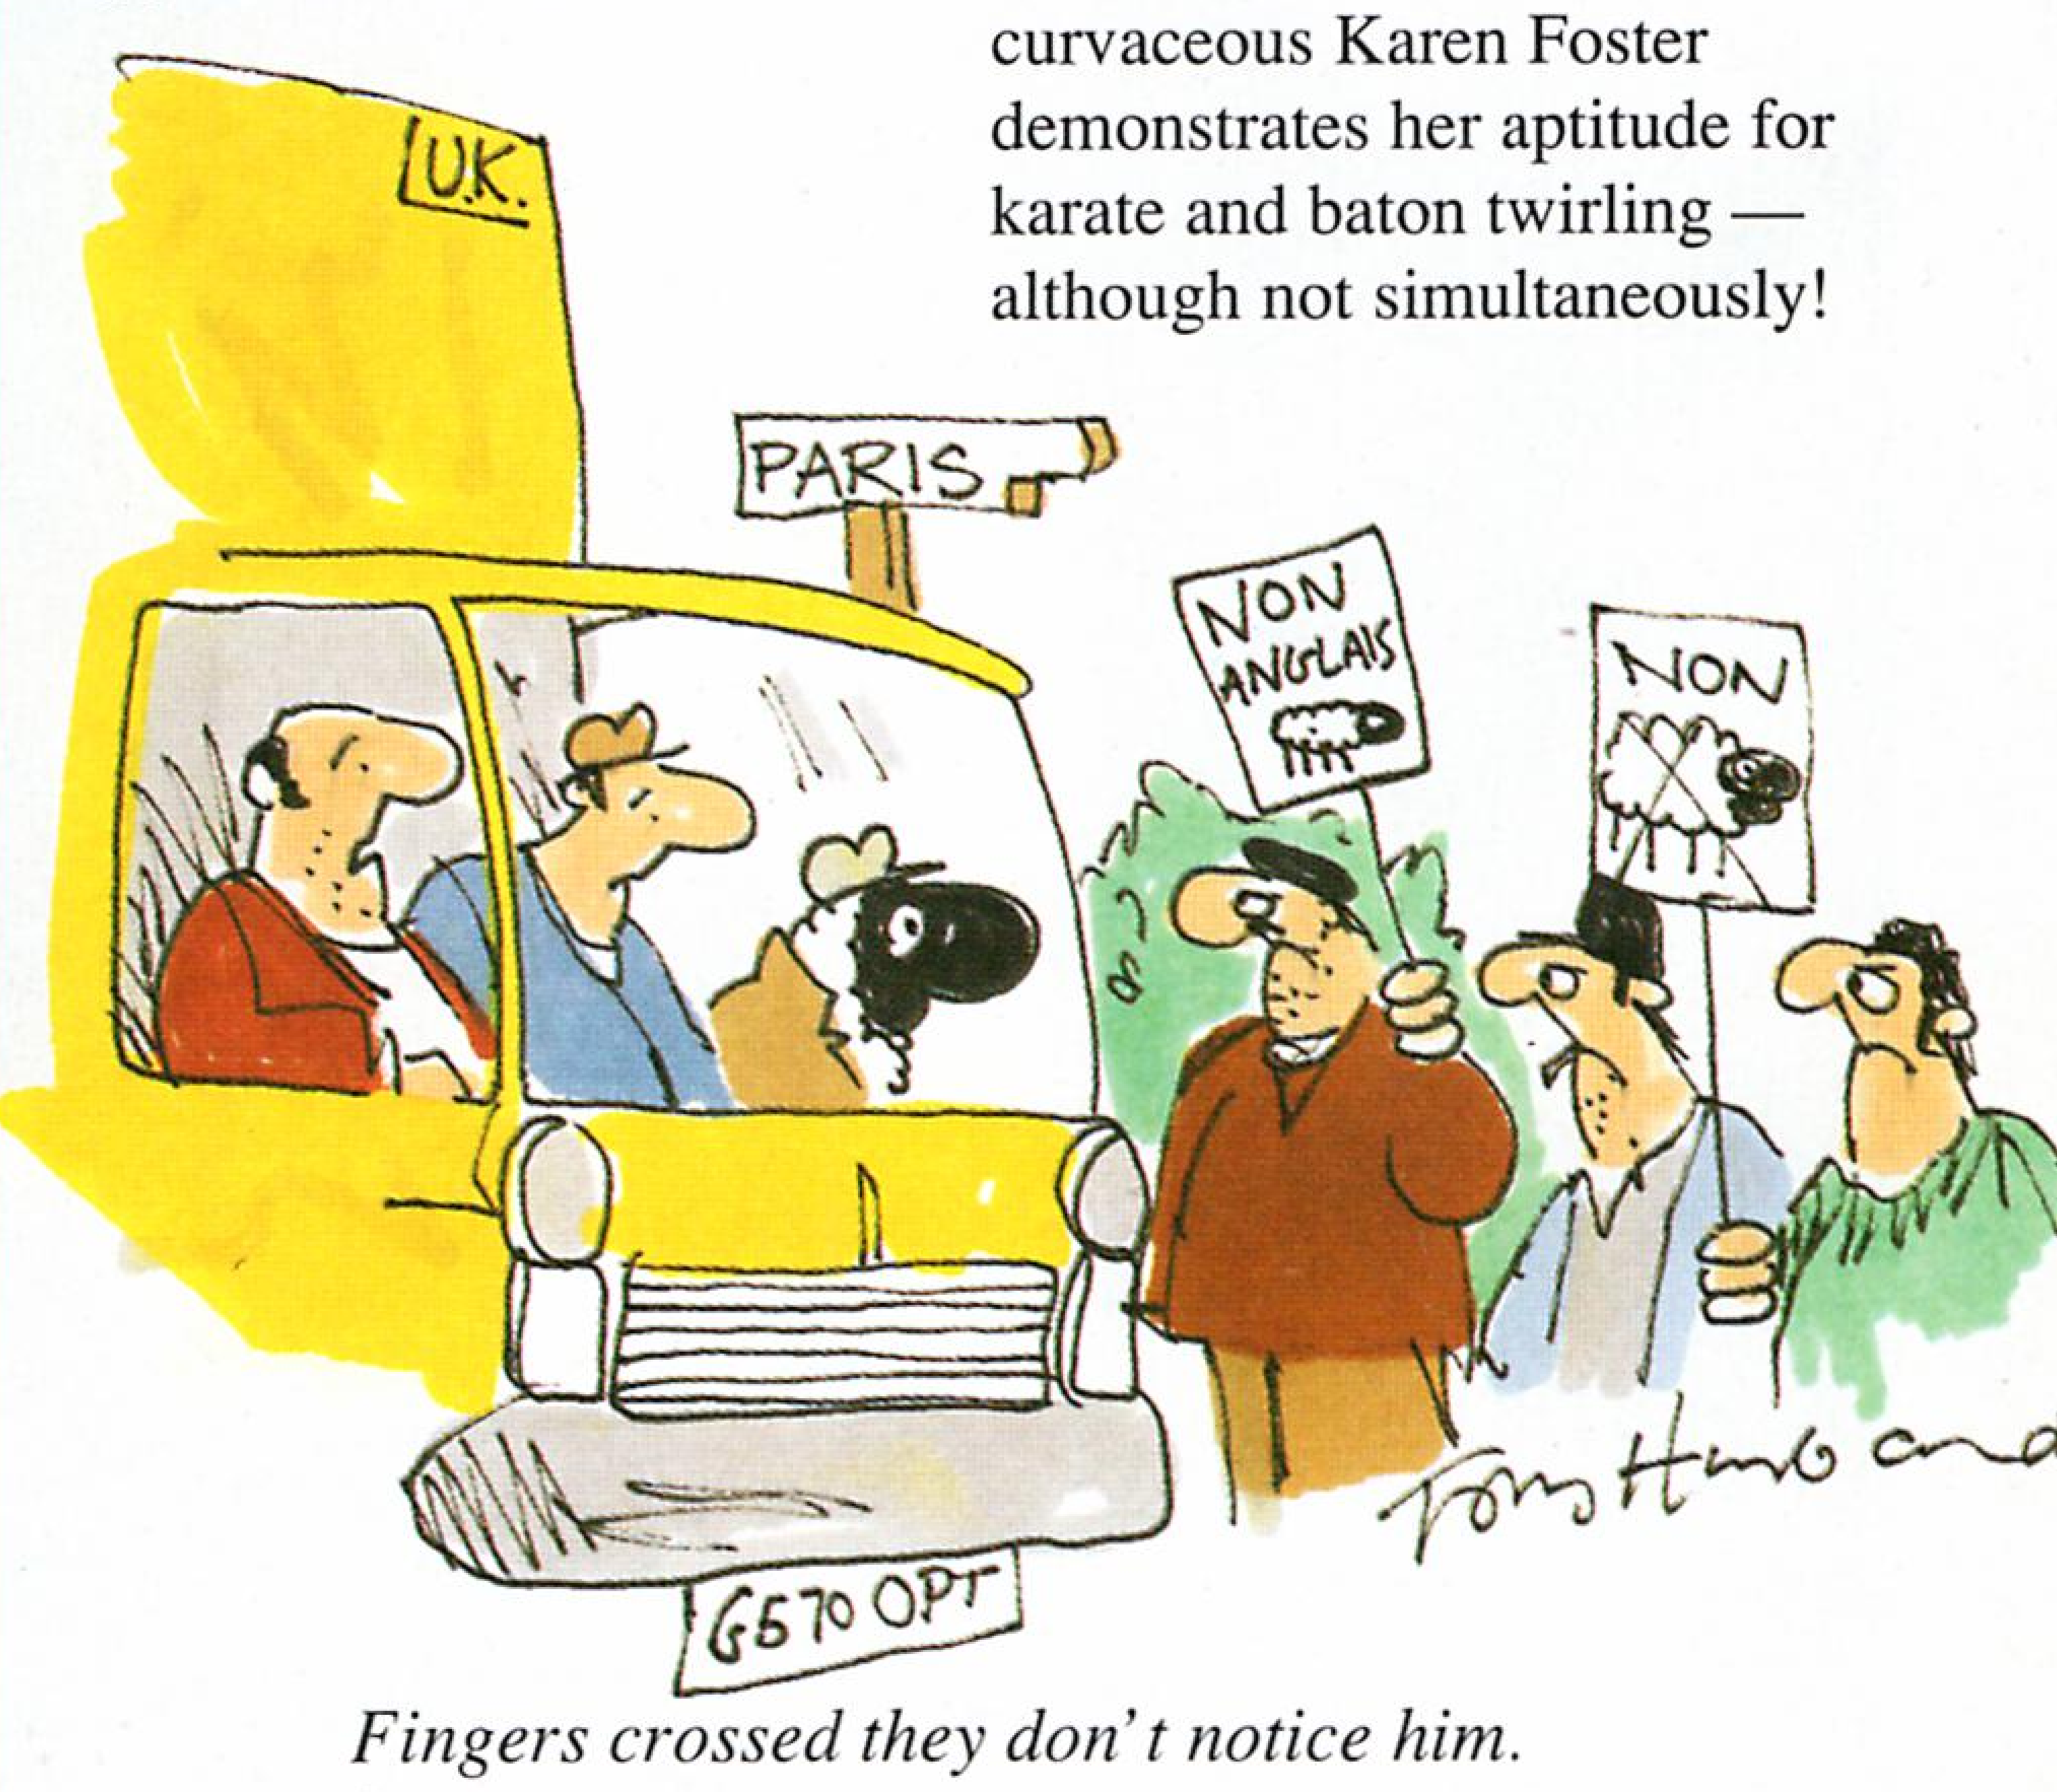
Marilyn Monroe was once asked by an interviewer, "Isn't it true you posed for photos with nothing on?" She replied, "Oh no, I had the radio on." The photos in question were done for Playboy, when Marilyn was just plain Norma Jean Baker, a country girl trying to make ends meet. And over the years quite a few famous faces have started their careers baring their all for Mr Bunny.

In the newly released ***1991 Playboy Video Playmate Calendar***, (not a patch on the Club calendar, I might add), we get a chance to see what Erika Eleniak was up to before she took up her demanding role in *Baywatch*. We all know *Baywatch* is just an excuse for Erika to run around in a very skimpy bikini, but apparently she used to do exactly the same thing for recreation, pausing only to pop the tab on her easy access tank top whenever a rather randy photographer stepped out from behind a convenient tropical palm tree.

"I knew it was going to be the start of something big," said Erika when she was nominated Playboy Playmate of 1991, and viewers may well feel the same growth process taking place in their boxer shorts when she reveals her ample attributes for the camera.

We also get to see the finer points of 11 other horny women who have shared a staple through the bellybutton as Playboy's centrefold over the past year. Okay, so they might not be as gorgeous as Club's centre girls, but some of them are big boobed beauties... particularly a blonde called Jacqueline Sheen who flounces around in sexy undies, saying "I guess I have a little gypsy in me." I never thought I'd envy a little gypsy...

Other Playboy video releases this month include ***Driggs and Foster***, a double act in which gorgeous centrefold Deborah Driggs struts her stuff in a *Blade Runner* landscape, and curvaceous Karen Foster demonstrates her aptitude for karate and baton twirling — although not simultaneously!

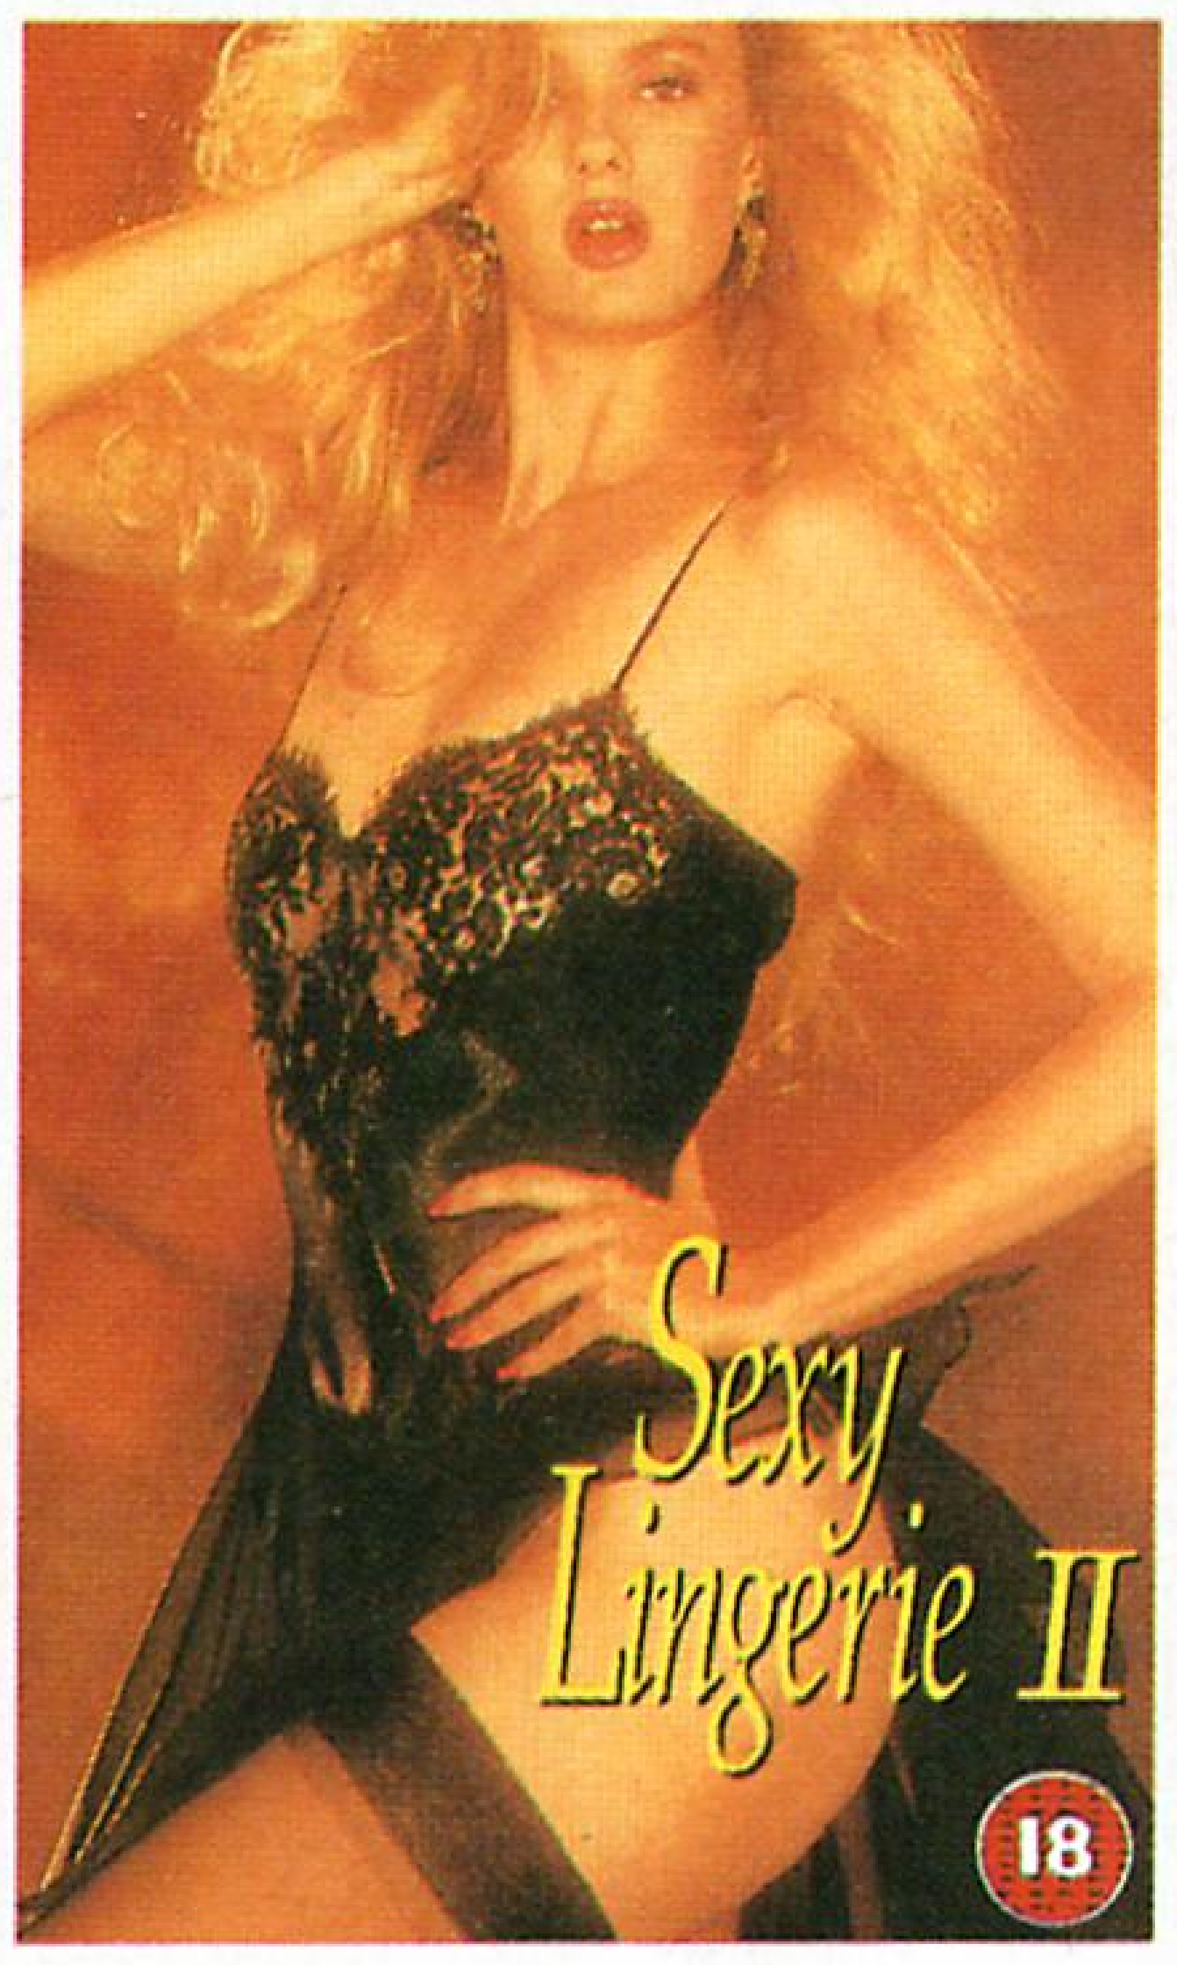


Fingers crossed they don't notice him.

The same tape also invites us to meet the women of Russia. If you think Soviet glamour is a tractor with a new paint job, prepare to be surprised.

Then there are ***Sexy Lingerie II*** and ***Wet and Wild II***, which are both made up of countless short glamour sequences shot in an aggravating pop-video style, complete with enough dry ice to close down Heathrow, and lots of tiresome camera cliches. Why waste time on all that flashy editing when you have such beautiful girls to zoom in on? It's very annoying to have to put the freeze frame on before you can get a really decent hand shandy shot!

You won't find much fancy camera work in ***Deep in Silicone Valley***, because the wide-angle lens is firmly fixed on the ample attributes of a horny half dozen Californian models. These ladies have all had silicone implants to further their careers — starring in hardcore tit flicks. "Guys like to give me pearl necklaces," smirks one. Ho ho, so she must know a few jewellers then...



Double D: Traci Tops Exclusive is another must for big boob fans. It uncovers the considerable assets of a lady who is more stacked than the odds against Neil Kinnock growing an Afro. When they handed out tits, this girl must have been at the front of the queue, gone round twice, and got Twiggy's share as well. We're talking telephone number measurements here — international dialling codes included. I've got a frisbee that's smaller than her nipples, and if she ever gets a cold in that chest she'll need a five gallon drum of Vicks

Melanie

Photographs by Michael Moore

Melanie may look the shy, girl-next-door type, with her blonde hair and girlish good looks — but don't believe a word of it! "I like my men ready, willing and able!" the 20-year-old holiday rep laughed, flashing those dazzling 'come to bed' eyes at us. "Just like me, in fact!

"There's no beating around the bush where men are concerned, I can tell you. I mean, if I like a bloke, what's wrong with just going up there and telling him? You don't get if you don't ask! And believe me, when I ask, a guy knows just what he's going to get!" ♣

continued from page 37

vapour rub to sort it out.

First we get to see the blonde beauty relaxing at home, smearing a variety of sticky household substances on her substantial cleavage, then freshening up in the jacuzzi and pool after a long bouncy session that knackers the excercise bike.

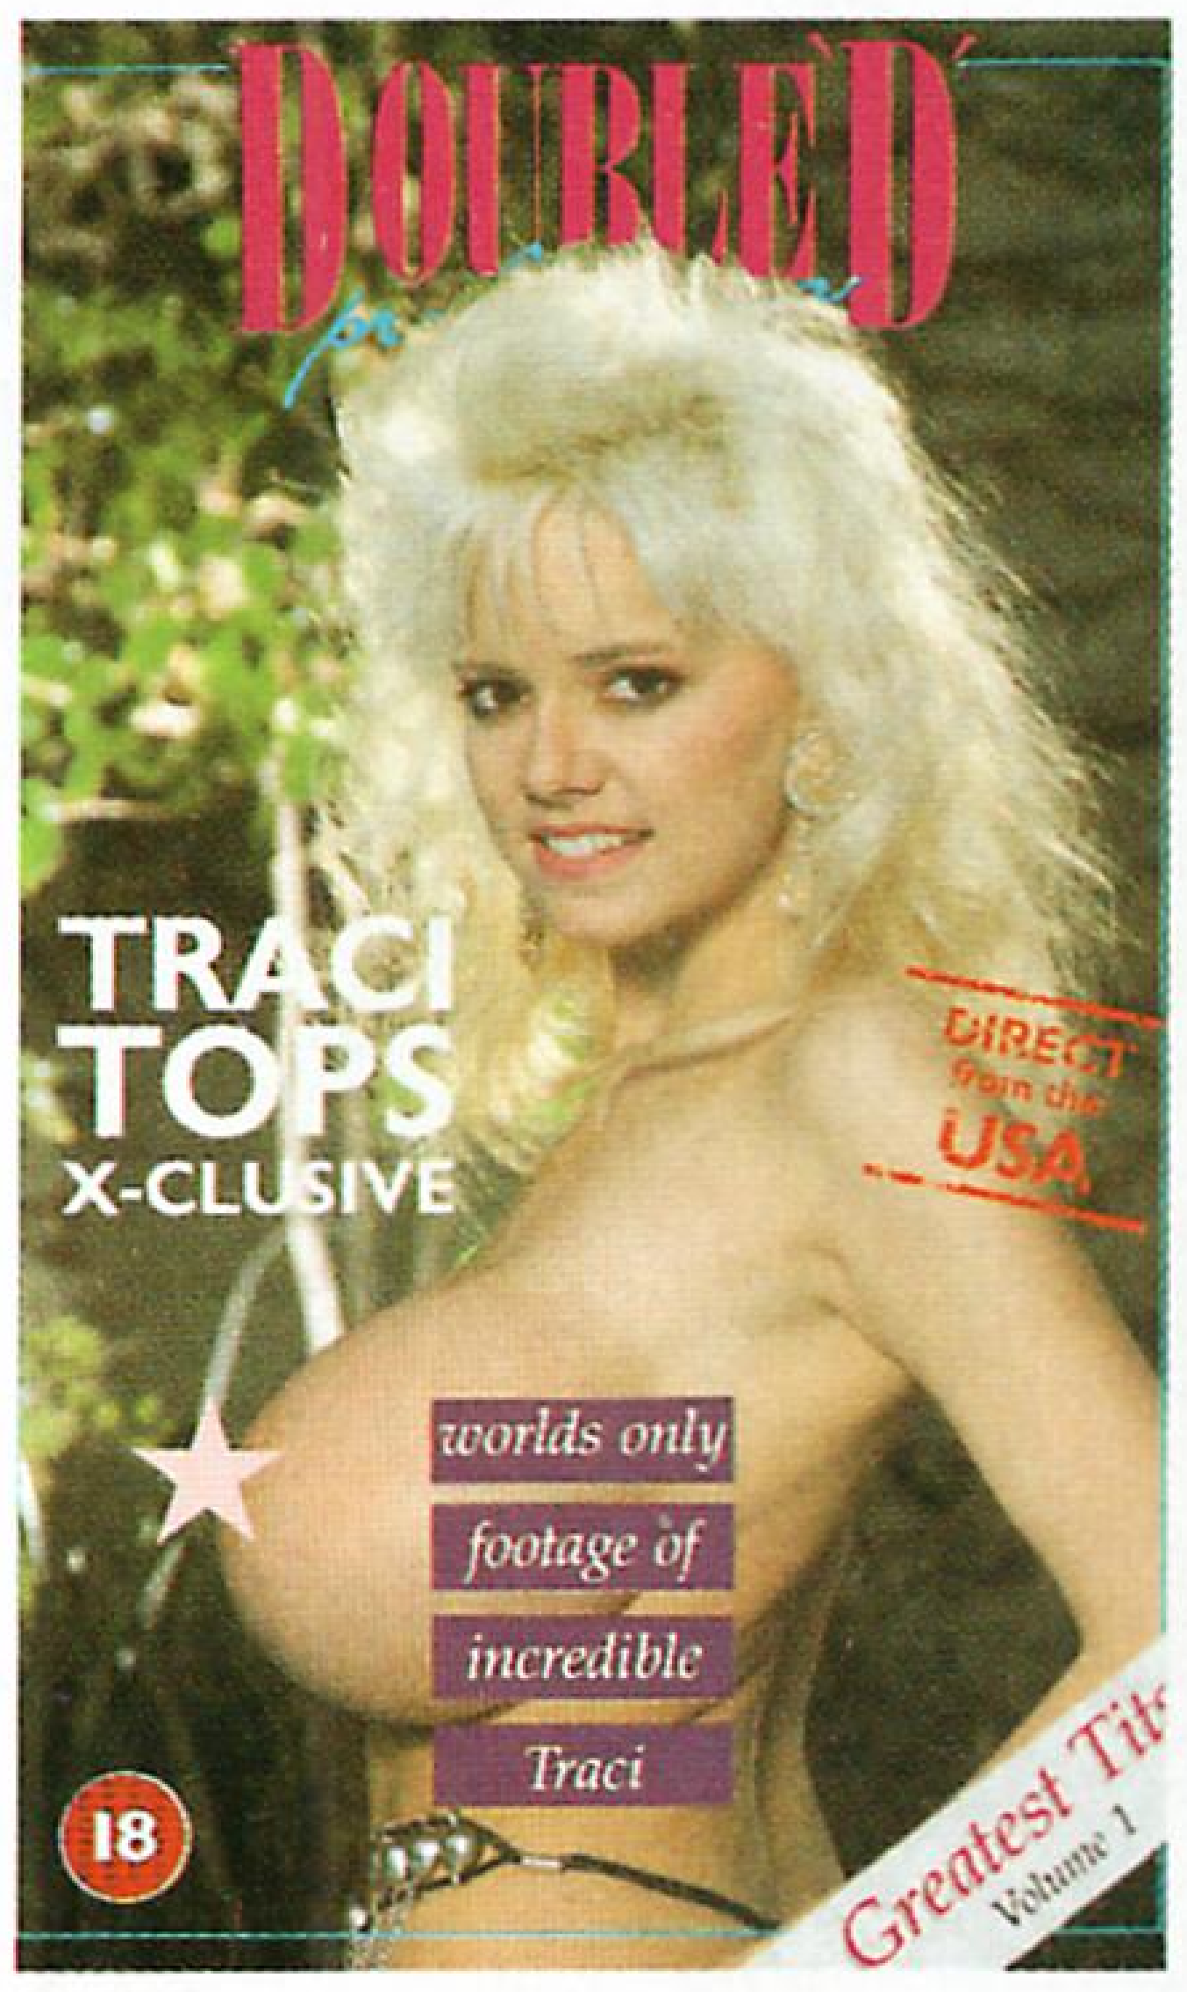
Watching this and the aforementioned Silicone Valley tape has led me to the conclusion that every big-busted female in California lives in a huge manision and never has to actually work for a living. Perhaps they just flog all those pearl necklaces they get given!

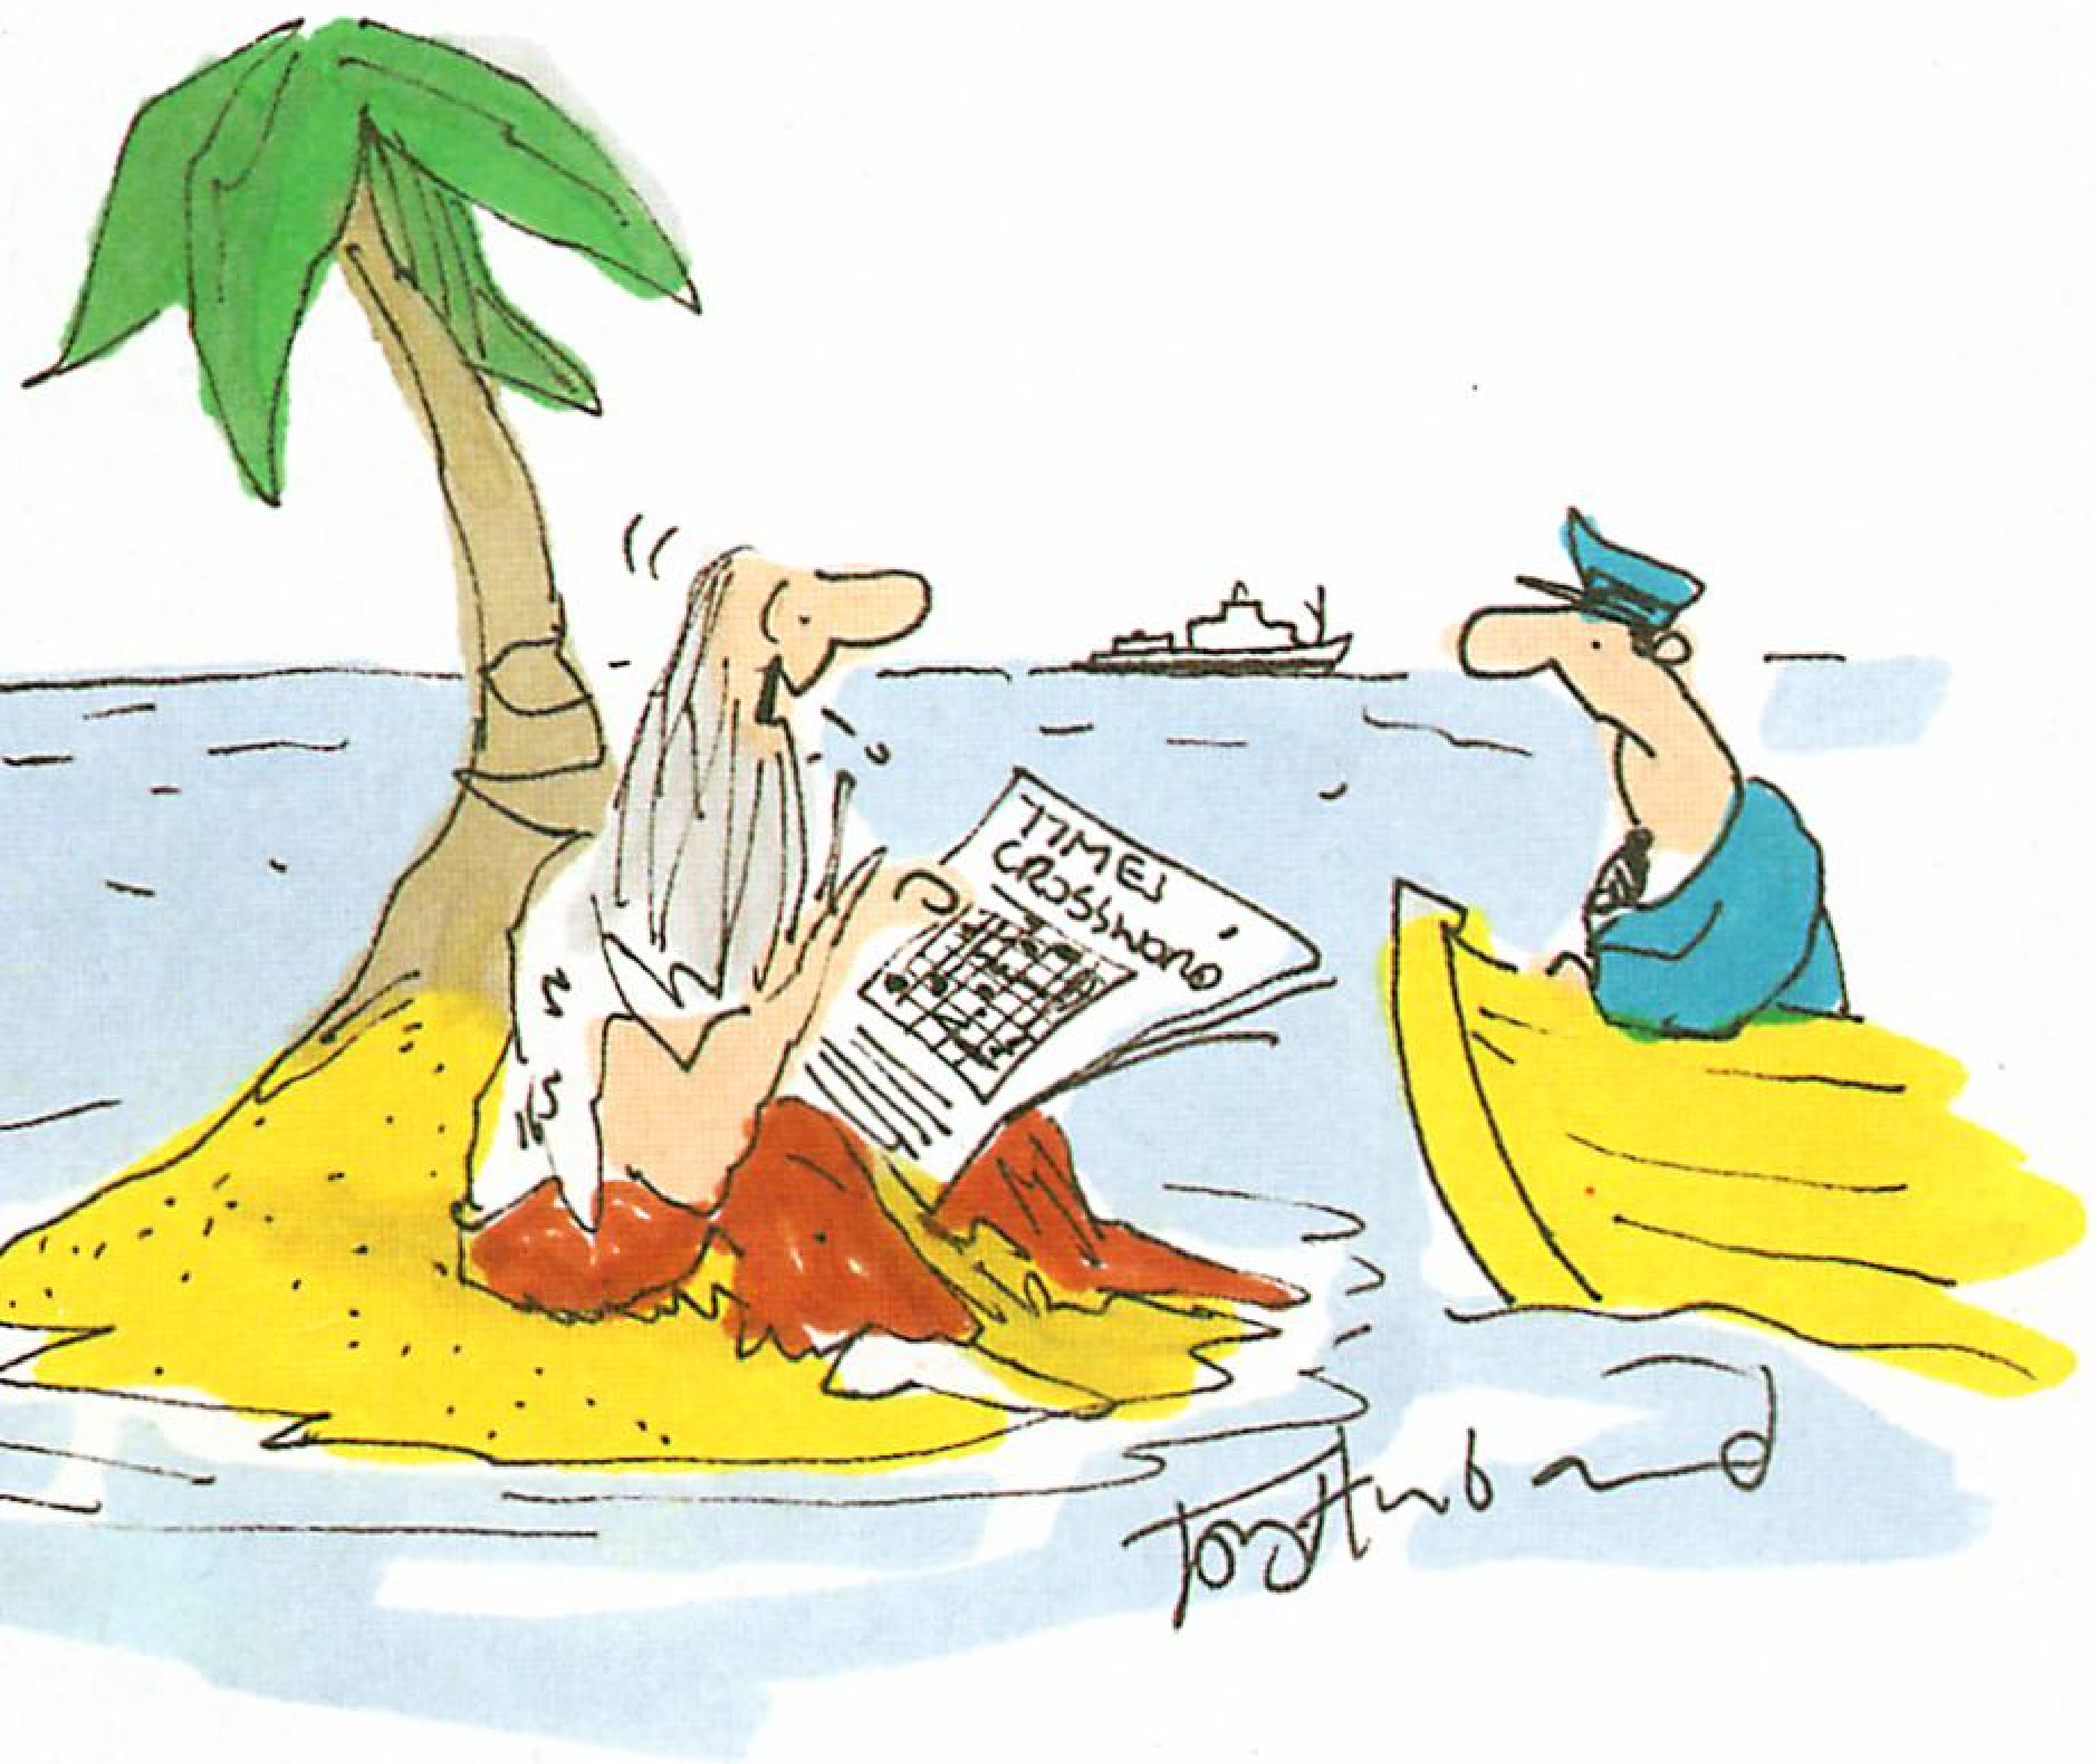
Moving right along, we come to ***Sex Games***, one of those films where, try as they might, the actors can never seem to get their lip movements in synch with the dialogue. Blackmail, intrigue and sex are just three of the words that you'll find bandied about in this continental bluey about a dirty doctor — a gynaecologist who spends too much time working late at the orifice — who is in danger of being struck off for violating his Hippocratic Oath. Evelyne Scott and Anita Erikson flash their naughty bits every time the plot flags, which is very frequently.

And last but not least, cast your bulging minces over ***Sexy Stories Volume Four***, a fascinating collection of red hot clips gleaned from the video vaults of our old pal Mike Freeman. These were originally hardcore shorts, shot back in the heady pre-censorship days of 1980, when Mike's 'Videx' productions reigned supreme. His shooting style cuts right to the heart of the matter, and certainly makes a change from the coyness of the Playboy stuff.

In this collection you'll find ***Page Three Girls***, which starts in the studio with Big Rod living up to his name, taking sensuous Sally to the darkroom to see what develops. Next comes ***Sharon's Striptease***, which speaks for itself really. So I don't think it would surprise you to find out that there's lots of footage of a bird called Sharon getting her kit off. Well I never (but I'd like to!).

Last of all there's ***Swingers***, a title which could either refer to the liberated couples who swap partners for a long night of licentiousness, or the great big bouncers which Freeman's camera frequently lingers on. Kajoobly city, here we come! ♣





Oh thank God – what's got six letters, second letter 'A' and means to...

...IT IS NOW!

In our last desperate attempt to produce a decent sports column, ***Maurice Short*** *picks the worst England XI of all time*

Did you know that Brian Greenhoff, a midfield workhorse with all the two-footed skills of Long John Silver, played for England twice as many times as the divine Rodney Marsh? That Eric Gates got twice as many Caps as Charlie George and Duncan McKenzie put together? Faced with these terrible facts there was only one course of action open: I went down the pub with my mates to choose The Worst England XI Of All Time.

Goalkeeper

Unlike the Scots, England have had many fine 'keepers over the past 30 years. Unfortunately though, injuries have allowed in players of slightly more underwhelming abilities. *Peter Bonetti* (Chelsea, 7 Caps) was mentioned, the panel being particularly impressed by his decision to take up a job as postman on a remote Scottish Island after he retired from football. However, the unanimous choice of the selection committee was *Gary Bailey* (Man Utd, 2 caps). Rumour has it that Gary, a keen ecologist, wanted to help *Save The Whale* — but the whale went under him.

Full Backs

No shortage of choices here, with strong challenges from *Phil* 'face like a tinker's dog' *Neal* (Liverpool, 50 caps); *Steve* 'never even heard of him' *Whitworth* (Leicester City, 7 caps) and *Bruce Forsyth* (BBC TV, no caps, but one bloody awful toupe). Several rounds later the selectors opted for *John Gidman* (Aston Villa,1 cap) and *Ian Gillard* (QPR, 3 caps).

Below, Jeff Astle stands by his man. Right, *Kevin Keegan: was he a prat?*

John Gidman had a skin-condition that made him look like the 'before' picture in a Biactol advert. Ian Gillard's pace was deceptive. He was even slower than he looked.

Centre Backs

Another embarrassment of riches. Several of the selectors had personal favourites: *Tony* 'Jailbird' *Adams* (Arsenal, 18 Caps and four months); *Terry* 'fuckwit' *Fenwick* (QPR and Spurs, 20 caps) and Booker Prize winning novelist *A.S.* 'Beefy' *Byatt* (Penguin, 1 dustjacket). After much discussion, the panel plumped for *Jeff Blockley* (Arsenal, 1 cap) and *Steve Foster* (Brighton, 3 caps). Jeff had the most impressive sideburns the committee had ever seen. He was as hard as a lump of granite, and about as mobile as one too. Ron Greenwood discovered Foster on Hove beach, giving rides to holidaymakers. With his bushy hair, shaggy beard, and stupid headband, Steve was the nearest England will ever come to picking a member of The Grateful Dead. He certainly played like he was (dead, that is).

Midfield

A five pint problem saw the selectors arguing until long after closing time. One of the panel suggested terrible left-winger *Arthur Scargill* (Barnsley, 2 caps — one flat, the other baseball), who won praise for his adoption of a *Ralph Coates* style scrape-over hair-do. In the interests of balance, horrible right-winger *Norman Tebbit* (Chingford, 1 cricket test) was also considered. He won popular support for his *Terry Hennessey*-type arsetop, but little else. Another selector wanted a midfield trio of:

IN AND OUT

We don't call our cool correspondent of what's hot and hip Mr Primetime Streetstar for nothing — in fact we call him ***Terence Trendy*** *instead...*

IN	OUT
Tissue paper	Sun newspaper
Gripe water	Evian eau minerale naturelle
Cranes	Storks
Bell ends	Bell bottoms
The La's	The Soup Dragons
Rod Hull and Emu	John Major and Ecu
Heater fans	Football fans
Supremacy	Monopoly
Red bricks	Concrete

Peter Glaize (Crackerjack, no caps, but a lot of pencils), *Derek Batey* (Mr & Mrs) and *Cilla Black* (Blind Date). In the end we came up with a triumvirate of even less talent: *Peter Storey* (Arsenal, 19 caps), *Mike Duxbery* (Man Utd, 10 caps) and *Gary Stevens* (Spurs, 7 caps). On the way home, the committee outlined the thinking behind their decision: "Peter Storey was dirty, and he once got photographed coming up the tunnel at Highbury with his pre-match fag still stuck in his gob. Duxbury was goofy and had this classic short-at-the-sides straggly-at-the-back footballers' hairstyle. Gary Stevens, he was just plain fucking useless." Eat your heart out, *Jimmy Hill*.

Attack
Back at my place with a carry-out of Crucial Brew and a pepperoni pizza, we turned our attention to the strikers. One selector suggested that *Jamie Lee Curtis* had a fine pair up front, though he wondered if her appearance in the dressing room might cause one or two of the teams' members to stiffen up before a ball was touched. After this barrage of feeble jokes he ran into the bathroom and threw up in the sink. My wife, who was washing her hair in it at the time, was not impressed. After the selectors had been banished from the committee room, I bedded down on the sofa and came up with the following front runners: *Kevin Keegan* (Liverpool, SV Hamburg, Newcastle and Southampton, 63 caps) *Paul Mariner* (Ipswich Town and Arsenal — funny how often their name crops up, eh readers? — 35 caps) and *Jeff Astle* (West Brom, 5 caps).

Keegan certainly didn't merit a place in the team for his lack of playing ability. However, little Kev had a number of other strings to his bow: ridiculous hairstyle, terrible dress sense and a series of horrendous records which I felt justified his inclusion in the line-up. Paul Mariner was one of a number of inept 'targetmen' who might have made it to the team. What tipped the balance in Mariner's favour was his off the field hobby, collecting modern art. Nothing would pep the team up more at half-time than a lecture from Paul on the works of Pablo Picasso.

Like Mariner, Jeff Astle was a player whose extra-curricular activities influenced the selector. Jeff is the only England forward ever to cut a country & western single. With him and Keegan in the side, any team record is bound to be a stinker.

The team in full: Bailey, Gidman, Gillard, Blockley, Foster, Storey, Duxbury, Stevens, Keegan, Mariner, Astle. ♣

TOP TITS

Welcome tit fans, welcome to this the first in a series of live broadcasts brought to you in association with Club magazine — *George Breast Abroad.*

Thanks to the Club satellite I am able to give you a second by second account of my intrepid travels. At this very moment I am sitting on the golden sandy beaches of Puerto Banus in Spain, doing my bit for Anglo-Spanish relations. Standing right next to me is my host, Club's Latin correspondent, Senor Garbonza.

The beach before me is packed with pulsating poon, and Senor Garbonza is very kindly pointing out some of the finest golden maracas that Spain has to offer.

So what is it that you love so much about Spanish tits, Senor?

"Las chicas Espanolas tienen melones fantasticas, muy firma y muy bella, porque el sol brillan por ellas como fruitas exoticas! Son las mejores en el mundo. Arriba, arriba!"

Thank you, Senor Garbonza.

You know I've travelled the world in my job as Club's *Chief Breast Correspondent,* tasting the world's creamiest coconuts, and describing them to you in the most colourful language I can muster, but I assure you I couldn't have put that better myself! — *George Breast* ♣

Once in a blue moon, you guys get to meet a girl with more assets than Paul Getty Junior. Now we're not saying 20 year old Leanna's the perfect partner, but she looks like a dream, sings, dances, acts... and she can whip up dinner for eight without batting an eyelid!

"My mum always used to tell me the way to a man's heart was through his stomach," laughed the irresistable lass from Crewe, brushing back her beautiful brunette curls. "I'm not sure that's really true... other parts of their anatomy seem to kick into overdrive when

I'm around!

"I'm a bit of a romantic though, and I love to cook an intimate little meal for my current flame. I plan it all out carefully — oysters, chocolate, champagne — the works!"

Hang on, aren't they all supposed to be aphrodisiacs, Leanna?

"Yes! Not that he usually needs it when he sees what I'm doing to myself under the dinner-table!" ♣

Spam Valiant, Rocket Jockey Of The 21st Century

Forget Flash Gordon and Captain Kirk, there's a new superhero in space by the name of Spam Valiant. Read on as our hero battles with a Stoncing Harddon...

In the year 2020 space is the final frontier; Mars is an Earth colony; the Moon is a suburb of Hemel Hempstead, and the journey to Neptune is the equivalent of a jaunt along the M25 orbital from Orpington to Sevenoaks (though the trip to Neptune takes considerably less time, naturally). In this brave new era, our planet is at peace. No longer is there emnity between East and West; communist and capitalist; Millwall and West Ham United. Instead the people of the Earth are unified in a fight for the common good. A battle that involves them in perpetual conflict with the most incredibly evil creature in the entire Universe: the Harddon, Emperor of the Geeks and Lord High Ruler of the Planet Stonc.

ON THE PLANET STONC...

In a monstrous palace, perched on a rock the colour of a baboon's bottom, the Harddon floated on his jet-powered dias. One hundred feet below him his loyal subjects the Geeks, small beings who looked not unlike ourselves after we have had eight pints of Tennant's Super and a dodgy kebab, awaited his every command. The Harddon's purple head throbbed rhythmically as he cast his eye over them.

"Weaklings! Fools! Imbeciles!" he spurted suddenly. "You are not fit to wipe my dias! How many times now have you failed to carry out my plans to obliterate the planet Earth?"

"Three million and 57 times, your mighty stiffness," chorused the Geeks, grovelling in unison.

The Harddon reddened with rage. "Well, morons, you will be given one more chance. If you fail me again, then I shall imprison you all in the dungeons, where you shall stoke the gonad furnaces of Stonc with testosterone from now until the end of eternity."

"Thank you. Thank you, oh merciful bell-headed one," snivelled the Geeks.

"My incredibly fiendish plan is this," bellowed the Harddon, swelling with pride. "I will bombard the Earth with Acid House music from the mighty speakers of my space-ship cabriolet. Then, when all the humans are driving up and down the M4 looking for the party, we shall invade and catch them completely unawares."

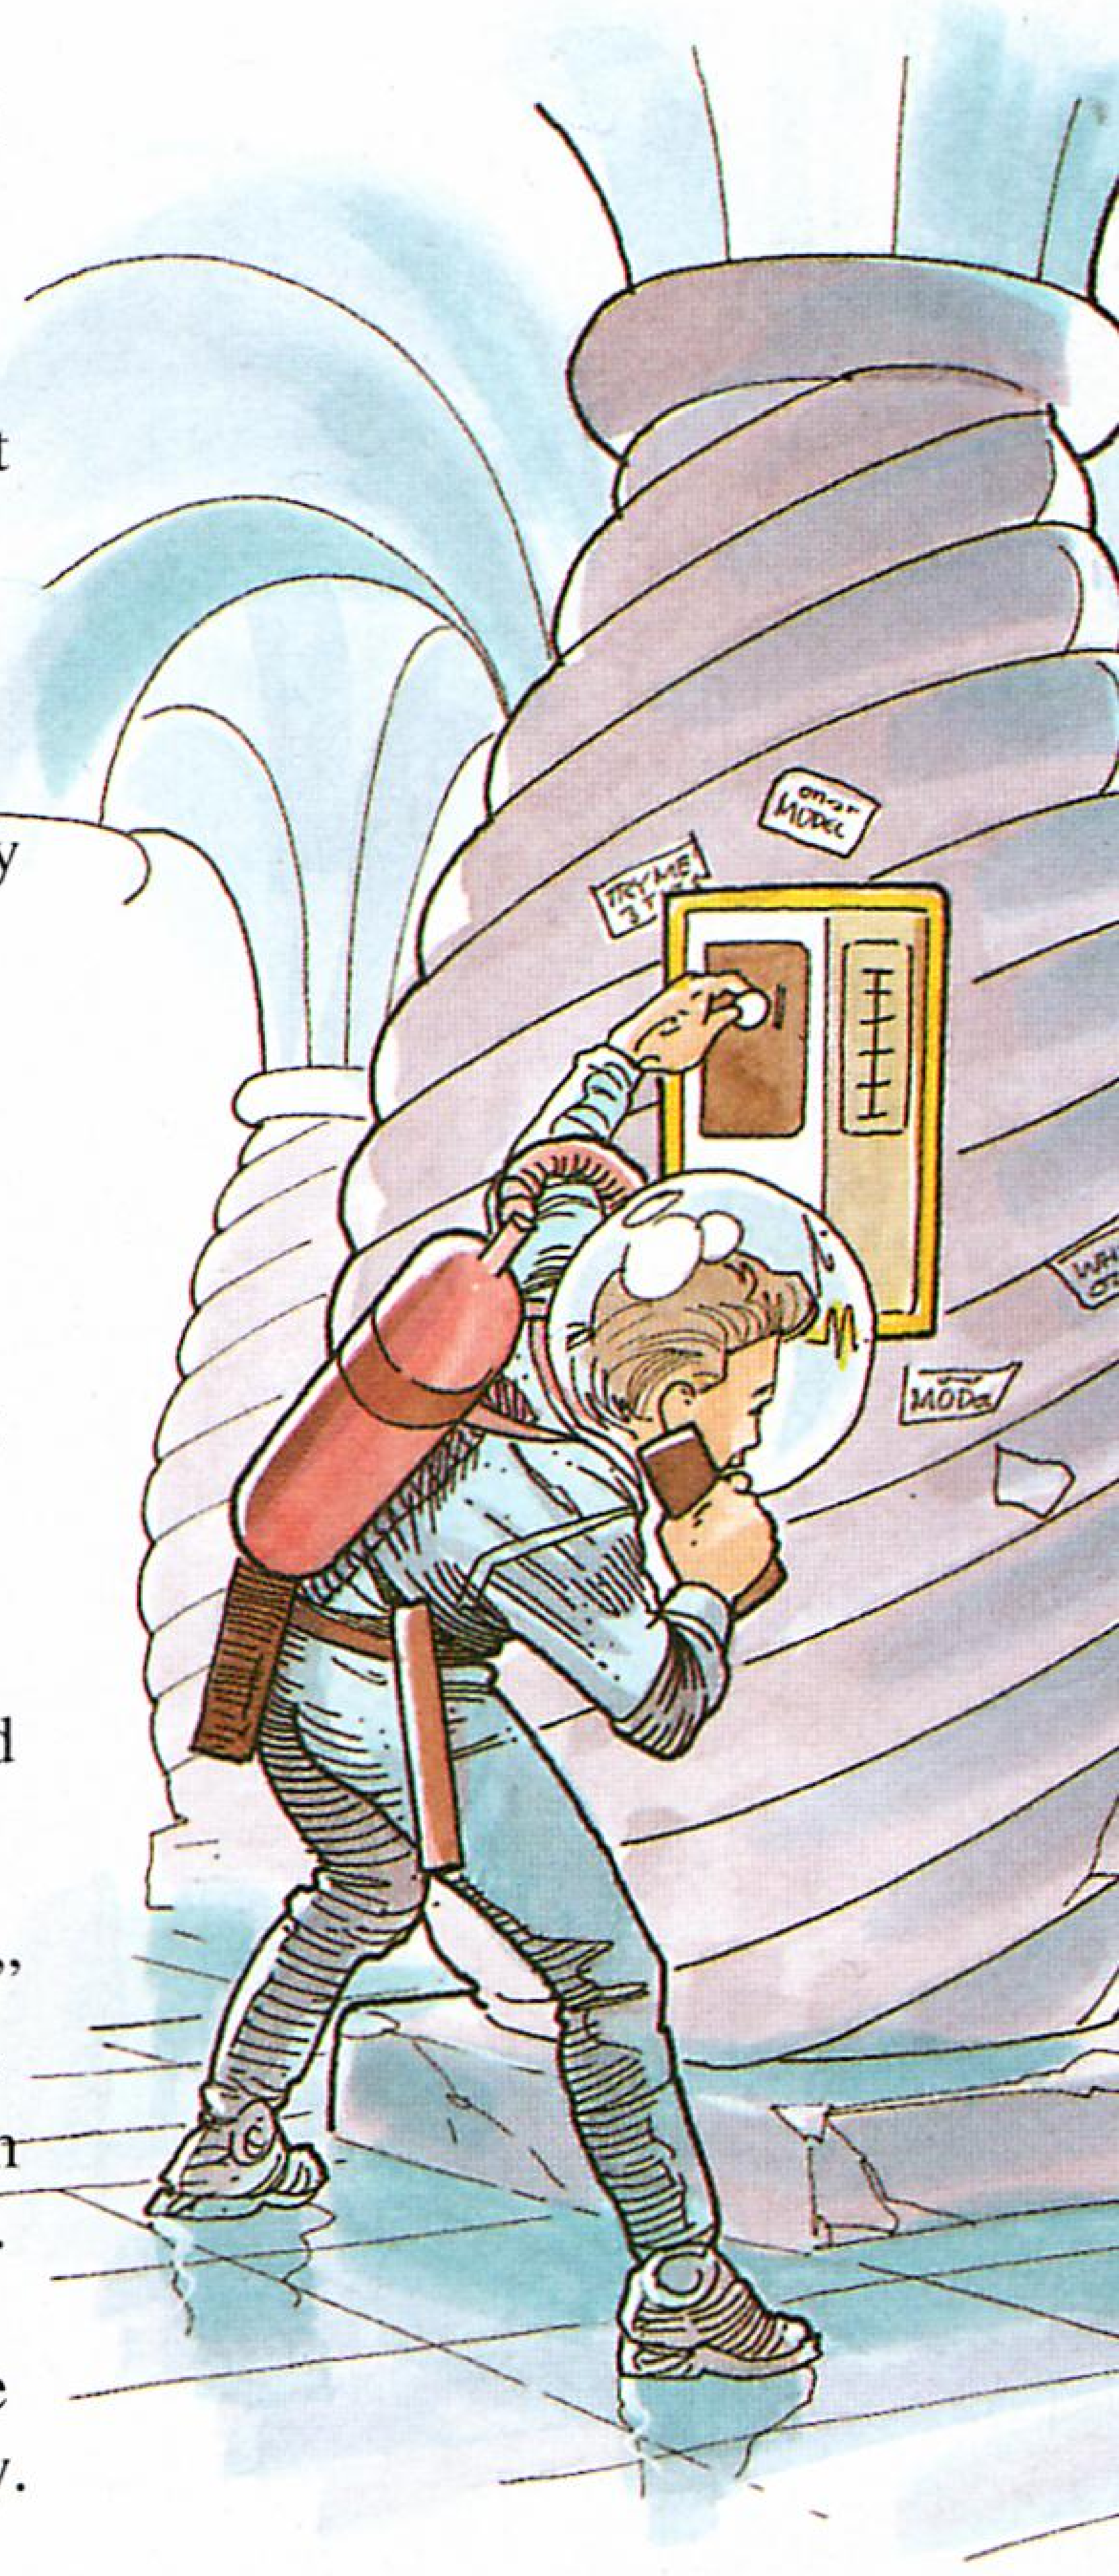
"Brilliant. Brilliant, oh great never-shrivelling-for-a-minute-not-even-in-a-frostedness," trilled the Geeks. "It is even better than the plan involving the million inflatable Marie Osmonds, the large vat of warm lard, and the trained mongoose."

"Yes," replied the Harddon happily, "plan 327,639 was a pretty good one. And it would have worked too, if it hadn't been for..." — the Harddon began to tremble, and the veins on his neck bulged — "... Spam Valiant, rocket jockey of the 21st century. This time, though, things will be different. I will make mincemeat of Spam."

"Ayeeee," cried the Geeks, "we shall destroy him, your glowing knobiness. We promise. Honest."

As the Geeks began to file away from the palace, one of their number took cover behind a pillar.

"Cripes," he muttered, "Rocket Jockey HQ will be keen to hear about this. Thank goodness for British Telecom. Their impressive system of interplanetary direct dialling codes means I can ring straight through. And for only 1,400 hard ecu a second too! What unbeatable value. Now where's that bloody yellow pages... "



LATER, AT ROCKET JOCKEY HQ...

Spam Valiant was on his way to see his commanding officer, Air Vice-Marshall Stroker, a crusty old rocket jockey whose fondness for feline company had earned him the nickname 'Pussy'.

'Pussy' Stroker was sitting at his desk playing with his pipe when Spam strode purposefully into his office. Valiant came to attention and saluted smartly. Smartly saluted back.

"Good to see you, Valiant," Stroker said, putting his pipe back in his trousers. "But I'm afraid I have some bad news. The Harddon is back."

Spam pushed his cap to the back of his head thoughtfully. "Golly, Sir, then I should recommend cold showers and plenty of vigorous exercise. And don't whatever you do touch it, or you'll go deaf."

"What?" roared 'Pussy' Stroker.

"Too late," quipped Spam. Suddenly the two men began to chuckle. "Gosh," said Spam with a grin, "what a predictable yet amusing misunderstanding."

"Now," growled Stroker when they had recovered their composure. "A few moments ago I received a telephone call from our man who's bravely gone undercover with the Stonkers."

"What did he say?" asked Valiant anxiously.

"Not a lot, really. We were cut off."

"Do you think he's been blown, Sir?" Valiant inquired, a look of concern etching his brow.

"Probably," barked Stroker, "but I don't see what relevance that has. No, we were cut off because British Telecom are crap. So Spam, I want you to take Fireball XR3i up to Stonc, have a shufty and find out what that slimy monster Harddon is up to now."

"Aye aye, skipper," the gallant young rocket jockey replied, and he turned to go.

"The sight of young Porkmy fair sets my lube valves a-pumpin."

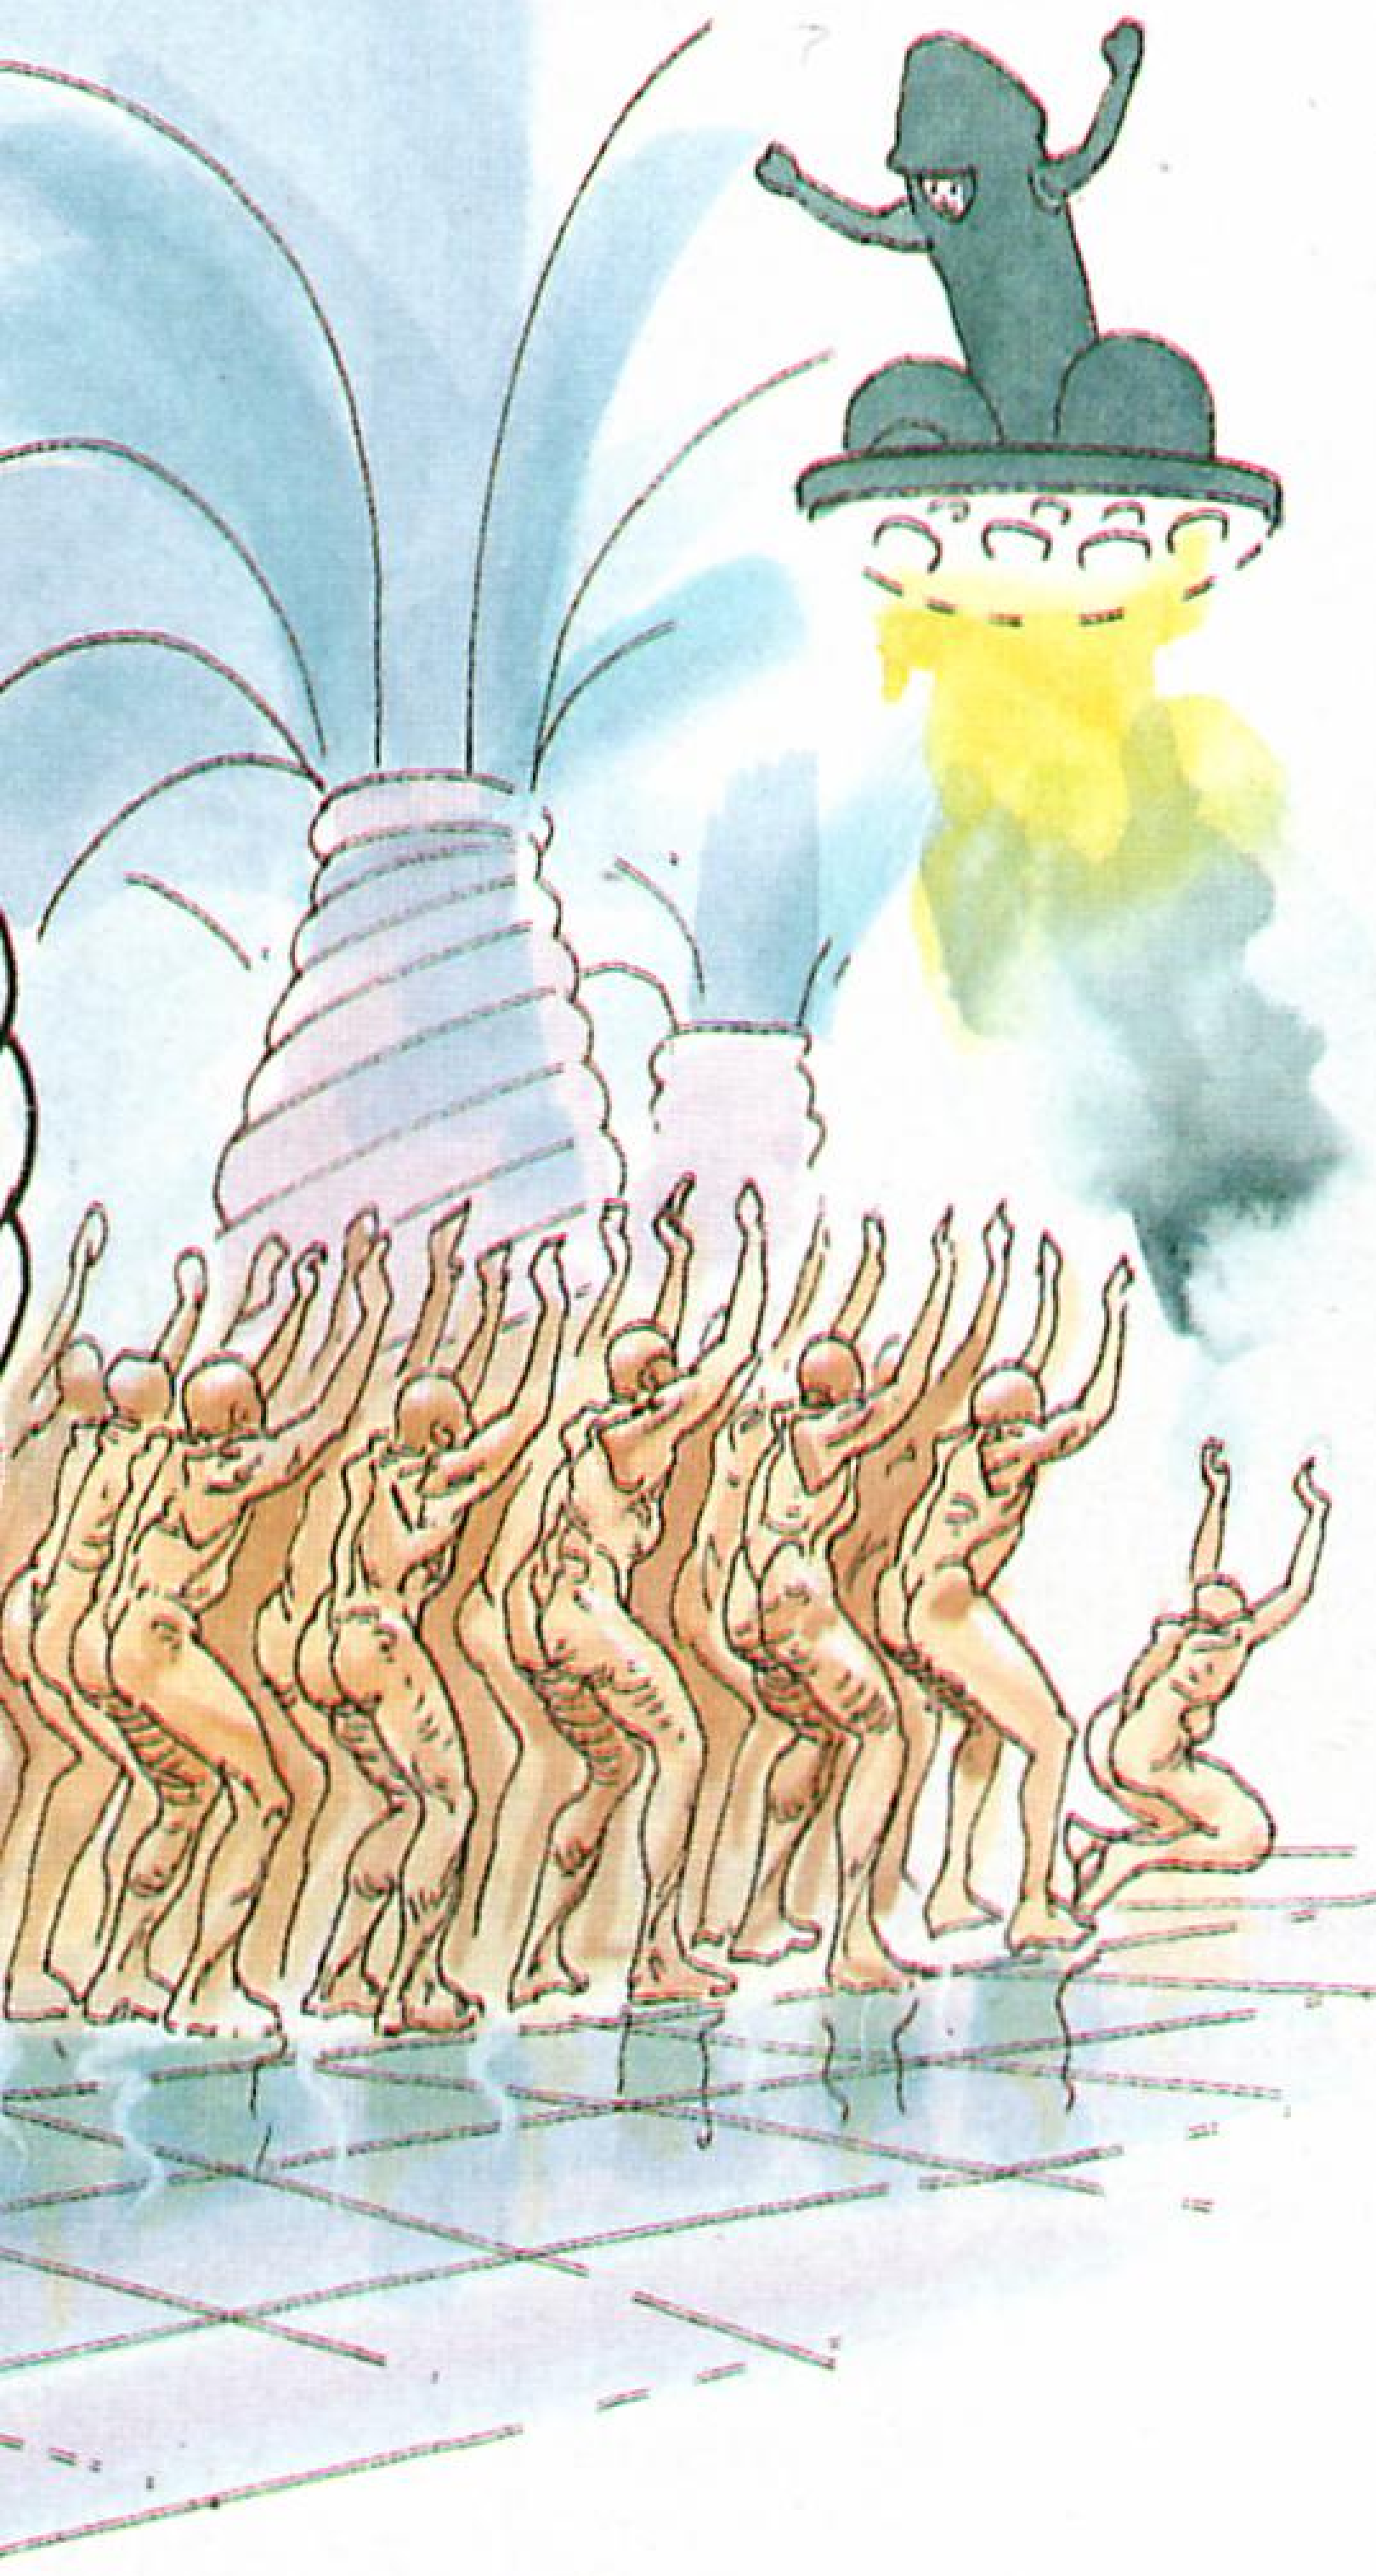
"Cripes," he muttered, "Rocket Jockey HQ will be keen to hear about this..."



"And Valiant," Stroker said gruffly as the blond haired hero reached the door, "remember: life is precious. Don't whatever you do Spam, fritter it away."

MINUTES LATER...

At rocket jockey launch pad Spam and the crew of Fireball XR3i waited for their flight call. Spam's co-pilot, Captain Porkmy, was pacing up and down nervously. The tight-fitting flight suit clung to the curves of her voluptuous body better than a cross-ply tyre. Her bosums, which were as full and rounded as the twin moons of Jupiter, heaved. There was a clunk of metal as Reggie Droid, the crew's diesel-powered robot, flopped down in the seat next to Spam's.

"Blimey chief," he bleeped, "the sight of young Porkmy fair sets my lube valves a-pumpin'." Then, upping the volume, he beeped, "Oi, Porkmy, if you're looking for a seat, my face is free!"

Porkmy turned, hands on hips, and stared angrily at the metal-man. "Say that again chips-for-brains and I'll remove your nuts and shove them up your waste valve."

"Stone the crows," Reggie chugged, "no sense of humour these humanoids," and he clanked off towards the toilet.

Captain Porkmy took his place at Valiant's side. She gazed into the rocket jockey's steel-grey eyes. "I'm sorry about that," she murmured, "I'm afraid I'm a little bit irritable at the moment. You see, Spam, since my husband was carried off by the giant cormorant-thing of Tharg, I've been getting more and more frustrated."

"I know what you mean, Captain," Valiant snapped. "These flight delays can be a dashed nuisance. Still, with fog over Pluto and an air-traffic controller's dispute in Alpha Centauri, there's very little any of us can do."

Porkmy flicked her tongue across her lips, which were as warm and red as the planet Mercury. "I didn't mean it in that way Spam," she breathed. "Look, I wondered if tonight we could get together. Get weightless. Have a little fun and games."

Valiant grinned. "Certainly Captain, but I must warn you: I'm a bit of a dab hand when it comes to *Scrabble*. And I think you'll find that if we switch the gravity unit to zero the letters will tend to float around in a rather inconvenient manner."

"I didn't mean that type of game, Spam," Porkmy murmured. "I was thinking of something more exciting. Something that involves thrusting things in and out. A game where your balls play an important part..."

Spam Valiant's eyes lit up. "Crickey, Captain," he croaked, "have you got a *Kerplunk* set with you?"

"Calling flight Fireball XR3i for the planet Stonc. Please have your boarding cards ready. Have a nice day," crackled the tannoy.

"I think we'd better discuss this later,Valiant," Captain Porkmy said sourly.

THAT NIGHT IN HYPERSPACE...

As the mighty engines of the Fireball XR3i thrust the spacecraft through a void as vast and black as something incredibly big and very, very dark indeed, Spam Valiant and his crew sat in the cockpit fiddling with their knobs and scanning whatever the equivalent of an horizon is in outer space. Suddenly the android's circuits burst into life.

"Bad news folks," he bleeped, "my radar scanner indicates asteroids up ahead."

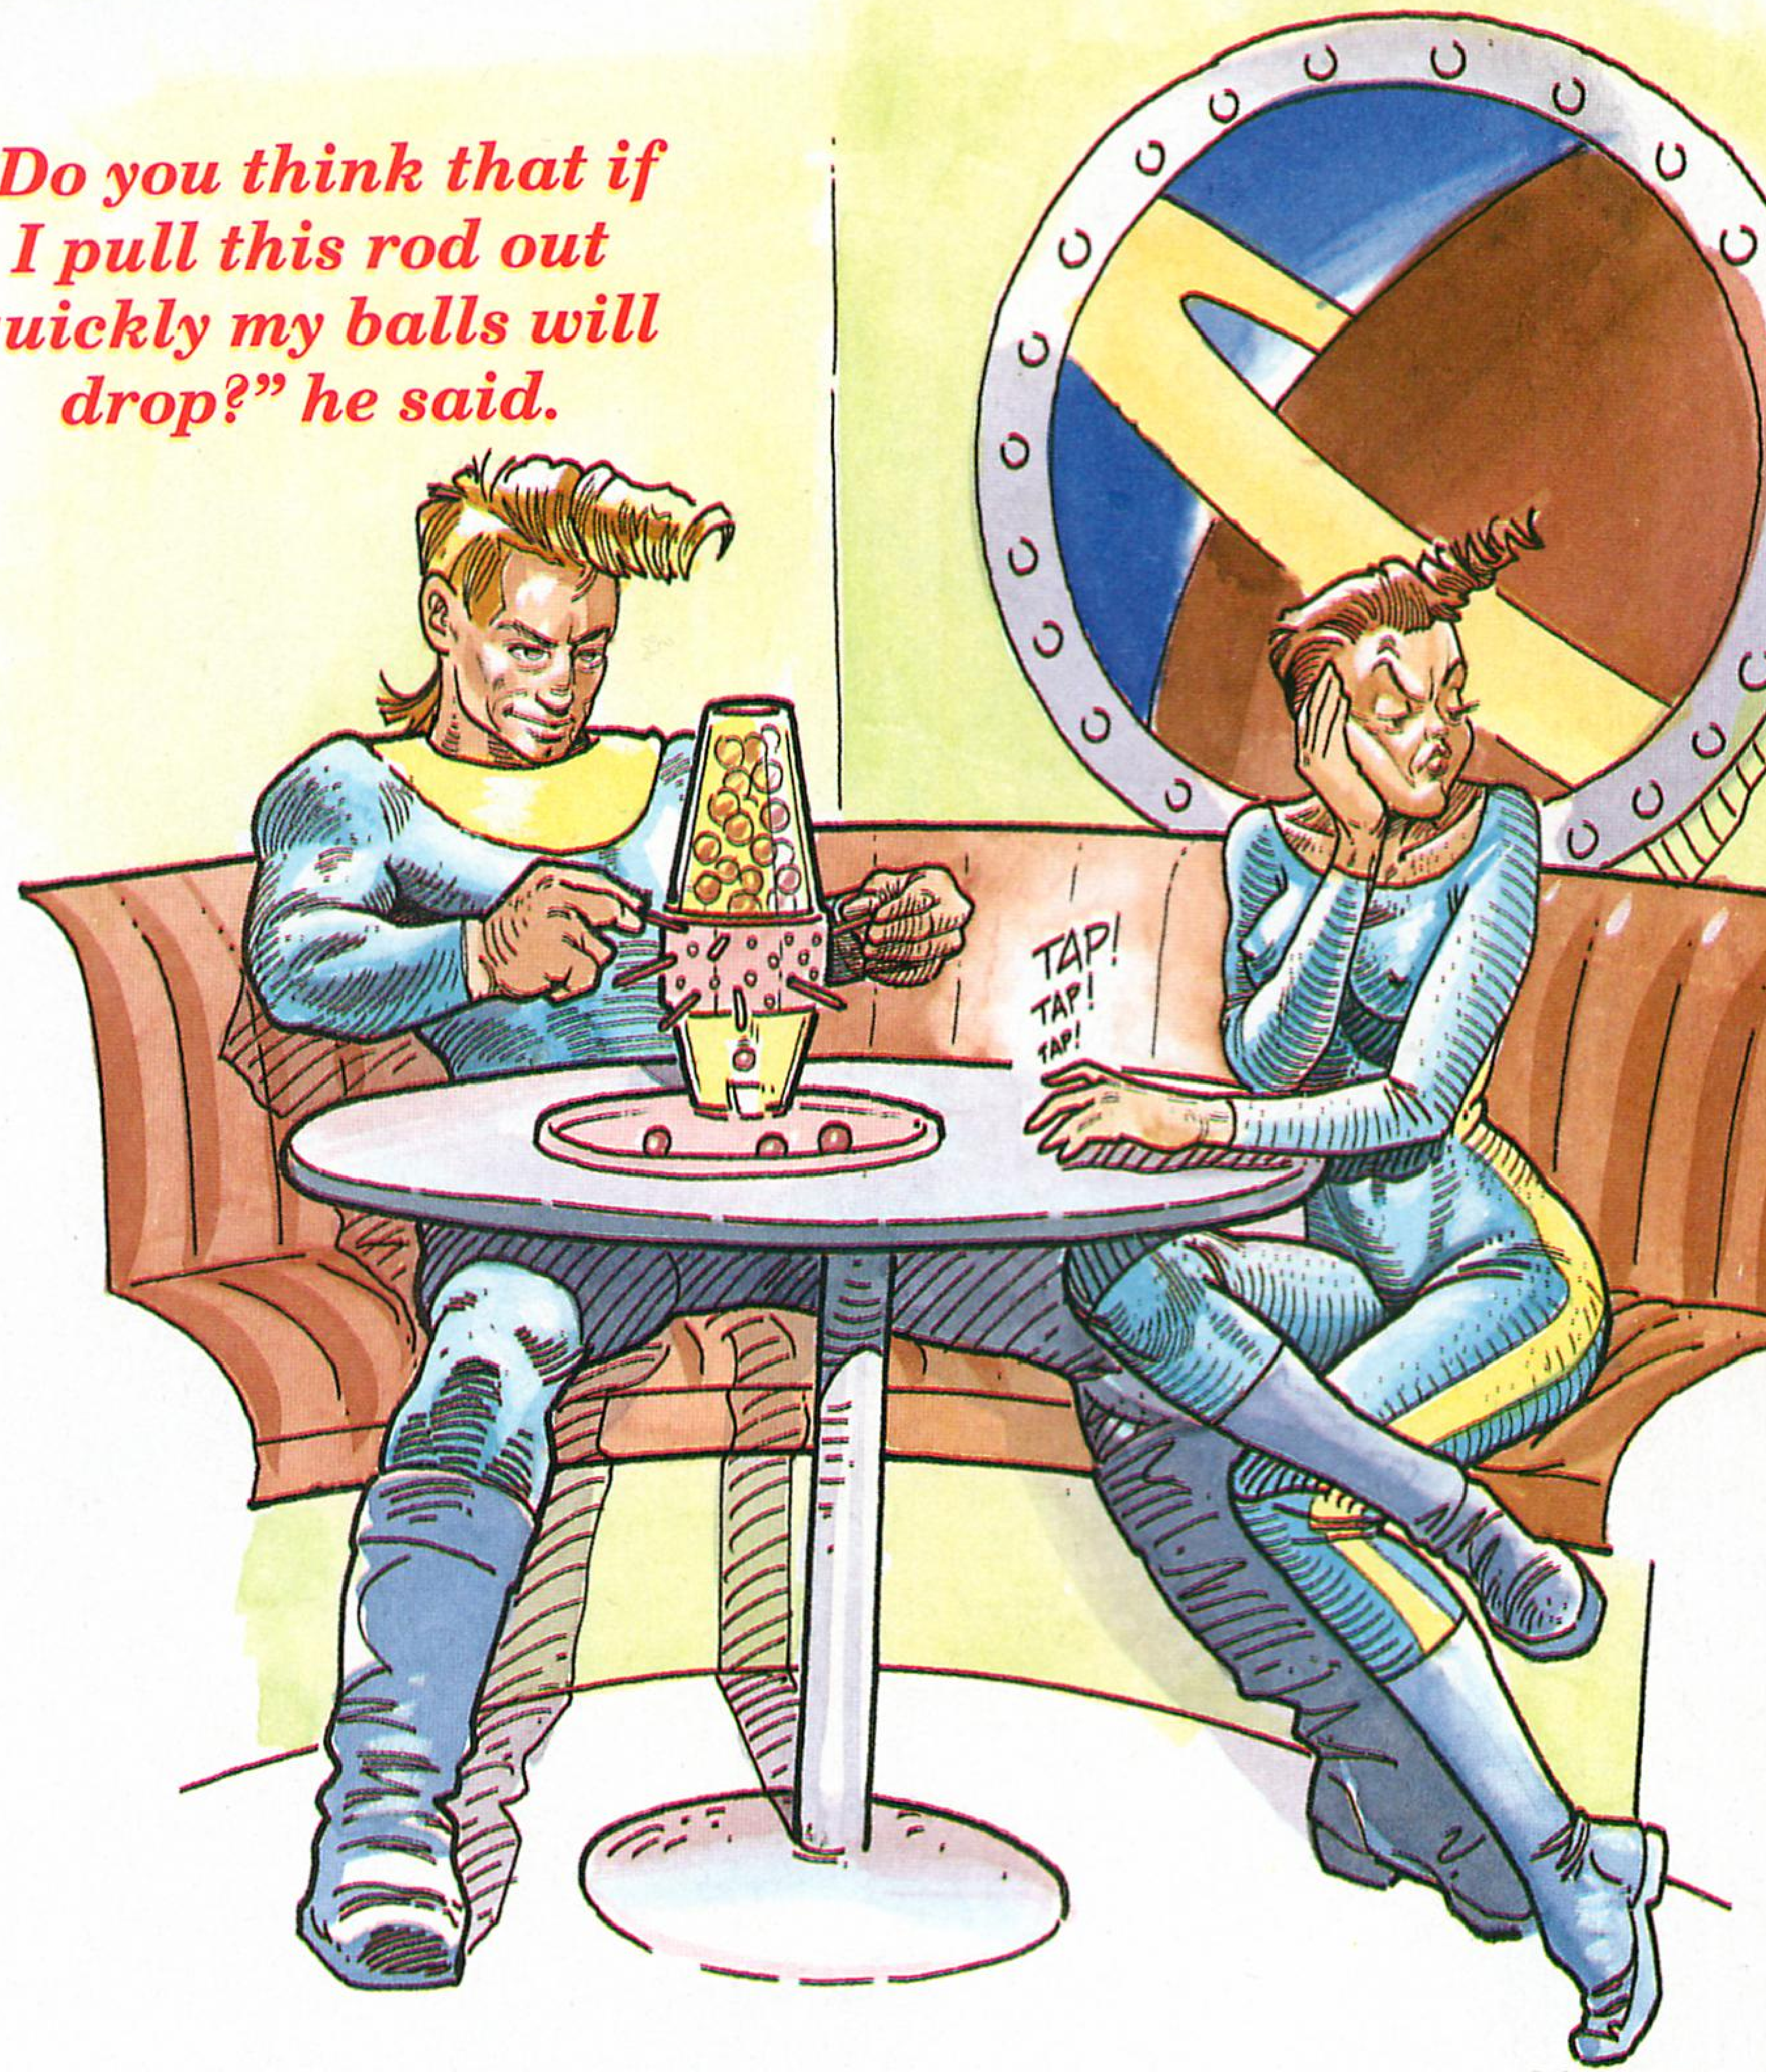
"Up a head?" Spam said, puzzled. "I thought one usually got them up one's bottom."

"Bleep off," said the robot.

MEANWHILE ON PLANET STONC...

The Harddon sat on his dias deep in thought. The Chief Geek had just brought him the news that Spam Valiant's space craft was approaching across the galaxy. The Chief Geek watched his master attentively. The Great Protuberant One had been overworking and worrying too much of late. He was looking a bit limp.

"Do you think that if I pull this rod out quickly my balls will drop?" he said.



Eventually the Harddon stood up. "Right, oh snivelling underlings. Prepare the sound system on the space-ship cabriolet. I intend to put my plan into action immediately. By the time I've finished blasting Valient's craft with rave sounds I'll have Spam on a plate with pickled beetroot."

"I obey, your quivering-ness," said the Chief Geek. "I shall go and make the arrangements."

As the Chief Geek closed the door behind him, the Harddon flopped down on his dias. "I don't know what's wrong," he muttered, "This has never happened before. Honest."

But the helmet-ended evil genius was being watched. The undercover Earthling was hidden behind a pillar and had already begun feeding thousands of 10p pieces into a pay-phone...

THE NEXT MORNING. ON STONC...

On board the Harddon's space-ship cabriolet the Geeks worked feverishly to prepare the sound system. But something was missing.

"Have you noticed," said the Chief Geek to the assistant-chief Geek, "we're nearly at the end of this story and so far no one's made a joke about Uranus?"

"Why should anyone want to joke about my arse?" asked his assistant.

"Whew," said the Chief Geek. "That's a relief. I didn't know how we were going to fit that one in." He looked up at the Harddon, who was hovering above them. "The sound system is prepared, oh worshipful erectness."

"Good. Good," snarled the Harddon, his temples expanding and contracting with excitement. "Fireball XR3i is within range. Let them have it." The Chief Geek flicked the switch and the sound system roared into life. Unhappily for the Harddon and his minions however, the undercover Earthling had cleverly switched cassettes. Instead of filling hyper-space with the hip-hop beat of Flanmaster Funky & The Furious Pies' hit *Quiche Me Baby Till My Dough Rises*, the soundsystem bombarded the galaxy with that 1958 family favourite *Magic Moments*.

"Blimey," chorused the Geeks, "Perry Como. It must be Xmas." And they all ran off home to get pissed, eat too much and have a row with their in-laws.

THAT EVENING ON FIREBALL XR3i...

Spam Valiant and Captain Porkmy were alone together.

"Do you think that if I pull this rod out quickly my balls will drop?" asked the rocket jockey.

"I think there's very little danger of that," replied Porkmy peevishly. ♣

CLARE

As your eyes and pricks can see, 22-year-old Clare has definitely got a kink for sexy basques and leather skirts.

"I love wearing sexy clothes, because I know they really turn men on," Clare told us. "Of course, I wouldn't wear them if they didn't do the same for me! This leather basque has got to be my favourite, because it pushes up my boobs and

makes them look very big, don't you think?

"And I love the way my leather skirt stretches tight over my bum. The secret, though, is not to wear any knickers underneath so I can feel the cool air making my pussy tingle. Honestly girls who wear trousers don't know what they're missing!" ♣

WOMEN'S WRITES

Where the girls get down to business

Exotic Encounter

I've always been quite an unadventurous person, so the story I'm about to tell you is totally out of character. Anyway, I'm glad to have discovered that beneath my sensible nature, I'm just as capable of getting completely carried away as anybody else!

It all started a month ago, when me and my husband went up North for a holiday. Clive spent most of his time fishing, so I was left to my own devices. I didn't mind at all though, as I enjoyed exploring the area. We were in a small, countryside community, so as a stranger, I attracted a lot of attention. Mind you, that may have had something to do with my slim but curvy figure, and my long, wavy blonde hair.

On our second day there, I discovered a lovely little hardware store. It was just like something out of the last century, with lots of dark, dusty corners. I don't think it was just the old world charm of the place that made me like it, though. It had more to do with the young man who was working behind the counter there!

Joe was a tall, exotic looking guy, with the most perfect features I've ever seen. I got talking to him, and he told me he had some Red Indian blood, which accounted for his shiny black hair and dark skin.

As I chatted to him, I could feel trickles of heat running down my spine towards my pussy. I was getting turned on just looking at him. We were soon talking like old friends — or lovers. He had a beautifully mellow, intimate voice, and even the most jokey comment sounded sexy coming from his lips.

I had to bring myself back down to earth — after all, I was a married woman, and he was a virtual stranger — but that night I lay awake thinking about him, and getting so turned on I finally had to go into the bathroom and finger-fuck myself to a terrific climax.

After that, I kept away from the store for a couple of days. I really thought I'd beaten temptation, because I didn't go back that way until Sunday, when the shops were closed. It was sunny when I set out, but the further from home I got, the colder and darker it became. By the time I reached the village, the sky was overcast. I knew I should head for home, but some stubborn instinct kept me going. Just as I reached the shops, the downpour began.

I was only wearing a light cotton dress, and within seconds I was soaked to the skin. I was looking around frantically for somewhere to shelter when Joe's front door suddenly opened.

"Is that you, Lucy?" Joe called, and at the sound of his voice all the attraction I'd been suppressing came

flooding back. I rushed across to him, through the rain, and he quickly pulled me inside the shop.

"You're soaking!" he exclaimed, brushing my dripping hair out of my eyes. He led me to the back of the shop, where there was an open fire. As I sat in front of it, still shivering, our eyes kept meeting, and I realised that I wanted this gorgeous man more than I've ever wanted anyone else in my whole life.

"Perhaps you'd better take off those wet clothes," he said, moving over to sit on the arm of my chair. I can honestly say my husband never crossed my mind as I unbuttoned the front of my dress, and peeled off the wet fabric. I don't often wear undies, and today I was completely naked under my thin dress.

Joe's hands went to the damp, cold flesh of my tits, rubbing and stroking expertly until I felt faint with lust. He flicked his tongue across my nipples, then down my flat stomach towards my pussy. Kneeling on the floor in front of me, he spread my legs apart and bent his head to my open, wet cunt. His tongue stroked my stiffening clitty, then he parted my pussy lips with his strong fingers and slid his tongue right into my juicy hole.

Clive has hardly ever licked me out in seven years of marriage, but Joe made up for it in just one day! His tongue lapped at my pussy walls, sending waves of excitement through my hot cunt and up towards my nipples. I was coming within seconds — something which has never happened to me before — and Joe kept right on licking me, driving me crazy. Any inhibitions I might have had melted away, and I arched my back and screamed as orgasm after orgasm hit me.

Finally I lay back, drained but very satisfied. Joe started to give me a slow, sensual massage, smoothing my skin with long, firm strokes. By the time he reached my pussy, I was desperate for a thorough fucking. I pulled off his checked shirt, then felt his rock-hard cock pulsing under my fingers as I slid down his zip. I wasn't disappointed when his stiff knob sprang free — it was thick and throbbing. I licked the tip, lightly at first, then harder, and he moaned as I sucked his length into my mouth.

I'd never considered myself an expert when it came to blow-jobs, but I think lust inspired me. I sucked eagerly, flicking my tongue across Joe's smooth helmet, stroking his balls and his thighs as I brought him to the edge. He shot his thick, creamy come into my mouth and I gulped it down — another first for me; then, without a moment's rest, he plunged his still-hard cock into my dripping pussy.

He pumped in and out of me, his balls slapping fiercely against me as his cock filled me to the brim. I'd never experienced anything as exciting —I'd always thought Clive and I had a reasonable sex life, but now I realised how much I'd been missing. When Joe finally came inside me I was almost crying out loud with pure joy.

Joe and I spent the rest of the day together, and he taught me so much about my body that I'll always be grateful to him. The next day Clive and I came home; but I'm hoping to go back in a couple of weeks' time to see my exotic new lover. He's brought a whole new dimension to my sex life and given me a lot of new ideas for the future... I'll let you know how it all works out!

— Lucy, Dorset

Phew! What a Relief

My friend Susie and I both left sixth form college together last summer, and we've just got our first proper jobs — working on the pharmacy counter of a big local chemist. It's great that we've been able to stick together, as we've been best friends since we were about six. We have to wear a uniform to work — flat shoes, and a white button front dress. Susie and I have this friendly rivalry to see how much we can get away with, leaving the bottom buttons undone so that customers get a glimpse of thigh. Susie's a much bigger girl than me, and she likes leaving a few top buttons undone as well, so the customers can look right down her cleavage as she bends over to serve them.

Our manageress tells us to button up, but we've never had any complaint from the customers — some of them come in just to see us!

Last Tuesday I was feeling particularly adventurous, with three bottom buttons undone so that even when I was just walking normally I was giving a flash of white lacy stocking tops.

An attractive woman in a business suit came to the counter, and as I came over to serve her I could see her eyes flicker down to my legs. She asked me for some 'relief lotion'. I wasn't sure what she meant, so I showed her the range of pain relieving creams. "No, not those," she said. "Just relief lotion."

I still didn't know what she meant, so I called Susie over. The woman smiled at Susie — her eyes lingering on Susie's cleavage — and asked, "Is there anywhere private where I can explain?"

We took her to the small rest room, and I said, "It's quite confidential in here, Madam."

"Call me Tricia," she replied.

"Okay, well I'm Sharon, and this is Susie. Now, what's this relief lotion?"

Tricia smiled again, and lifted her skirt to her waist, revealing a pair of pale blue crotchless knickers. She put her hand down to her ginger minge and gently pulled her cunt lips apart. I could clearly see her clitty standing out, red and firm. "This is the problem," she said, laughing. "It's very red and hot, and needs some lotion on it to soothe it!"

Susie moved close to Tricia and ran a finger slowly along her slit. Tricia gasped as Susie's fingernail flicked across her clit, and Susie said, "You're right, it is very hot and throbbing. Feel this, Sharon!" And with that she grabbed my hand and placed it right over Tricia's pussy.

"I'll go and get some lotion," Susie said, dashing out of the room, leaving me standing there with my fingers resting against Tricia's cunt lips. Obviously I knew what to do — I'd

done it to myself hundreds of times — but I just froze up. Tricia realised I was a bit uncertain, so she pulled away and slipped off her skirt and jacket. She unbuttoned her blouse in a slow striptease. Her tits were firm, and at the sight of her nipples I could feel my own getting hard.

Tricia sat down on the couch. One hand moved to her ginger pussy, and she ran a finger round the delicate edge of her love hole. I was aching to get my hands to my own crotch by the time Susie came back.

When Susie saw what was going on she immediately took off her dress, and her huge boobs swung forward as she bent over to slip off her knickers. Then she leant across Tricia, her boobs flattening against Tricia's stomach as she pulled her cunt wide open.

"Get your fingers right inside her, Sharon," she said. "Give her a good finger-fucking." I poured the body lotion Susie had brought in all over my hands, before sliding two fingers right up Tricia's juicy cunt. At the same time I slid my free hand into my own knickers, and started rubbing my stiff clitty frantically.

I couldn't take my eyes off the way Susie was pulling Tricia's cunt open for me, letting my fingers slide in and out easily. I probed and teased her sensitive walls, doing exactly the same to myself and getting even more turned on knowing that she was as hot and wet as me. Susie was licking Tricia's nipples, and Tricia was arching her back and moaning. Suddenly she gripped my hand with her thighs, as an orgasm rippled through her slender body.

Tricia had just got her hands on Susie's pussy when the door opened and in came Gary, one of the warehouse boys. You can imagine the sight he got — Susie licking Tricia's tits as Tricia fingered her, and me with one hand buried in Tricia's cunt, and one in my own!

I rushed over to him, shutting the door as I began to rub his hardening cock through his trousers. This obviously inspired Tricia, as she said, "Susie, get on your hands and knees so this boy can take you from behind."

I undressed Gary and led him over to Susie. Tricia guided Gary's cock into Susie's pussy, and then turned her attention to me. She pulled off my damp knickers and lowered her face to my dripping cunt. Then she began to expertly lick me out. I'd never had such a fantastic licking, and I got even more excited to see her playing with Susie's tits as Gary pumped in and out of Susie's cunt. It must have looked like a blue movie!

I exploded with my first 'lezzie' come just as Gary shot his spunk into Susie. That set her off, and she shook with her own orgasm, Tricia still rubbing her nipples teasingly. Finally, Susie moved her hand to Tricia's pussy, and it only took a couple of strokes to make Tricia come too.

Susie and I suddenly realised simultaneously that we were supposed to be working! Reluctantly we dressed and went back to the counter — but not before Tricia had invited both of us, and Gary, to her place for the weekend. I'm really looking forward to finding out what other filthy foursomes we can get up to. — *Sharon, Notts*

HOLIDAY BLUES

Lezzie Lessons

I've always had quite an exciting sex life, but a few weeks ago something happened to me which really changed my whole outlook on my sexuality — and I'd like to share it with you. You never know, it might change your life too!

My boyfriend Daniel and I had been saving up for a holiday for ages, so we decided to treat ourselves to a fortnight in Corfu, in a really classy hotel. There were all kinds of people there, but it was a party of youngsters from Holland that caught Daniel's eye. They were obviously all from a rich area — the hotel was pretty expensive — and most of them were blonde and very attractive. I secretly thought that a couple of the guys were rather tasty, but Daniel didn't bother keeping his opinion on the girls hidden from me. He just eyed them up all the time, his tongue hanging out!

Daniel has always been a terrible flirt, and in fact that's one of the main things we row about. I don't think he's actually considered being unfaithful, but he likes to wind me up, and to see how far he can go before I blow my top. He is very good-looking, so the girls flock round him. Anyway, he got

the chance to do his Casanova act a few days into our holiday, when we were having dinner in the hotel restaurant. A couple of the Dutch girls ended up sitting at our table, and he didn't waste any time in chatting them up. Betty didn't speak very much English, but Nora had lived in London for a while, and her English was almost perfect. She was also absolutely stunning, with a slim but curvy body, short blonde hair and a sweet, innocent face. The sparkle in her eyes was anything but innocent, though!

Nora was very friendly, but to my surprise, Daniel's charm didn't seem to be working on her. In fact, she paid more attention to me, asking me about my job and my hobbies, and we got quite deep in conversation. We all went to a bar afterwards, and I spent most of the evening chatting away to Nora. Daniel was in a filthy mood when we got back to our room, accusing me of virtually ignoring him all night, but I didn't take much notice — I knew he was just annoyed because Nora obviously didn't fancy him.

I got up early the next morning, while Daniel was still sleeping off his hangover, and went down to the outdoor swimming pool. The place was completely deserted, and I slid into the warm water, relishing the peace and solitude. After a few lengths I got out to lie in the sun for a while. I was just dozing off when a shadow fell across me. It was Nora. She looked absolutely gorgeous, in a pink swimsuit which clung to her slim body. I'd never really been attracted to another girl before, but I could feel myself getting hot all over as I gazed at her, and I eventually had to look away as I started to blush. She didn't seem to take any notice, she just grinned at me, and lay beside me to sunbathe. As we talked, the closeness of her lovely body became really disconcerting. A tingling sensation was running up and down my spine, concentrating on my thighs and shooting hot darts into my pussy. Completely confused, I said I was going in for another dip, and Nora immediately said that she would too.

Once in the water, I started

to relax a bit, and we had a really good time, splashing each other and messing about. We were giggling like crazy, when suddenly Nora kissed me, full on the lips. Then she backed off a little, looking directly into my eyes, with her hands on my shoulders, and said, "I hope you don't mind me doing that, Suzanne. I just couldn't help myself."

"That's okay," I replied, vaguely aware that there was a big smile spreading across my face. I hadn't been kissed as passionately as that in ages, and it felt really terrific. I realised then that I was about to have my first lesbian encounter.

Nora led me out of the pool, and round the corner to a little changing hut. It was still early, and nobody was around to see as she peeled off my wet swimsuit to reveal my firm body. Time seemed to stand still as she pressed up against me, her small, round tits brushing mine, and kissed me. Then her hands slid down my dripping body, caressing my tits and then moving between my legs. I thought I might pass out with the overwhelming excitement as her gentle hands moved towards my pussy. I can honestly say I've never felt so horny in my whole life.

Nora held my bum cheeks gently with one hand, as the other rubbed over my pubic mound. Then she slipped one finger between my pussy lips, teasing my clitty, then sliding her finger gradually into my sticky hole, a millimetre at a time. She added another finger, and then a third, stretching my pussy walls apart. It felt so good I came almost immediately, my juices seeping out over my smooth thighs.

I was still gasping for breath as Nora slid down my body until she was kneeling in front of me. Spreading my legs wider apart, she began licking the insides of my thighs. I was trembling all over by the time her hot little tongue touched my pussy lips. She held them open with her fingers as her tongue pushed inside me. Of course, Daniel had licked me out many times, but it had never been as good as this. I let go completely as Nora lapped at my soaking cunt, and I was soon moaning and yelling her name as she gave me the lick-out of my life.

I'd come another three times before I came back down to earth and realised time was getting on. I was pretty disorientated, and Nora had to help me pull my swimsuit back on. It was just as well she did, as a moment later a middle aged woman came round the corner! We started giggling a bit, and I said to Nora, "Well, I guess it's getting a bit too busy for us to carry on here." She nodded. "I really want to give you as good a time as you've given me, though," I continued. "Can we go to your room?"

"I think my room mate will still be there," Nora replied. "But I know a really quiet place where we can go. How about it?"

I agreed at once. After my first lezzie licking, I was desperate to get my first taste of pussy. Nora had awoken something inside me which I hadn't even known was there.

Nora had hired out a scooter, and she drove us down to a part of the beach where I hadn't been before. It was very secluded, and there was nobody else around. We sank down onto the warm, grainy sand together, kissing and stroking each other passionately. I touched Nora's tits, hesitantly at first, then more and more firmly as the feeling of her hardening nipples sticking through the thin fabric of her swimsuit got me really excited.

I slipped the straps of Nora's swimsuit off her shoulders and peeled the top down, exposing her lovely tits. Then she raised her hips off the sand so I could take it right off. Her body was so beautiful I just stared at it for a moment. Then I hurriedly undressed myself, so that I could feel her naked skin against mine.

We rolled in the sand, my tits pressing hers, my pussy rubbing against hers, my long dark hair flowing over her shoulders. I was aching with anticipation as I knelt between Nora's legs and bent my face to her pussy. I breathed deeply, savouring the sweet smell of her, then tentatively touched her. She quivered under my fingers, and I gently stroked her clitty. I'd done it to myself, of course, but knowing I was giving someone else such pleasure was a really incredible feeling.

I slipped a couple of fingers right inside Nora's pussy. She was so wet and slippery that my fingers slid deep inside her, and I started pumping them in and out of her like a cock. She gasped with each stroke, raising her hips to meet my hand as I massaged her mound with the heel of my hand. When I could tell she was getting close to her first orgasm, I replaced my fingers with my tongue. She was almost screaming as I licked her out thoroughly, tasting her juice as it ran into my mouth and down my chin. I lapped at her furiously, and when she shuddered with a giant orgasm I was overjoyed. It was the first time I'd tasted another girl's cunt, and I'd made her come!

Nora and I spent a couple of hours on the beach, while she taught me everything she knew about the giving and taking of pleasure. Then we thought we'd better go back to the hotel, before Daniel noticed I was missing! He was still asleep when I got back, and had no idea what had been going on. He didn't even notice the naughty gleam in my eyes!

Nora had asked to meet me later that evening, so when Daniel suggested we go out, I pretended to have a headache, and told him to go on without me. I laughed to myself as he went off to the bar, leaving me to wait for Nora alone.

She turned up in a thin black dress which showed off her lovely figure, and she looked absolutely irresistible. Within minutes we were locked in a steamy 69, licking and sucking at each other's pussy like crazy. We were so involved that we didn't even hear the door open, until I heard Daniel yell, "What on earth's going on here?"

I raised my head to see Daniel standing there with one of the Dutch guys, Johann. Both of them had their mouths wide open in amazement and disbelief. Apparently Daniel had forgotten something, and they'd come back to fetch it.

I was lost for words, but Nora just laughed, and said, "I would have thought that was pretty obvious!" At that I burst out laughing as well, and eventually the guys started to laugh too.

Both of them were getting a bulge in their trousers as they looked at our naked bodies, so I wasn't too surprised when Johann said, "Why don't you finish what you have started?" I'm not normally much of an exhibitionist, but I was so turned on by the whole situation that I didn't need asking twice. I went back to licking out Nora's sweet cunt, as she did the same for me. After that, I was completely oblivious to the presence of the guys until both of us had come one more time.

When I did finally raise my head, I saw that Daniel and Johann had both got their cocks out, and they were wanking away like crazy as they watched their own personal sex show. Even after the licking I'd just had, I couldn't wait to get my hands on them.

Taking one big cock in each hand, I started to rub firmly, getting quicker and quicker, and licking each in turn from time to time.

"Let me fuck you," the Dutch guy begged. I looked at Daniel and he nodded enthusiastically. Once I was sure he didn't mind, there was no stopping me. I got onto my hands and knees, and Johann slid his fat cock into my cunt. I took him up to the hilt, and as he pushed in and out, Nora began rubbing me all over, sucking my tits and stroking my thighs. Daniel was still wanking himself as he watched. The whole thing was out of this world!

Before long, Johann was shooting his thick spunk inside me, and that was all it took to set me off. As I writhed with pleasure, Nora's hands crept down to her pussy and she brought herself off. Daniel watched intently, letting out a cry of ecstasy as he spilt his come all over Nora's tits.

I licked my boyfriend's salty spunk off Nora's body, and she sucked all of Johann's come out of my love tunnel. Of course, after that we had to lick each other out all over again, and it wasn't long before the guys had both got stiff cocks again from watching us. Before the night was over, I'd been fucked by Daniel, and sucked both blokes off, with Nora fingering herself or me the whole time.

That holiday has certainly spiced up my sex life. Daniel still loves to flirt, but these days he's more concerned with picking up girls that suit me! Nora has invited me to go and stay with her in Holland soon... I can't wait, and neither can my pussy!

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

My hand is trembling with excitement and arousal as I'm writing down what has happened to me. When a couple of my girlfriends from work helped me plan a way to re-awaken my husband's interest in sex, I never knew that things would turn out this way. I know that as I carry on writing, my hand will be down inside my panties, parting my love lips and fiddling with my aching little clitty until I come because I can't hold back any longer.

My husband, although very good looking, has never really shown the interest in sex that I've needed ever since I lost my virginity at the age of 17. In the ten years that we've been married I must have learnt more about sex aids than any other woman alive, because the trouble is that Don just can't work up any interest in sex itself. It's always me who has to make the first move, and always me who ends up finishing myself off.

But apart from that he's a great husband. All the girls at work were jealous of me because they all fancied him.

"I wish I could catch a bloke like Don," they all said. If only they knew that I got sex about once a month, if I was lucky.

However, one night about three weeks ago I was on a girls' night out, and after more than a few Margueritas the talk turned a little bit blue, as it often does on those kind of nights. We started confessing our deepest fantasies, and then we got on to our sex lives. It was then that the truth about mine came out.

The others couldn't believe what they were hearing.

gorgeous hunk of manhood that you're married to just can't get it on?" Denise asked in astonishment.

I had to admit it was true. It was after a further couple of drinks that the plot was hatched. Denise asked me if there was anything I knew of that would get Don aroused. After a couple of minutes' thought, I remembered.

"Well, this is a bit embarrassing," I began, "but I do know of one thing. He loves wearing my underwear. When he puts a pair of my panties on, I know he gets really turned on. We had our best fuck ever when he found the new silk underwear I treated myself to when I got this job."

Eileen looked at Denise. "Think we can manage this one?" she asked. Denise just nodded, then looked at me.

"Don't worry, Carole," she grinned. "I think we can come up with something!" Then she outlined an idea for gaining Don's interest. When she'd finished I was so horny I had to excuse myself and go to the Ladies for a quick frig — so I could imagine what it would do to Don!

I don't know how I kept the idea to myself for the fortnight until my birthday. I told Don that a couple of the girls from work were coming over after dinner for a drink, and he seemed quite happy with the arrangement.

I prepared carefully. Eileen had told me to prime Don with a good meal and a bottle of wine, and to wear my sexiest outfit. Consequently we were both feeling pretty mellow when the doorbell rang, and although he doesn't normally take much notice of that kind of thing, I could see that he'd realised I'd made an extra effort with my red sheath dress. Underneath, I was wearing tight, silky black undies. I hoped the plan would work, as I was beginning to feel randy!

Denise and Eileen walked in and I gasped. As they flung their coats off, they were both just wearing underwear beneath!

I must have stood there looking a right fool with my mouth gaping as the two girls laid their coats over the back of the sofa, and posed like models in a girlie magazine, right in front of Don! Eileen's generous boobs were just about held in check by a red basque complete with suspenders, and she had Don's favourite — red fishnets — on her legs. Denise was even more daring; all she was wearing was a black cupless bra and matching crotchless panties, with sheer white stockings complementing the outfit.

I couldn't help but whistle at the effect — they both looked stunning. Denise nodded at me, and it was now my turn to take off my dress so that I could show Don the full effect of my black lacy bra and tiny knickers. His eyes went immediately to the wisps of blonde pussy hair showing over the top and sides of the knickers. The look on his face, full of the lust I'd been dying to see for so long, almost made me come then and there, and I could feel a drop of moisture forming in my panties.

We all stood there while Don digested the sight of three attractive women, all focusing their sexual desires on him. I knew that it wouldn't be long before the effect was transferred down from his eyes to the front of his trousers.

Eileen walked over to her handbag and fished out a parcel. Handing it to me, she smiled and said, "Now it's time for you to give Don his present, Carole. After all, we didn't feel we could turn up empty-handed."

She handed the parcel to me. "I think you should give it to him," she said. I did. Don was trembling as he took it from me, and in the front of his trousers I could see his cock visibly harden and lengthen. His feverish hands tore at the paper, and my eyes boggled at what fell out. It was a beautiful cream coloured camisole and matching French knickers.

There was silence for a minute, until Denise spoke.

"Go on, Don — why don't you put them on?" she dared him. "We all know that's what you want."

Don didn't hesitate. In a flash his clothes lay in a heap on the floor, and then there was my six foot husband standing in front of me wearing a very feminine set of lingerie. Oddly enough, the last thing I wanted to do was laugh. All I could think of was how hunky Don looked in the outfit, and I could tell that his excitement

(BCO-

and arousal was almost at boiling point.

He seemed to have forgotten we were there, as he started rubbing his cock through the silky material, stroking it until it was sticking out as hard as a tent pole through the cream silk. I was fascinated by the sight — so much so that for a while I didn't notice that both Eileen and Denise were stroking themselves through their knickers, obviously getting off on the sight of my handsome husband revelling in his silk undies.

The whole situation had me so excited I couldn't control myself. I pressed myself against Don, feeling his hard cock poking into me as I kissed him thoroughly and felt his hands all over me. The next minute he'd backed against the wall and lifted me off my feet, wrapping my calves around his hips. I locked my ankles behind his firm bum and his hands held my own buttocks, kneading and squeezing them to arouse me even more as I nibbled his neck and ran my hands all over his chest and shoulders.

"Fuck me," I was yelling. "I want you to fuck me, Don — I can't wait!"

Reaching down, Don yanked the gusset of my panties aside and manoeuvred his cock out of the French knickers and right up my cunt. I was so wet he slipped in easily despite the awkwardness of the position, and soon I was riding him for all I was worth, feeling that cock pounding up me hard. My clitty bounced against his pubes as I rode him hard, and little orgasms went right through me.

Don was so excited that he couldn't hold on for long, and as I writhed on top of him I felt him shoot his load inside me, all hot and sticky. Just thinking about my friends watching us at the same time, me fucking my husband like a mad-woman, him in all that sexy lingerie, tipped me right over the edge. I threw my head back, closed my eyes and howled as I relaxed into a tremendous climax. It was so intense it felt as if my head was flying off!

Don put me down when he was certain that my legs would hold me, and when we looked over at Eileen and Denise they were frigging each other as they watched us. Eileen had her fingers in Denise's slit, and Denise was rubbing her friend's pussy through her knickers, making her as wet and juicy as she was. They both panted as they came, smiling sexily at each other as the waves of orgasm washed over them again and again.

Since then, Don has been insatiable in bed — or anywhere else in the house for that matter! I don't mind his little kink about wearing women's undies — so long as it means I get all the sex I need! And let's just say that at the moment I'm not complaining at all! — *Carole, Herts* ♣

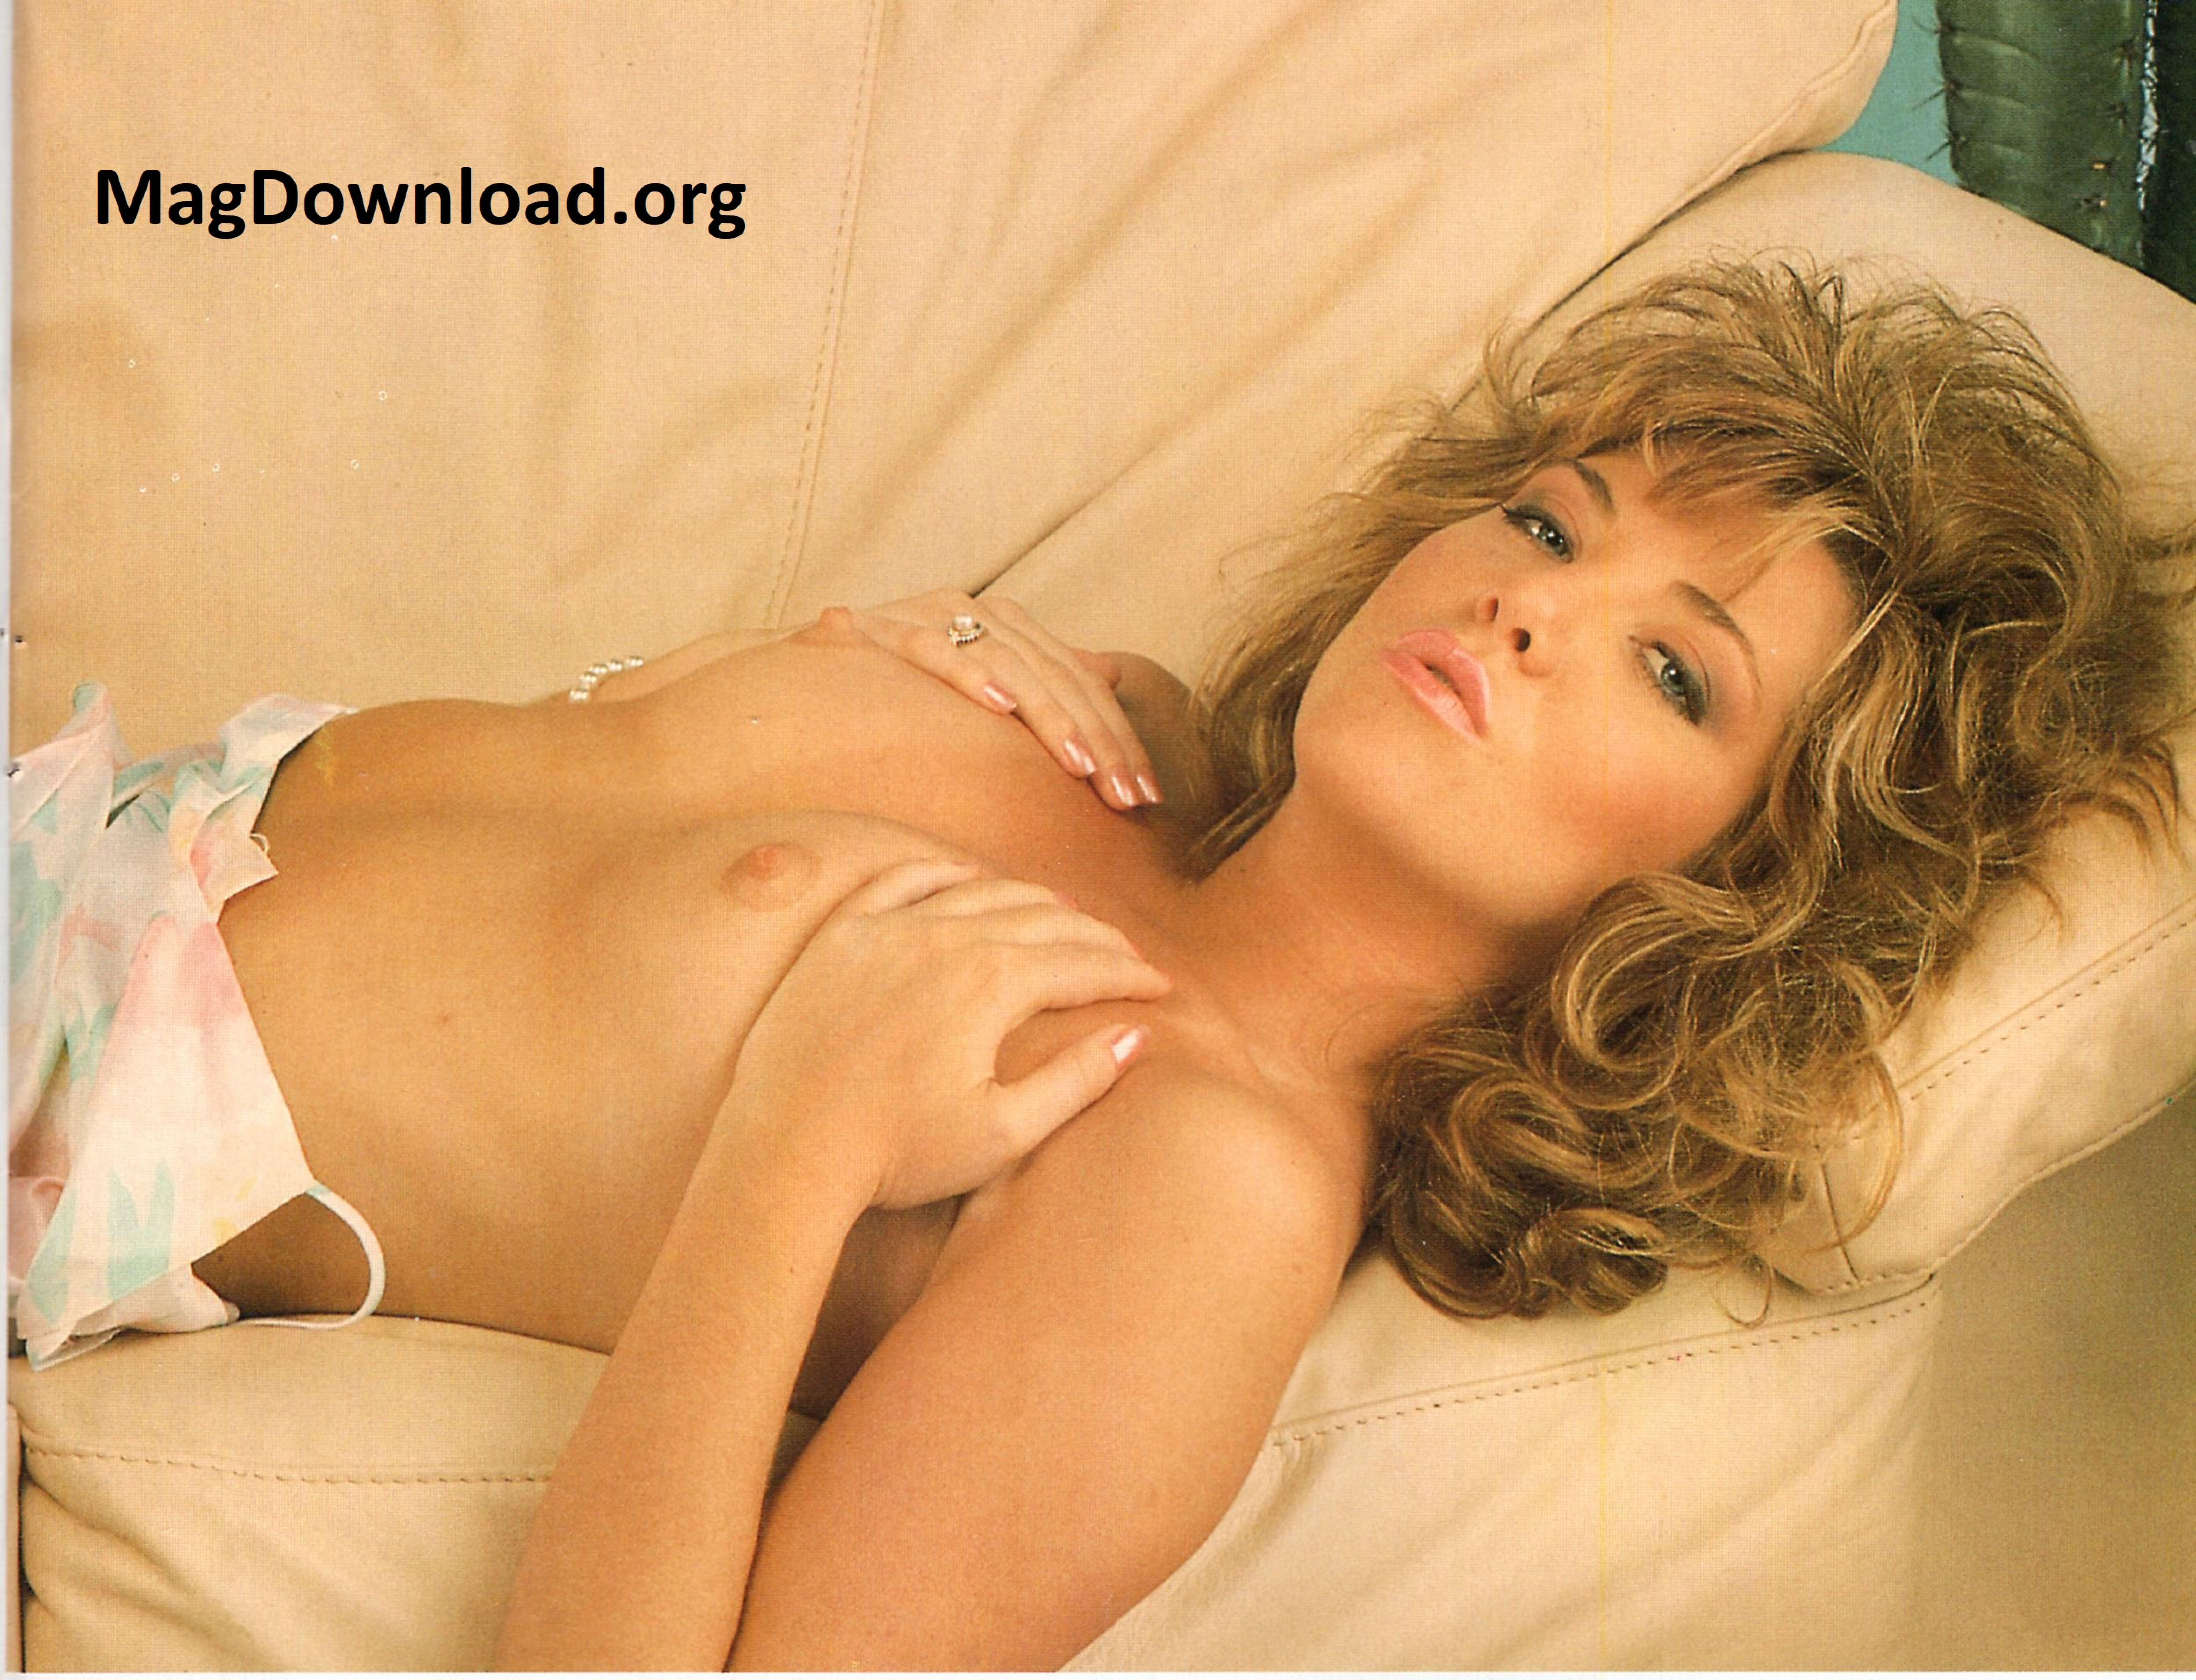
katie

Photographs by Scott Evans

You can see that curvy Katie's a real live-wire — she'd rather be pumping iron and doing press-ups than lazing around. "I'm a fitness instructor in a top London gym," 22-year-old Katie said,

MagDownload.org



flashing us a glimpse of those well developed pecs, "so, if you fancy coming down here and working up a sweat, I'm ready and waiting. I'm always full of energy — why don't you see if you can keep up with me? After all that exercise, it's back to my place for a hot bath and a slow massage. Then if you're lucky, I'll give your love muscle a good work-out too!" ♣

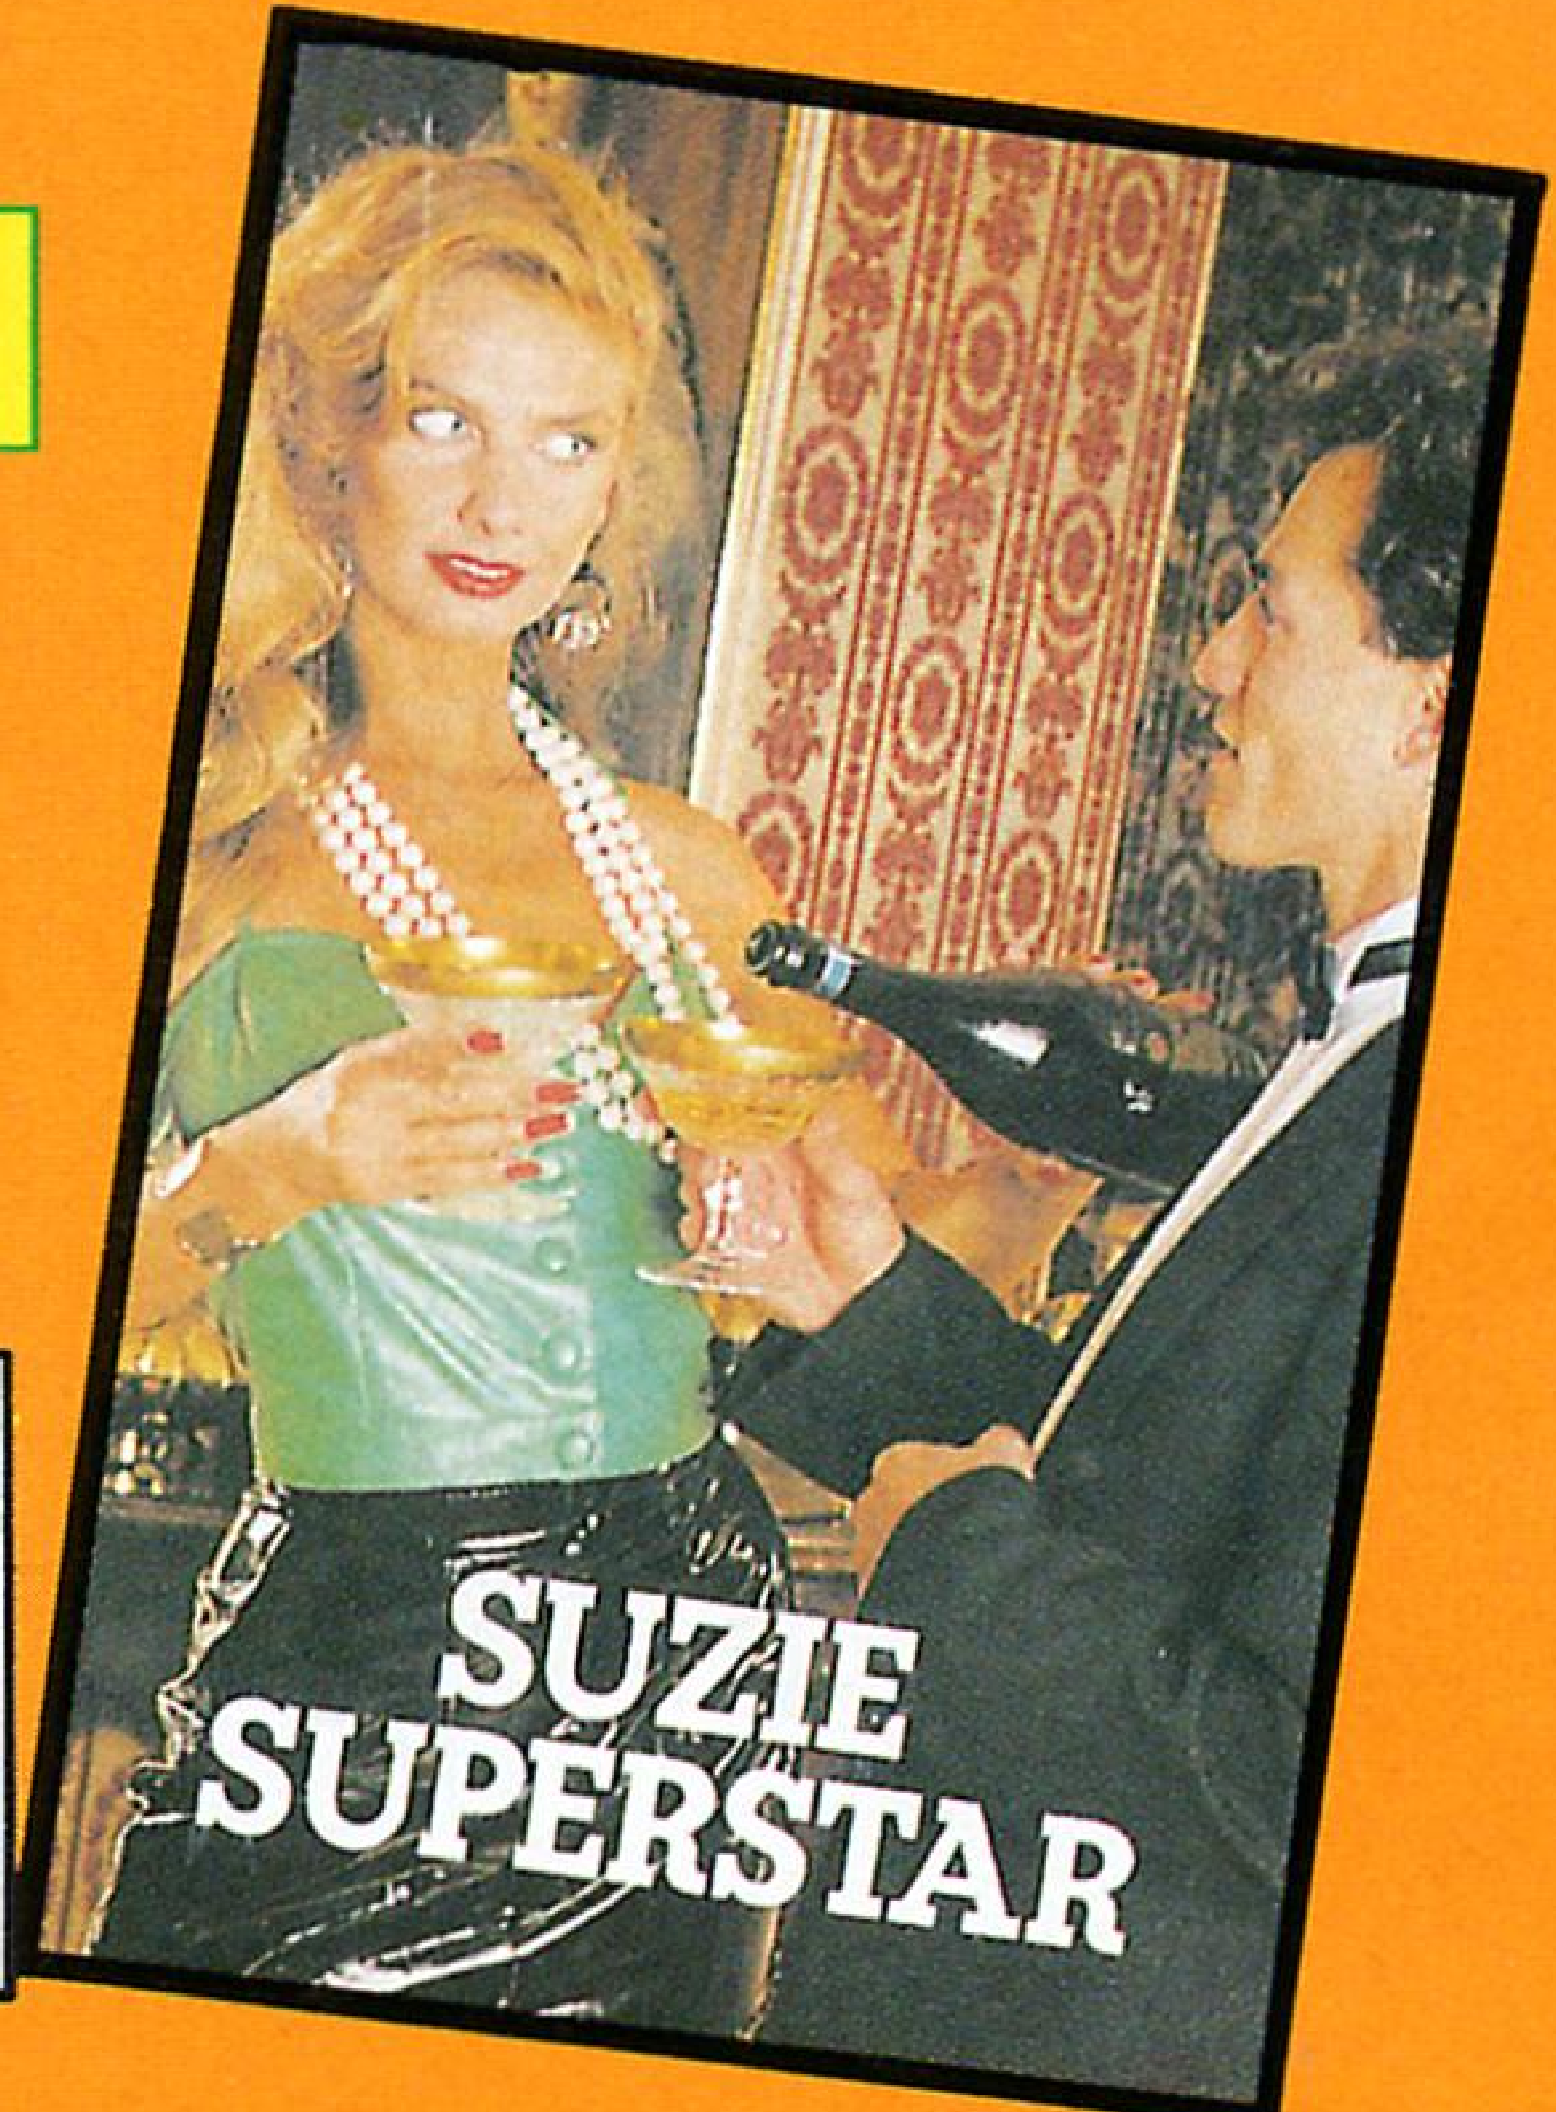
MISBEHAVING

Who will randy Rita marry? Will it be Ted the Trucker with his coarse hands and even coarser manner. Will it be Rick with the extra one that Rita loves so much or will she simply move in with John & Cathy, the bi-sexual couple who have her together.



SUZIE SUPERSTAR

She is a sex superstar. She screws regularly with her manager, picks up studs in the clubs, two or three at a time, but what she likes best is picking up girls and getting right inside their soft yielding bodies.

sue

Photographs by Jack Harrison

Last time Sue was in Club, in December, she was telling us how much she liked men... and apparently since then she's discovered women!

"I was at my local health club, working up a sweat in the sauna," 22-year-old Sue told us, "and this absolutely stunning redhead came in wearing nothing but a smile! She told me that she'd seen my set in Club — and well,

there was no holding me back after that...

"She had me on the floor in seconds, and was frantically licking away at my pussy like the cat that had got more than its share of cream. Now that's what I call an introduction!"♣

COMING IN club

WHO'S THAT GIRL?

This gorgeous Club girl needs *your* help! After a night on the town and one too many Babychams, she has temporarily lost her memory and is unable to tell us who she is. This is where you come in: if you recognise our mystery girl tell us now so we can inform the attractive amnesiac exactly who she is. Remember, all you have to go on are those taut cheeks, luscious long legs and perfect pink pussy. But we think that'll keep you going until the next incredible issue of Club when all and more will be revealed! ♣

IN·THE·BAG

continued from page 17

Naturally I jumped at the chance, so she took me back to her flat. She kissed me in the taxi, making me hornier than ever, but when I put my hand on her thigh she pushed it away, telling me to wait till we got home.

Back at the flat, she made me a cup of coffee, and then excused herself. I sat on the settee, throbbing with anticipation, waiting for her to come back in... and I definitely wasn't disappointed when Helen reappeared a few minutes later, dressed in a crisp white uniform, complete with cap!

My prick stood bolt upright as Helen came over and sat on my lap, her skirt riding up her black stockinged legs.

"What do you think?" she asked, with a naughty smile.

"You look terrific," I stammered, barely able to get the words out. Helen then began to unbutton my shirt.

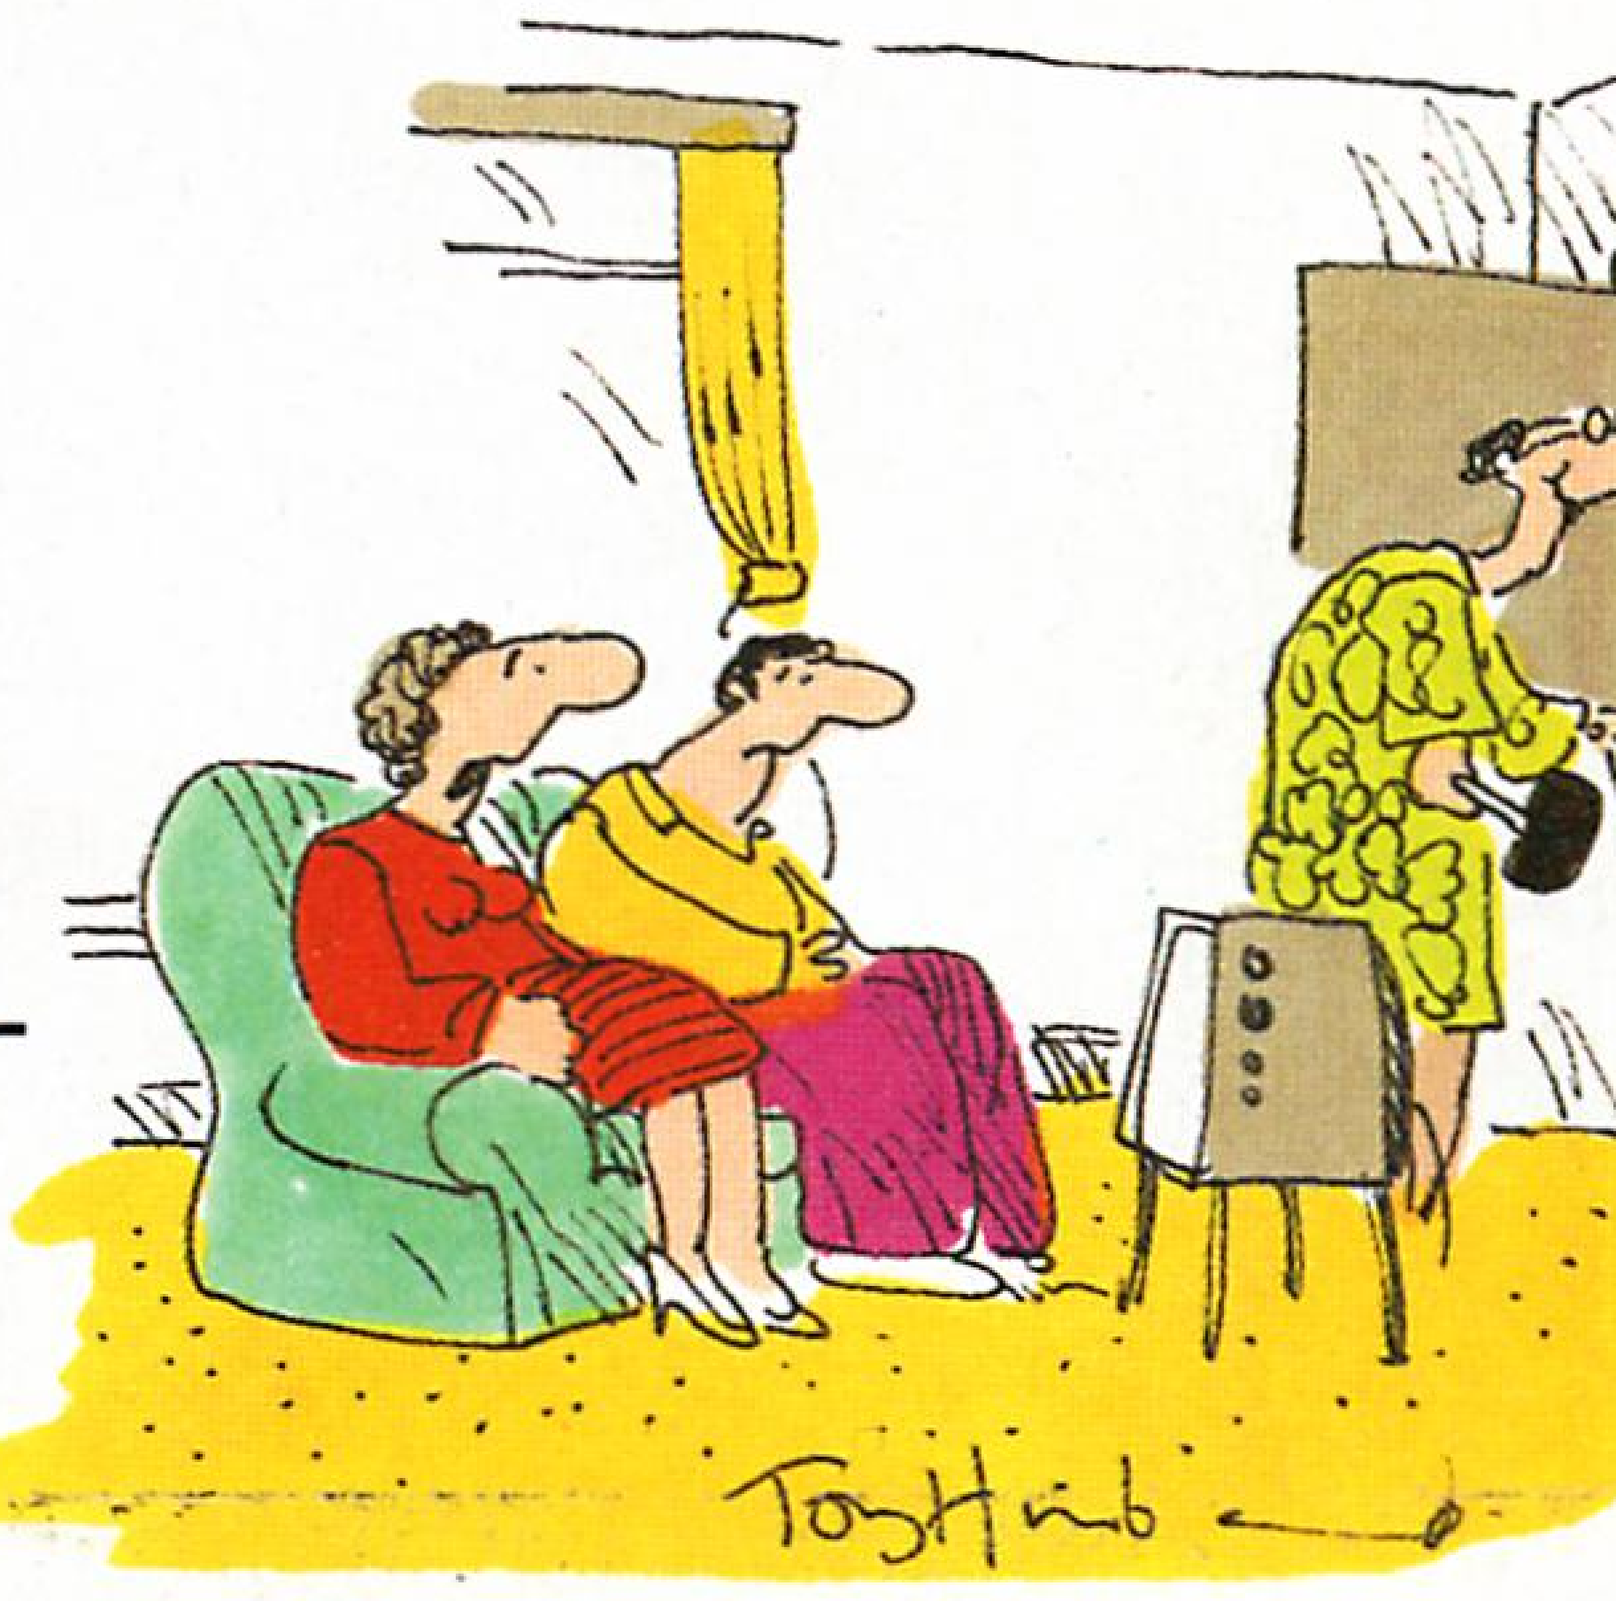
"Nursey wants to examine your chest," she giggled.

"I'll show you mine if you show me yours!" I replied, laughing. At this, Helen slid down onto the floor between my legs and slowly unbuttoned her uniform to her waist. Her tits looked gorgeous in a black lacy half-cup bra, and I reached forward to play with them, feeling the stiffness of her nipples.

Helen moved her hand to my waist, deftly undoing my trousers and easing down my zip. My cock sprang out, rock-hard, and she pulled my trousers, boxers, shoes and socks off in one quick movement, so I was sitting there completely starkers. I reckon that was one move she learnt on the wards!

She began to toss me off expertly, squeezing my balls gently with one hand as she stroked my rigid cock with the other. I wanted to protest when she stopped for a moment, but then I realised it was just so she could undo the rest of her uniform and let it fall to the floor. I let my eyes feast on her as she sat there in her skimpy black bra and panties, stockings and suspenders, her long fair hair curling around her shoulders.

Helen licked the tip of my boner, then sucked it, gradually taking more and more of it into her mouth until I was sure I would spurt straight down her throat. I was so excited I probably wouldn't have noticed if a herd of elephants had walked into the room at that point, but I did notice Helen's hand working itself inside her knickers as she began to finger herself, still sucking me energetically.



It's sad – mother would have nothing if it wasn't for killing slugs.

That was all it took to make me come, and I shot my hot spunk into Helen's mouth. She gulped it down, licked my cock clean, and then kissed me as I lay back, panting.

Once I recovered, it was time for me to return the compliment, so I unhooked her bra and sucked on her pointed nipples until she was squirming with delight. Then I lifted her onto the sofa and pulled off her damp panties.

Helen's cunt was so wet that my tongue slid right into it, and I began lapping away at her, tasting her sweet juices. She moaned as I thrust my tongue deep inside her, and then she came, shaking and gripping onto me as she writhed in ecstasy.

By this time my cock was stiff again, and Helen said, "I need a good fucking." She led me into the bedroom and pulled me down onto the bed with her. We kissed for a while, and then Helen got on top of me and sank down onto my prick. She slid right down onto me, teasing my cock with her tight, pussy walls.

I rubbed her tits as she moved up and down on my pole, getting quicker until both of us were gasping for breath. Helen reached down to rub my balls as they slapped against her, and as she yelled at me to fill her with spunk I did. Helen came at the same time — it was incredible!

I'm seeing Helen again soon, and she's promised to give me further treatment. If I can pluck up the courage I'll ask her to help out with some other fantasies of mine. — *Trevor, Cornwall* ♣

FINAL SCORE

Club's mine of useless information ***Vinny Sprockett*** *lists 20 things you can do with rice pudding! Devon knows how he comes up with them...*

1. Eat it.
Why?: Pretty obvious really.

2. Paint it straight onto your living room wall.
Why?: Thus instantly achieving that well trendy 1970s 'blistered wallpaper' effect.

3. Blow bubbles with it.
Why?: It's more environmentally friendly than washing-up liquid.

4. Smother your lover's thighs with it and then bury your face. (Add a dollop of strawberry jam if you have a sweet tooth.)
Why?: Because it beats mowing the lawn.

5. Mix it up with tomato ketchup, slop it liberally all over the floor under your desk, and claim you've just chucked your guts up and get off work early.
Why?: 'Cos you want to get off work early.

6. Warm it in a saucepan, melt in one Mars bar and a teaspoon of honey and stick a Cadbury's Flake in it, and pour it on a sandwich. Stir in two tablespoons of sugar and eat, thus achieving the same effect as number 5 (see above) only this time you won't be lying.
Why?: 'Cos deep down you're honest.

7. Pick out all the big bits and stick it in your capuccino.
Why?: 'Cos Coffeemate tastes crap.

8. Freeze it on a stick and melt it in the confines of your partner's steaming love hole.
Why?: Saves wear and tear on your dick, and besides it'll taste *sooo* much nicer.

9. Cut the bottom and top out of the tin, and stick down your trousers before playing cricket.
Why?: So you can go out and bat on a sticky wicket.

10. Whisk it in a blender, pour into a pair of knickers (preferably worn) and suck through the gusset.
Why?: It's cheaper (and thicker) than a McDonald's extra-thick milkshake.

11. Take it into a studio, remix it and release it as a Milli Vanilli single.
Why?: You might win a Grammy.

12. Finger paint your lover's fanny with it.
Why?: So you can lick your fingers afterwards.

13. Rip the label off, shove it down your pants, jiggle your knob around and shout, "How's that for stir-flyed rice!"
Why?: 'Cos you're a prat.

14. Fill up a bath-tub with it, and then dive in.
Why?: See 13 above.

15. Save it in a hole in the ground in case there's a holocaust.
Why?: 'Cos even the 7-Eleven won't be open if the bomb drops.

16. Place it in a saucepan and boil it till it burns.
Why?: So you can have ice cream instead.

17. Use it as a missile for revenge or self-defence purposes.
Why?: You are hardly going to get arrested by the police for being in possession of a tin of rice pudding.

18. Place under your shoes to make yourself look taller.
Why?: So you can look taller.

19. Rip the label off and disguise as a can of Hoffeneinpissen extra-strong imported Dutch lager.
Why?: So you can watch the wally at the party spending all night trying to get the head off his can of trendy 'beer'. Wacky, eh?

20. Marry it.
Why?: Well, next to a steaming hot pussy and a packet of chocolate Hobnobs it's the nearest thing to eternal bliss. ♣
